 \_\_\_\_\_ (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302 provides: "Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds." Therefore, section 215.971, Florida Statutes, entitled "Agreements funded with federal or state assistance", applies to this Agreement.

b. As required by Section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

Only the Authorized or Primary Agents identified on the Designation of Authority (Agents) in Attachment D may authorize addition or removal of agency users.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement. In order for a Project to be eligible for reimbursement, a modification to this agreement must be executed incorporating the Project as identified by number, budget, and scope of work. Projects not included by modification will be ineligible for funding, regardless of Federal approval for the Project.

(7) SCOPE OF WORK.

The Sub-Recipient shall perform the work in accordance with the Budget and Project List – Attachment A and Scope of Work, Deliverables and Financial Consequences – Attachment B of this Agreement.

(8) PERIOD OF AGREEMENT.

This Agreement shall begin upon execution by both parties and shall **end six (6) months from the date of declaration for Emergency Work (Categories A & B) or eighteen (18) months from the date of declaration for Permanent Work (Categories C-G)**, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of “period of performance” contained in 2 C.F.R. §200.77, the term “period of agreement” refers to the time during which the Sub-Recipient “may incur new obligations to carry out the work authorized under” this Agreement. In accordance with 2 C.F.R. §200.309, the Sub-Recipient may receive reimbursement under this Agreement only for “allowable costs incurred during the period of performance.” In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement “only for allowable costs resulting from obligations incurred during” the period of agreement.

(9) FUNDING

- a. This is a cost-reimbursement Agreement, subject to the availability of funds.
- b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either Chapter 216, Florida Statutes, or the Florida Constitution.
- c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement (“Budget and Project List”). The maximum federal reimbursement amount for the entirety of this Agreement is \_\_\_\_\_.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: “By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812).”

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient in FloridaPA.org against a performance measure, outlined in Attachment B, Scope of Work, Deliverables, and Financial Consequences, that clearly delineates:

- i. The required minimum acceptable level of service to be performed; and,
- ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a “performance goal”, which is defined in 2 C.F.R. §200.76 as “a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared.” It also remains consistent with the requirement, contained in 2 C.F.R. §200.301, that the Division and the Sub-Recipient “relate financial data to performance accomplishments of the Federal award.”

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 (“Compensation—personal services”) and 2 C.F.R. §200.431 (“Compensation—fringe benefits”). If authorized by the Federal Awarding Agency, and if the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (see 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as “allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages.” Fringe benefits are allowable under this Agreement as long as the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

- i. They are provided under established written leave policies;
- ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes (\$6 for breakfast, \$11 for lunch, and \$19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.53, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

#### (10) RECORDS

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.331(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts.

The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.333, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.334, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.335, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with Chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements

and objectives of the Budget and Project List – Attachment A, Scope of Work – Attachment B, and all other applicable laws and regulations.

- a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.
- b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles (“GAAP”). - d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and Agreement provisions within thirty days after the Division has notified the Sub-Recipient of such non-compliance.
- e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(h), Florida Statutes, as “an independent certified public accountant licensed under chapter 473.” The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient’s fiscal year.

(12)REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than 30 days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30 and December 31.

c. The closeout report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Project List – Attachment A, and Scope of Work – Attachment B.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment G – Public Assistance Program Guidance.

(13)MONITORING.

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A

review shall be done for each function or activity in Attachment B to this Agreement, and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14)LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement; as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15)DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES.

If an Event of Default occurs, then the Division shall, after thirty calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION.

a. The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar days prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

#### (18)PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(b), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any solicitation (whether competitive or non-competitive) at least fifteen (15) days prior to the publication or communication of the solicitation. The Division shall review the

solicitation and provide comments, if any, to the Sub-Recipient within three (3) business days. Consistent with 2 C.F.R. §200.324, the Division will review the solicitation for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-Recipient. While the Sub-Recipient does not need the approval of the Division in order to publish a competitive solicitation, this review may allow the Division to identify deficiencies in the vendor requirements or in the commodity or service specifications. The Division's review and comments shall not constitute an approval of the solicitation. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the three (3) business day window outlined above. If the Sub-Recipient publishes a competitive solicitation after receiving comments from the Division that the solicitation is deficient, then the Division may:

- i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; and,
- ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

e. Except for procurements by micro-purchases pursuant to 2 C.F.R. §200.320(a) or procurements by small purchase procedures pursuant to 2 C.F.R. §200.320(b), if the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall forward to the Division a copy of any contemplated contract prior to contract execution. The Division shall review the unexecuted contract and provide comments, if any, to the Sub-Recipient within three (3) business days. Consistent with 2 C.F.R. §200.324, the Division will review the unexecuted contract for compliance with the procurement standards outlined in 2 C.F.R. §§200.318 through 200.326 as well as Appendix II to 2 C.F.R. Part 200. Consistent with 2 C.F.R. §200.318(k), the Division will not substitute its judgment for that of the Sub-Recipient. While the Sub-Recipient does not need the approval of the Division in order to execute a subcontract, this review may allow the Division to identify deficiencies in the terms and conditions of the subcontract as well as deficiencies in the procurement process that led to the subcontract. The Division's review and comments shall not constitute an approval of the subcontract. Regardless of the Division's review, the Sub-Recipient remains bound by all applicable laws, regulations, and agreement terms. If during its review the Division identifies any deficiencies, then the Division shall communicate those deficiencies to the Sub-Recipient as quickly as possible within the three (3) business day window outlined above. If the Sub-Recipient executes a subcontract after receiving a communication from the Division that the subcontract is non-compliant, then the Division may:

- i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; and,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that subcontract.

f. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

g. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall “maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts.”

h. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement “in a manner providing full and open competition.” Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

i. “[E]xcept in those cases where applicable Federal statutes expressly mandate or encourage” otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(b), shall not use a geographic preference when procuring commodities or services under this Agreement.

j. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(c) as well as section 287.057(1)(a), Florida Statutes.

k. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(b), Florida Statutes.

l. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in Section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 (“Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms”).

