RE: Lighting at Depot Avenue Information Kiosk

Dear Mayor Bussing and City Commissioners:

As Chair of the East Gainesville Sprout Project Task Force, I am writing on behalf of the membership to respectfully request that the City install lighting at the Depot Avenue Kiosk. On January 29, 2002, the Task Force recommended that the City install this lighting as a permanent feature of the structure. City staff has advised the Task Force that the best option is to install an electrical service for the kiosk as part of the rehabilitation of the old depot building. This service would then provide power to a light installed within the kiosk itself.

Your assistance in securing funding for the kiosk lighting project would contribute to a significant enhancement in the area and will be greatly appreciated by kiosk users.

Thank you for your consideration.

Sincerely,

Commissioner Robert Hutchinson  
Board of County Commissioners  
Chair, East Gainesville Sprout Project Task Force
