Hello Carla:

I am sorry that the opportunity never came up; we just have not had any scheduled meetings. Good luck with your new position; Gainesville will miss you.

Thanks for offering your time to serve on the DRB.

Via this email, I am informing the Clerk of the Commission.

I have actually been meaning to email you, so I'm glad you reminded me...

I'm actually relocating to Tampa for a position managing new construction at Tampa General at the end of the month.

I'm disappointed that timing hasn't worked out for more of my involvement with the group...

I appreciate the opportunity.

Thanks,
Carla

Good Morning Carla:

Will you be able to attend the orientation and training session in fulfillment of your position on the Development Review Board? In preparation for an upcoming DRB meeting I think it would be helpful to have that training soon.

Please confirm attendance by accepting the appointment.

I will provide you with relevant information to facilitate your duties at the meetings.

If you have any questions, please do not hesitate to contact me at 352-393-8680.