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this agreement, subject to the exhaustion of appeals, are due no later than thirty (30) days from notification by the Division of funds due. FEMA only allows thirty (30) days from deobligation for the funds to be repaid before it will refer the amount to the FEMA Finance Center (FFC) for collection.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. If the Sub-Recipient is unable to certify to any of the statements in this certification, then the Sub-Recipient shall attach an explanation to this Agreement.

**h. In addition, the Sub-Recipient shall send to the Division (by email or by facsimile transmission) the completed “Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion” (Attachment C) for the Sub-Recipient agency and each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

i. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

j. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division’s obligation to pay the contract amount unless otherwise governed by program specific waiver.

k. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act (“INA”)]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

l. All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Agreement must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

b. Section 216.347, Florida Statutes, prohibits “any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency.”

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose accordingly.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

**EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.**

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25)LEGAL AUTHORIZATION.

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26)EQUAL OPPORTUNITY EMPLOYMENT

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

iii. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

iv. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

v. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vi. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

vii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of

enforcing such provisions, including sanctions for noncompliance: provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts.

The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28)CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of forty (40) hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of forty (40) hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29)CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds \$150,000, then any such contract must include the following provision:

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30)SUSPENSION AND DEBARMENT

Per 2 C.F.R. 200.213 Suspension and debarment, non-Federal entities are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 C.F.R. part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31)BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

(32)CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

- i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

- iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
  - v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and
  - vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.
- b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.
- c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.
- d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

#### Scope of Work

Complete eligible Projects for emergency protective measures, debris removal, repair or replacement of Disaster damaged facilities.

When FEMA has obligated funding for a Sub-Recipient's PW, the Division notifies the Sub-Recipient with a copy of the PW (or P2 Report). A Sub-Recipient may receive more than one PW and each will contain a separate Project. Attachment A, Budget and Project List of this Agreement will be modified as necessary to incorporate new or revised PWs. **For the purpose of this Agreement, each Project will be monitored, completed and reimbursed independently of the other Projects which are made part of this Agreement.**

### DESIGNATION OF AUTHORITY

The **Designation of Authority Form** is submitted with each new disaster or emergency declaration to provide the authority for the Sub-Recipient's Primary Agent and Alternate Agent to access the FloridaPA.org system in order to enter notes, review notes and documents, and submit the documentation necessary to work the new event. The Designation of Authority Form is originally submitted as Attachment "D" to the PA Funding Agreement for each disaster or emergency declaration. Subsequently, the Primary or Alternate contact should review the agency contacts at least quarterly. The Authorized Representative can request a change in contacts via email to the state team; a note should be entered in FloridaPA.org if the list is correct. Contacts should be removed as soon as they separate, retire, or are reassigned by the Agency. A new form will only be needed if all authorized representatives have separated from your agency. Note that if a new Designation form is submitted, all Agency Representatives currently listed as contacts that are not included on the updated form will be deleted from FloridaPA.org as the contacts listed are replaced in the system, not supplemented. All users must log in on a monthly basis to keep their accounts from becoming locked.

### Instructions for Completion

Complete the form in its entirety, listing the name and information for all representatives who will be working in the FloridaPA.org Grant Management System. Users will be notified via email when they have been granted access. The user must log in to the FloridaPA.org system within 12 hours of being notified or their account will lock them out. Each user must log in within a 60-day time period or their account will lock them out. In the event you try to log in and your account is locked, submit a ticket using the Access Request link on the home page.

The form is divided into twelve blocks; each block must be completed where appropriate.

**Block 1:** "Authorized Agent" – This should be the highest authority in your organization who is authorized to sign legal documents on behalf of your organization. (Only one Authorized Agent is allowed and this person will have full access/authority unless otherwise requested).

**Block 2:** "Primary Agent" – This is the person designated by your organization to receive all correspondence and is our main point of contact. This contact will be responsible for answering questions, uploading documents, and submitting reports/requests in FloridaPA.org. The Primary Agent is usually not the Authorized Agent but should be responsible for updating all internal stakeholders on all grant activities. (Only one Primary Agent is allowed and this contact will have full access).

**Block 3:** "Alternate Agent" – This is the person designated by your organization to be available when the Primary is not. (Only one Alternate Agent is allowed and this contact will have full access).

**Block 4, 5, and 6:** "Other" (Finance/Point of Contact, Risk Management-Insurance, and Environmental-Historic). Providing these contacts is essential in the coordination and communication required between state and local subject matter experts. We understand that the same agent may be identified in multiple blocks, however we ask that you enter the name and information again to ensure we are communicating with the correct individuals.

**Block 7 – 12:** "Other" (Read Only Access) – There is no limit on "Other" contacts but we ask that this be restricted to those that are going to actually need to log in and have a role in reviewing the information. This designation is only for situational awareness purposes as individuals with the "Other Read-Only" designation cannot take any action in FloridaPA.org.

### Election of Participation in Public Assistance Alternative Procedures (PAAP) Pilot Program

Should the Sub-Recipient desire to utilize the Public Assistance Alternative Procedures provisions of the Sandy Recovery Improvement Act (Division B of P.L. 113-2), execution of a Supplemental Funding Agreement covering specific aspects of the Alternative Procedures Package is required of the Sub-Recipient prior to the payment of such funds by the State as the Recipient.

Payments processed under the Alternative Procedures provisions will be requested as an advance and are exempt from advance requirements covered by Section 216.181(16), Florida Statutes. They will, however, be treated as an advance for purposes of Requests for Reimbursement (RFRs) and satisfaction of the requirement that ninety percent (90%) of previously advanced funds must be accounted for prior to receiving a second advance.

In order to elect to participate in the PAAP program for one of the following options, you must read the Guidance found at <https://www.fema.gov/alternative-procedures> and then complete the required documents on the following pages. The documents can be found under the Permanent Work section of the webpage in editable .pdf format if preferred.

*Note: PAAP Pilot Program Guide for Debris Removal (Version 5) published June 28, 2017 contains the following changes:*

The Public Assistance Alternative Procedures Pilot Program for Debris Removal has been extended for one year to June 27, 2018. As part of the extension, FEMA will only authorize the sliding scale provision in events with significant debris impacts. The other three provisions available under the Pilot remain unchanged.

For disasters declared on or after August 28, 2017, FEMA is limiting the usage of the pilot's sliding scale provision to high impact incidents that meet the following criteria: high concentration of localized damage;

large quantities of debris (over \$20M or 1.5 million cubic yards); and disasters declared very soon after the incident (8 days) to incentivize rapid debris removal.

This guide is applicable to disasters declared on or after June 28, 2017. The changes to the sliding scale provision are applicable to disasters declared on or after August 28, 2017. This version of the pilot guide supersedes the previous pilot guide for debris removal (V4) which was published June 28, 2016.

## Public Assistance Alternative Procedures Pilot Program for Debris Removal Acknowledgement

In accordance with the Sandy Recovery Improvement Act of 2013, the Federal Emergency Management Agency (FEMA) is implementing alternative procedures for the Public Assistance (PA) Program through a pilot program.

As a representative of the subrecipient, we elect to participate in the following:

- Accelerated Debris Removal - increased Federal cost share (sliding scale)
  - Recycling Revenue (subrecipient retention of income from debris recycling without a award offset)
  - One-time incentive for a FEMA-accepted debris management plan and identification of at least one pre-qualified contractor
  - Reimbursement of straight time force account labor costs for debris removal
1. The pilot is voluntary and the subrecipient must apply the selected alternative procedures to all of its debris removal subawards.
  2. For the sliding scale, the subrecipient accepts responsibility for any costs related to debris operations after six months from the date of the incident unless, based on extenuating circumstances, FEMA grants a time extension.
  3. The subrecipient acknowledges that FEMA may request joint quantity evaluations and details regarding subrecipient operations necessary to assess the pilot program procedures.
  4. All contracts must comply with local, state, and Federal requirements for procurement, including provisions of 2 CFR Part 200.
  5. The subrecipient must comply with all Federal, state and local environmental and historic preservation laws, regulations, and ordinances.
  6. The Office of Inspector General may audit any subrecipient and/or subaward.

We accept responsibility for all costs above the fixed estimate.

We understand that by participating in this pilot program we will be reimbursed for allowable costs in accordance with 44 CFR § 13.22(b) – “Applicable cost principles”, the reimbursement will not exceed the fixed estimate. We also understand that by agreeing to this fixed estimate, we will not receive additional funding related to the facilities or sites included in the subgrant. We also acknowledge that failure to comply with the requirements of applicable laws and regulations governing assistance provided by FEMA and the PA alternative procedures pilot program guidance (such as procurement and contracting; environmental and historic preservation compliance; and audit and financial accountability) may lead to loss of Federal funding.

**Public Assistance Alternative Procedures Pilot Program for Permanent Work  
Acknowledgement**

In accordance with the Sandy Recovery Improvement Act of 2013, the Federal Emergency Management Agency (FEMA) is implementing alternative procedures for the Public Assistance (PA) Program through a pilot program. As a representative of the Sub-Recipient, our agency understands the following:

1. We plan to participate in the following elements:

Subgrants based on fixed estimates, and as the Sub-Recipient, accept responsibility for costs above the estimate

Consolidation of multiple fixed subgrants into a single subgrant

FEMA validation of Sub-Recipient-provided estimates

Elimination of reduced eligible funding for alternate projects

Use of excess funds

Review of estimates by an expert panel for projects with a Federal share of \$5 million or greater

2. The pilot is voluntary, and a Sub-Recipient may participate in alternative procedures for one or more large project subgrants.

3. If the Sub-Recipient accepts a fixed subgrant estimate, the Sub-Recipient understands they are responsible for all costs greater than the fixed amount.

4. The Sub-Recipient agrees to notify the Grantee regarding the specific use of excess funds.

5. All contracts must comply with local, State, and Federal requirements for procurement, including provisions of 44 CFR Part 13.

6. The Office of Inspector General may audit any Sub-Recipient and/or subgrant.

7. EHP review must be completed for all subgrants, including cases where new scopes of work would require EHP compliance, before the subgrant scope of work is implemented. Failure to comply with this requirement may lead to loss of Federal funding.

8. The Sub-Recipient may submit appeals in accordance with 44 CFR§206.206. However, FEMA will not consider appeals solely for additional costs on fixed subgrants.

### PUBLIC ASSISTANCE PROGRAM GUIDANCE

#### **GRANTEE'S/RECIPIENT'S WEB-BASED PROJECT MANAGEMENT SYSTEM (FloridaPA.org)**

Sub-Recipient s must use the Grantee's/Recipient's web-based project management system, FloridaPA.org, (available at [www.FloridaPA.org](http://www.FloridaPA.org)) to access and exchange project information with the State throughout the project's life. This includes processing advances, reimbursement requests, quarterly reports, final inspection schedules, change requests, time extensions, and other services as identified in the Agreement. Training on this system will be supplied by the Recipient upon request by the Sub-Recipient. The Sub-Recipient is required to have working knowledge of the FloridaPA.org system.

#### **PROJECT DOCUMENTATION**

The Sub-Recipient must maintain all source documentation supporting the project costs. To facilitate closeout and audits, the Applicant should **file all documentation pertaining to each project with the corresponding PW as the permanent record of the project**. In order to validate Large Project Requests for Reimbursement (RFRs), all supporting documents should be uploaded to the FloridaPA.org website. Contact the grant manager with questions about how and where to upload documents, and for assistance linking common documents that apply to more than one (1) PW.

The Sub-Recipient must retain sufficient records to show its compliance with the terms of this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives under this Agreement and all other applicable laws and regulations, for a period of five (5) years from the date of the Sub-Recipient account closeout by FEMA.

The five (5) year period is extended if any litigation, claim or audit is started before the five (5) year period expires, and extends beyond the five (5) year period. The records must then be retained until all litigation, claims, or audit findings involving the records have been resolved.

Records for the disposition of non-expendable personal property valued at \$5,000<sup>00</sup> or more at the time it is acquired must be retained for five (5) years after final account closeout.

Records relating to the acquisition of real property must be retained for five (5) years after final account closeout.

#### **INTERIM INSPECTIONS**

Interim Inspections may be requested by the Sub-Recipient, on both small and large projects, to:

- i. conduct insurance reconciliations;
- ii. review an alternate scope of work;
- iii. review an improved scope of work; and/or
- iv. validate scope of work and/or cost.

Interim Inspections may be scheduled and submitted by the Recipient as a request in FloridaPA.org under the following conditions:

- i. a quarterly report has not been updated between quarters;
- ii. the Sub-Recipient is not submitting Requests for Reimbursement (RFR's) in a timely manner;

- iii. requests for a Time Extension have been made that exceed the Grantee's/ Recipient's authority to approve; and/or
- iv. there are issues or concerns identified by the Recipient that may impact funding under this agreement.

## **PROJECT RECONCILIATION AND CLOSEOUT**

The purpose of closeout is for the Sub-Recipient to certify that all work has been completed. To ensure a timely closeout process, the Sub-Recipient should notify the Recipient within sixty (60) days of Project completion.

The Sub-Recipient should include the following information with its closeout request:

- Certification that project is complete;
- Date of project completion; and
- Copies of any Recipient time extensions.

### **Large Projects**

With exception of Fixed Cost Estimate Subawards, Alternate Projects and Improved Projects where final costs exceed FEMA's original approval, the final eligible amount for a Large Project is the actual documented cost of the completed, eligible SOW. Therefore, upon completion of each Large Project that FEMA obligated based on an estimated amount; the Sub-Recipient should provide the documentation to support the actual costs. If the actual costs significantly differ from the estimated amount, the Sub-Recipient should provide an explanation for the significant difference.

FEMA reviews the documentation and, if necessary, obligates additional funds or reduces funding based on actual costs to complete the eligible SOW. If the project included approved hazard mitigation measures; FEMA does not re-evaluate the cost-effectiveness of the HMP based on the final actual cost. If during the review, FEMA determines that the Sub-Recipient performed work that was not included in the approved SOW, FEMA will designate the project as an Improved Project, cap the funding at the original estimated amount, and review the additional SOW for EHP compliance.

For Fixed Cost Estimate Subawards, the Applicant must provide documentation to support that it used the funds in accordance with the eligibility criteria described in the PAPPG Chapter 2:VII.G and guidance provided at <http://www.fema.gov/alternative-procedures>.

Once FEMA completes the necessary review and funding adjustments, FEMA closes the project.

### **Small Projects**

Once FEMA obligates a Small Project, FEMA does not adjust the approved amount of an individual Small Project. This applies even when FEMA obligates the PW based on an estimate and actual costs for completing the eligible SOW differ from the estimated amount. FEMA only adjusts the approved amount on individual Small Projects if one of the following conditions applies:

- The Sub-Recipient did not complete the approved SOW;
- The Sub-Recipient requests additional funds related to an eligible change in SOW;
- The PW contains inadvertent errors or omissions; or
- Actual insurance proceeds differ from the amount deducted in the PW.

In these cases, FEMA only adjusts the specific cost items affected.

If none of the above applies, the Sub-Recipient may request additional funding if the total actual cost of all of its Small Projects combined exceeds the total amount obligated for all of its Small Projects. In this case, the Sub-Recipient must request the additional funding through the appeal process, described in the

PAPPG Chapter 3:IV.D, within sixty (60) days of completion of its last Small Project. FEMA refers to this as a net small project overrun appeal. The appeal must include actual cost documentation for all Small Projects that FEMA originally funded based on estimate amounts.

To ensure that all work has been performed within the scope of work specified on the Project Worksheets, the Recipient will conduct final inspections on Large Projects, and may, at its sole discretion, select one or more Small Projects to be inspected. Costs determined to be outside of the approved scope of work and/or outside of the approved performance period cannot be reimbursed.

### **TIME EXTENSIONS**

FEMA only provides PA funding for work completed and costs incurred within regulatory deadlines. The deadline for Emergency Work is 6 months from the declaration date. The deadline for Permanent Work is 18 months from the declaration date.

<b>Deadlines for Completion of Work</b>	
<b>Type of Work</b>	<b>Months</b>
Emergency Work	6
Permanent Work	18

If the Applicant determines it needs additional time to complete the project, including direct administrative tasks related to the project, it must submit a written request for a time extension to the Recipient with the following information:

- Documentation substantiating delays beyond its control;
- A detailed justification for the delay;
- Status of the work; and
- The project timeline with the projected completion date

The State (FDEM) has the authority to grant limited time extensions based on extenuating circumstances or unusual project requirements beyond the control of the Sub-Recipient.

It may extend Emergency Work projects by 6 months and Permanent Work projects by 30 months. FEMA has authority to extend individual project deadlines beyond these timeframes if extenuating circumstances justify additional time. This applies to all projects with the exception of those funded under the PAAP Accelerated Debris Removal procedure and projects for temporary facilities.

With exception of debris removal operations funded under the Accelerated Debris Removal Procedure of the Alternative Procedures Pilot Program, FEMA generally considers the following to be extenuating circumstances beyond the Applicant's control:

- Permitting or EHP compliance related delays due to other agencies involved
- Environmental limitations (such as short construction window)
- Inclement weather (site access prohibited or adverse impact on construction)

FEMA generally considers the following to be circumstances within the control of the Applicant and not justifiable for a time extension:

- Permitting or environmental delays due to Applicant delays in requesting permits
- Lack of funding
- Change in administration or cost accounting system
- Compilation of cost documentation

Although FEMA only provides PA funding for work performed on or before the approved deadline, the Applicant must still complete the approved SOW for funding to be eligible. FEMA deobligates funding for any project that the Applicant does not complete. If the Applicant completes a portion of the approved

SOW and the completed work is distinct from the uncompleted work, FEMA only deobligates funding for the uncompleted work. For example, if one project includes funds for three facilities and the Applicant restores only two of the three facilities, FEMA only deobligates the amount related to the facility that the Applicant did not restore.

Request should be submitted prior to current approved deadline, be specific to one project, and include the following information with supporting documentation:

- Dates and provisions of all previous time extensions
- Construction timeline / project schedule in support of requested time
- Basis for time extension request:
  - Delay in obtaining permits
    - Permitting agencies involved and application dates
  - Environmental delays or limitations (e.g., short construction window, nesting seasons)
    - Dates of correspondence with various agencies
    - Specific details
- Inclement weather (prolonged severe weather conditions prohibited access to the area, or adversely impacted construction)
  - Specific details
- Other reason for delay
  - Specific details

Submission of a request does not automatically grant an extension to the period of performance. Without an approved time extension from the State or FEMA (as applicable), any expenses incurred outside the P.O.P. are ineligible.

## **INSURANCE**

The Sub-Recipient understands and agrees that disaster funding for insurable facilities provided by FEMA is intended to supplement, not replace, financial assistance from insurance coverage and/or other sources. Actual or anticipated insurance proceeds must be deducted from all applicable FEMA Public Assistance grants in order to avoid a duplication of benefits. The Sub-Recipient further understands and agrees that if Public Assistance funding is obligated for work that is subsequently determined to be covered by insurance and/or other sources of funding, FEMA must deobligate the funds per Stafford Act Sections 101 (b)(4) and 312 (c).

As a condition of funding under this Agreement, pursuant to 44 C.F.R. §§ 206.252-253, for damaged facilities, the Sub-Recipient understands it must, and it agrees to, maintain such types of insurance as are reasonable and necessary to protect against future loss for the anticipated life of the restorative work or the insured facility, whichever is lesser. Except that the Recipient acknowledges FEMA does not require insurance to be obtained and maintained for projects where the total eligible damage is less than \$5,000<sup>00</sup>.

In addition to the preceding requirements, the Sub-Recipient understands it is required to obtain and maintain insurance on certain permanent work projects in order to be eligible for Public Assistance funding in future disasters pursuant to § 311 of the Stafford Act. As stated in the Stafford Act, "Such coverage must at a minimum be in the amount of the eligible project costs." Further, the Stafford Act, requires a Sub-Recipient to purchase and maintain insurance, where that insurance is "reasonably available, adequate or necessary to protect against future loss" to an insurable facility as a condition for receiving disaster assistance funding. The Public Assistance Program and Policy Guide further states "If the Applicant does not comply with the requirement to obtain and maintain insurance, FEMA will deny or deobligate PA funds from the current disaster." If the State Insurance Commissioner certifies that the type and extent of insurance is not "reasonably available, adequate or necessary to protect against future loss" to an insurable facility, the Regional Administrator may modify or waive the requirement in conformity with the certification.

The Sub-Recipient understands and agrees it is responsible for being aware of, and complying with, all insurance considerations contained in the Stafford Act and in 44 C.F.R. §§ 206.252-253.

The Sub-Recipient agrees to notify the Recipient in writing within thirty (30) days of the date it becomes aware of any insurance coverage for the damage identified on the applicable Project Worksheets and of any entitlement to compensation or indemnification from such insurance. The Sub-recipient further agrees to provide all pertinent insurance information, including but not limited to copies of all policies, declarations pages, insuring agreements, conditions, and exclusions, Statement of Loss, and Statement of Values for each insured damaged facility.

The Sub-Recipient understands and agrees that it is required to pursue payment under its insurance policies to the best of its ability to maximize potential coverage available.

### **DUPLICATION OF BENEFITS**

The Sub-Recipient understands it may not receive funding under this Agreement to pay for damage covered by insurance, nor may the Sub-Recipient receive any other duplicate benefits from any source whatsoever.

The Sub-Recipient agrees to reimburse the Recipient if it receives any duplicate benefits, from any source, for any damage identified on the applicable Project Worksheets, for which the Sub-Recipient has received payment from the Recipient.

The Sub-Recipient agrees to notify the Recipient in writing within thirty (30) days of the date it becomes aware of the possible availability of, applies for, or receives funds, regardless of the source, which could reasonably be considered as duplicate benefits.

In the event the Recipient determines the Sub-Recipient has received duplicate benefits, the Sub-Recipient gives the Grantee/ Recipient and/or the Chief Financial Officer of the State of Florida, the express authority to offset the amount of any such duplicate benefits by withholding them from any other funds otherwise due and payable to the Sub-Recipient, and to use such remedies as may be available administratively, at law, or at equity, to recover such benefits.

### **COMPLIANCE WITH PLANNING/PERMITTING REGULATIONS AND LAWS**

The Sub-Recipient is responsible for the implementation and completion of the approved projects described in the Project Worksheets in a manner acceptable to Recipient, and in accordance with applicable Local, State, and Federal legal requirements.

If applicable, the contract documents for any project undertaken by the Sub-grantee/Sub-Recipient, and any land use permitted by or engaged in by the Sub-grantee/Sub-Recipient, must be consistent with the local government comprehensive plan.

The Sub-Recipient must ensure that any development or development order complies with all applicable planning, permitting, and building requirements including, but not limited to, the National Environmental Policy Act and the National Historic Preservation Act.

The Sub-Recipient must engage such competent, properly licensed, engineering, environmental, archeological, building, and other technical and professional assistance at all project sites as may be needed to ensure that the project complies with the contract documents.

### **FUNDING FOR LARGE PROJECTS**

Although Large project payment must be based on documented actual costs, most Large Projects are initially approved based on estimated costs. Funds are made available to the Sub-Recipient when work is in progress and funds have been expended with documentation of costs available. When all work associated with the project is complete, the State will perform a reconciliation of actual costs and will transmit the information to FEMA for its consideration for final funding adjustments (See Closeouts).

The submission from the Sub-Recipient requesting this reimbursement must include:

- a) a Request for Reimbursement (available in FloridaPA.org);
- b) a Summary of Documentation (SOD) which is titled Reimbursement Detail Report in FloridaPA.org and is automatically created when the Request for Reimbursement is submitted (and is supported by copies of original documents such as, but not limited to, contract documents, insurance policies, payroll records, daily work logs, invoices, purchase orders, and change orders); and
- c) the FDEM Cost Claim Summary Workbook (found in the Forms section of FloridaPA.org), along with copies of original documents such as contract documents, invoices, change orders, canceled checks (or other proof of expenditure), purchase orders, etc.

## **ADVANCES**

Payments under the Public Assistance Alternative Procedures Program (PAAP) are paid as an Advance Payment. Notwithstanding Paragraph 9) Funding, in the Agreement, these payments are not bound by Section 216.181(16), Florida Statutes.

1. For a Federally funded contract, any advance payment is also subject to 2 C.F.R., Federal OMB Circulars A-87, A-110, A-122, and the Cash Management Improvement Act of 1990.
2. All advances must be held in an interest-bearing account with the interest being remitted to the Recipient as often as practicable, but not later than ten (10) business days after the close of each calendar quarter.
3. In order to prepare a Request for Advance (RFA) the Sub-Recipient must certify to the Recipient that it has procedures in place to ensure that funds are disbursed to project vendors, contractors, and subcontractors without unnecessary delay. The Sub-Recipient must prepare and submit a budget that contains a timeline projecting future payment schedules through project completion.
4. A separate RFA must be completed for each Project Worksheet to be included in the Advance Funding Payment.
5. The Sub-Recipient must complete a Request for Reimbursement (RFR) via FloridaPA.org no more than ninety (90) days after receiving its Advance Payment for a specific project. The RFR must account for all expenditures incurred while performing eligible work documented in the applicable Project Worksheet for which the Advance was received.
6. If a reimbursement has been paid prior to the submittal of a request for an advance payment, an Advance cannot be accepted for processing.
7. The Recipient may advance funds to the Sub-Recipient, not exceeding the Federal share, only if the Sub-Recipient meets the following conditions:
  - a) the Sub-Recipient must certify to the Recipient that Sub-Recipient has procedures in place to ensure that funds are disbursed to project vendors, contractors, and subcontractors without unnecessary delay;
  - b) the Sub-Recipient must submit to the Recipient the budget supporting the request.
8. The Sub-Recipient must submit a statement justifying the advance and the proposed use of the funds, which also specifies the amount of funds requested and certifies that the advanced funds will be expended no more than ninety (90) days after receipt of the Advance;
9. The Recipient may, in its sole discretion, withhold a portion of the Federal and/or nonfederal share of funding under this Agreement from the Sub-Recipient if the Recipient reasonably expects that the Sub-

Recipient cannot meet the projected budgeted timeline or that there may be a subsequent determination by FEMA that a previous disbursement of funds under this or any other Agreement with the Sub-Recipient was improper.

### **DESIGNATION OF AGENT**

The Sub-Recipient must complete Attachment D by designating at least three agents to execute any Requests for Advance or Reimbursement, certifications, or other necessary documentation on behalf of the Sub-Recipient.

After execution of this Agreement, the authorized, primary, and secondary Agent may request changes to contacts via email to the State assigned team.

In the event the Sub-Recipient contacts have not been updated regularly and all three (3) Agents have separated from the Sub-Recipient's agency, a designation of authority form will be needed to change contacts.

***NOTE: This is very important because if contacts are not updated, notifications made from FloridaPA.org may not be received and could result in failure to meet time periods to appeal a Federal determination.***

### **DUNS Q&A**

#### **What is a DUNS number?**

The Data Universal Numbering System (DUNS) number is a unique nine-digit identification number provided by Dun & Bradstreet (D&B). The DUNS number is site specific. Therefore, each distinct physical location of an entity such as branches, divisions and headquarters, may be assigned a DUNS number.

#### **Who needs a DUNS number?**

Any ***institution*** that wants to submit a grant application to the Federal government. Individual researchers do not need a DUNS number if they are submitting their application through a research organization.

#### **How do I get a DUNS number?**

Dun & Bradstreet have designated a special phone number for Federal grant and cooperative agreement applicants/prospective applicants. Call the number below between 8 a.m. and 5 p.m., local time in the 48 contiguous states and speak to a D&B representative. This process will take approximately 5 – 10 minutes and you will receive your DUNS number at the conclusion of the call.

1-866-705-5711

#### **What do I need before I request a DUNS number?**

Before you call D&B, you will need the following pieces of information:

- Legal Name
- Headquarters name and address for your organization
- Doing business as (dba) or other name by which your organization is commonly recognized
- Physical address
- Mailing address (if separate from headquarters and/or physical address)
- Telephone number
- Contact name and title
- Number of employees at your physical location

#### **How much does a DUNS number cost?**

There is no charge to obtain a DUNS number.

#### **Why does my institution need a DUNS number?**

New regulations taking affect Oct. 1, 2003 mandate that a DUNS number be provided on all Federal grant and cooperative agreement applications. The DUNS number will offer a way for the Federal government to better match information across all agencies.

**How do I see if my institution already has a DUNS number?**

Call the toll free number above and indicate that you are a Federal grant and/or cooperative agreement applicant. D&B will tell you if your organization already has a number assigned. If not, they will ask if you wish to obtain one.

**Should we use the +4 extension to the DUNS number?**

Although D&B provides the ability to use a 4-digit extension to the DUNS number, neither D&B nor the Federal government assign any importance to the extension. Benefits, if any, derived from the extension will be at your institution only.

**Is there anything special that we should do for multi-campus systems?**

Multi-campus systems can use what is called a parent DUNS number to aggregate information for the system as a whole. The main campus will need to be assigned a DUNS number. Then each satellite campus will need to reference the main campus DUNS number as their parent DUNS when obtaining their own DUNS number. For NIH grantees, if each campus submits grant applications as a unique grantee organization, then each campus needs to obtain their own DUNS number.

**Does the DUNS number need to be included on individual fellowship applications?**

Yes with one exception. It is the DUNS number of the sponsoring institution that should be put on the application. Individual Kirschstein-NRSA fellowships that propose training at Federal laboratories do not require a DUNS number.

What does the DUNS number have to do with the Central Contractor Registry (CCR), soon to be the Business Partner Network (BPN)?

Registration in the CCR is mandatory for anyone wishing to submit a grant application electronically through Grants.gov. Your organization will need a DUNS number in order to register in the CCR. The CCR is the central registry for organizations that have received Federal contracts. If your organization has received Federal contracts, it is already registered in the CCR, but this is a good opportunity to verify that your organization information is up to date. For more information about the CCR, please visit the CCR web site at: [www.ccr.gov](http://www.ccr.gov).

**What should we do if our institution has more than 1 DUNS number?**

Your institution will need to decide which DUNS number to use for grant application purposes and use only that number.

**Does this apply to non-US organizations?**

Yes, this new requirement applies to all types of grantee organizations including foreign, non-profit, for profit as well as for state and Federal government agencies.

**Does this apply to non-competing progress reports?**

No. This new requirement applies only to competing applications.

**Are there any exceptions to the new DUNS number rules?**

Individuals who would personally receive a grant or cooperative agreement award from the Federal government apart from any business or non-profit organization they may operate are exempt from this requirement. Also individual Kirschstein-NRSA fellowships that propose training at Federal laboratories do not require a DUNS number.

**Who at my institution is responsible for requesting a DUNS number?**

This will vary from institution to institution. This should be done by someone knowledgeable about the entire structure of your institution and who has the authority to make such decisions. Typically this request would come from the finance/accounting department or some other department that conducts business with a large cross section of the institution.

We are an organization new to Federal grant funding so we obviously need a DUNS number. But we don't want to be included in any marketing list. What can we do?

Inclusion on a D&B marketing list is optional. If you do not want your name/organization included on this marketing list, request to be de-listed from D&B's marketing file when you are speaking with a D&B representative during your DUNS number telephone application.

**Who do we contact if we have questions?**

If you have questions about applying for a DUNS number, contact the Dun & Bradstreet special phone number 1-866-705-5771. If you have questions concerning this new Federal-wide requirement, contact Sandra Swab, Office of Federal Financial Management, 202-395-3993 or via e-mail at [sswab@omb.eop.gov](mailto:sswab@omb.eop.gov).

**Substitute Form W-9**

For the purpose of this Agreement, a Sub-Recipient is also a Vendor. The State of Florida requires vendors doing business with the State to submit a Substitute Form W-9. The purpose of a Form W-9 is to provide a Federal Taxpayer Identification Number (TIN), official entity name, a business designation (sole proprietorship, corporation, partnership, etc.), and other taxpayer information to the State. Submission of a Form W-9 ensures that the State's vendor records and Form 1099 reporting are accurate. Due to specific State of Florida requirements, the State will not accept the Internal Revenue Service Form W-9.

Effective March 5, 2012, State of Florida agencies will not be permitted to place orders for goods and services **or make payments to any vendor that does not have a verified Substitute W-9 on file** with the Department of Financial Services. Vendors are required to register and submit a Form W-9 on the State's Vendor Website at <https://flvendor.myfloridacfo.com>.

**FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA)  
INSTRUCTIONS AND WORKSHEET**

**PURPOSE:** The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on Federal awards (Federal assistance and expenditures) be made available to the public via a single, searchable website, which is <http://www.usaspending.gov/>.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management (“FDEM” or “Division”) must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate \$30,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a) (2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This “Instructions and Worksheet” is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

**ORGANIZATION AND PROJECT INFORMATION**

**The following information must be provided to the FDEM prior to the FDEM’s issuance of a sub-award (Agreement) that obligates \$30,000 or more in Federal funds as described above. Please provide the following information and return the signed form to the Division as requested.**

**Mandatory Contract Provisions**

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 CFR Part 200. It is the responsibility of the sub-recipient to include the required provisions. The Division provides the following list of sample provisions that may be required:

agency's Federal awards may include. Providing this information lets a potential applicant identify any requirements with which it would have difficulty complying if its application is successful. In those cases, early notification about the requirements allows the potential applicant to decide not to apply or to take needed actions before receiving the Federal award. The announcement need not include all of the terms and conditions of the Federal award, but may refer to a document (with information about how to obtain it) or Internet site where applicants can see the terms and conditions. If this funding opportunity will lead to Federal awards with some special terms and conditions that differ from the Federal awarding agency's usual (sometimes called "general") terms and conditions, this section should highlight those special terms and conditions. Doing so will alert applicants that have received Federal awards from the Federal awarding agency previously and might not otherwise expect different terms and conditions. For the same reason, the announcement should inform potential applicants about special requirements that could apply to particular Federal awards after the review of applications and other information, based on the particular circumstances of the effort to be supported (e.g., if human subjects were to be involved or if some situations may justify special terms on intellectual property, data sharing or security requirements).

3. *Reporting—Required.* This section must include general information about the type (e.g., financial or performance), frequency, and means of submission (paper or electronic) of post-Federal award reporting requirements. Highlight any special reporting requirements for Federal awards under this funding opportunity that differ (e.g., by report type, frequency, form/format, or circumstances for use) from what the Federal awarding agency's Federal awards usually require. Federal awarding agencies must also describe in this section all relevant requirements such as those at 2 CFR 180.335 and 2 CFR 180.350.

If the Federal share of any Federal award may include more than \$500,000 over the period of performance, this section must inform potential applicants about the post award reporting requirements reflected in Appendix XII—Award Term and Condition for Recipient Integrity and Performance Matters.

#### G. FEDERAL AWARDING AGENCY CONTACT(S)—REQUIRED

The announcement must give potential applicants a point(s) of contact for answering questions or helping with problems while the funding opportunity is open. The intent of this requirement is to be as helpful as possible to potential applicants, so the Federal

awarding agency should consider approaches such as giving:

- i. Points of contact who may be reached in multiple ways (e.g., by telephone, FAX, and/or email, as well as regular mail).
- ii. A fax or email address that multiple people access, so that someone will respond even if others are unexpectedly absent during critical periods.
- iii. Different contacts for distinct kinds of help (e.g., one for questions of programmatic content and a second for administrative questions).

#### H. OTHER INFORMATION—OPTIONAL

This section may include any additional information that will assist a potential applicant. For example, the section might:

- i. Indicate whether this is a new program or a one-time initiative.
- ii. Mention related programs or other upcoming or ongoing Federal awarding agency funding opportunities for similar activities.
- iii. Include current Internet addresses for Federal awarding agency Web sites that may be useful to an applicant in understanding the program.
- iv. Alert applicants to the need to identify proprietary information and inform them about the way the Federal awarding agency will handle it.
- v. Include certain routine notices to applicants (e.g., that the Federal Government is not obligated to make any Federal award as a result of the announcement or that only grants officers can bind the Federal Government to the expenditure of funds).

[78 FR 78608, Dec. 26, 2013, as amended at 80 FR 43310, July 22, 2015]

#### APPENDIX II TO PART 200—CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR

Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid

for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See §200.322 Procurement of recovered materials.

APPENDIX III TO PART 200—INDIRECT (F&A) COSTS IDENTIFICATION AND ASSIGNMENT, AND RATE DETERMINATION FOR INSTITUTIONS OF HIGHER EDUCATION (IHEs)

A. GENERAL

This appendix provides criteria for identifying and computing indirect (or indirect (F&A)) rates at IHEs (institutions). Indirect (F&A) costs are those that are incurred for common or joint objectives and therefore cannot be identified readily and specifically with a particular sponsored project, an instructional activity, or any other institutional activity. See subsection B.1, Definition of Facilities and Administration, for a discussion of the components of indirect (F&A) costs.

1. Major Functions of an Institution

Refers to instruction, organized research, other sponsored activities and other institutional activities as defined in this section:

a. *Instruction* means the teaching and training activities of an institution. Except for research training as provided in subsection b, this term includes all teaching and training activities, whether they are offered for credits toward a degree or certificate or on a non-credit basis, and whether they are offered through regular academic departments or separate divisions, such as a summer school division or an extension division. Also considered part of this major function are departmental research, and, where agreed to, university research.

(1) *Sponsored instruction and training* means specific instructional or training activity established by grant, contract, or cooperative agreement. For purposes of the cost principles, this activity may be considered a major function even though an institution's

accounting treatment may include it in the instruction function.

(2) *Departmental research* means research, development and scholarly activities that are not organized research and, consequently, are not separately budgeted and accounted for. Departmental research, for purposes of this document, is not considered as a major function, but as a part of the instruction function of the institution.

(3) Only mandatory cost sharing or cost sharing specifically committed in the project budget must be included in the organized research base for computing the indirect (F&A) cost rate or reflected in any allocation of indirect costs. Salary costs above statutory limits are not considered cost sharing.

b. *Organized research* means all research and development activities of an institution that are separately budgeted and accounted for. It includes:

(1) *Sponsored research* means all research and development activities that are sponsored by Federal and non-Federal agencies and organizations. This term includes activities involving the training of individuals in research techniques (commonly called research training) where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(2) *University research* means all research and development activities that are separately budgeted and accounted for by the institution under an internal application of institutional funds. University research, for purposes of this document, must be combined with sponsored research under the function of organized research.

c. *Other sponsored activities* means programs and projects financed by Federal and non-Federal agencies and organizations which involve the performance of work other than instruction and organized research. Examples of such programs and projects are health service projects and community service programs. However, when any of these activities are undertaken by the institution without outside support, they may be classified as other institutional activities.

d. *Other institutional activities* means all activities of an institution except for instruction, departmental research, organized research, and other sponsored activities, as defined in this section; indirect (F&A) cost activities identified in this Appendix paragraph B, Identification and assignment of indirect (F&A) costs; and specialized services facilities described in §200.468 Specialized service facilities of this Part.

Examples of other institutional activities include operation of residence halls, dining halls, hospitals and clinics, student unions, intercollegiate athletics, bookstores, faculty housing, student apartments, guest houses, chapels, theaters, public museums, and other

**DHS OIG AUDIT ISSUES and ACKNOWLEDGEMENT**

**The Department of Homeland Security (DHS) Office of Inspector General (OIG) was tasked by Congress to audit all FEMA projects for fiscal year 2014. A synopsis of those findings are listed below:**

There have been 32 separate instances where Grantees/Recipients or Sub-Recipients did not follow the prescribed rules to the point that the OIG believed the below listed violations could have nullified the FEMA/State agreement.

1. Non Competitive contracting practices.
2. Failure to include required contract provisions.
3. Failure to employ the required procedures to ensure that small, minority, and women's owned firms were all given fair consideration.
4. Improper "cost-plus-a-percentage-of-cost" contracting practices.

**The following information comes directly from DHS's OIG Audit Tips for Managing Disaster Related Project Costs; Report Number OIG-16-109-D dated July 1, 2016. The following may be reasons for the disallowance or total de-obligation of funding given under the FEMA/State agreement:**

1. Use of improper contracting practices.
2. Unsupported costs.
3. Poor project accounting.
4. Duplication of benefits.
5. Excessive equipment charges (applicability may vary with hazard mitigation projects).
6. Excessive labor and fringe benefit charges.
7. Unrelated project costs.
8. Direct Administrative Costs.
9. Failure to meet the requirement to obtain and maintain insurance.

**Key Points that *must* be followed when Administering FEMA Grants:**

- Designate one person to coordinate the accumulation of records.
- Establish a separate and distinct account for recording revenue and expenditures, and a separate identifier for each specific FEMA project.
- Ensure that the final claim for each project is supported by amounts recorded in the accounting system.
- Ensure that each expenditure is recorded in the accounting books and references supporting sources of documentation (checks, invoices, etc.) that can be readily retrieved.

- Research insurance coverage and seek reimbursement for the maximum amount. Credit the appropriate FEMA project with that amount.
- Check with your Federal Grant Program Coordinator about availability of funding under other Federal programs (Federal Highways, Housing and Urban Development, etc.) and ensure that the final project claim does not include costs that another Federal agency funded or could have funded.
- Ensure that materials taken from existing inventories for use on FEMA projects are documented by inventory withdrawal and usage records.
- Ensure that expenditures claimed under the FEMA project are reasonable, necessary, directly benefit the project, and are authorized under the "Scope of Work."

I acknowledge that I have received a copy of, and have been briefed on, the above DHS OIG Audit Issues.
