8. SURVEY AND DUE DILIGENCE:

A. EXISTING DOCUMENTS: Within 15 business days after the Effective Date of this Contract, Seller shall provide Buyer with a copy of all surveys, title reports or title insurance policies, environmental and engineering reports and any other reports that pertain to the Property that are in the Seller's possession.

B. SURVEY: The Buyer shall have 60 days from the Effective Date of this Contract to have the property surveyed at its expense. If the survey shows any encroachments upon or shortages in the land herein described or that the improvements located on the land herein described encroach on the land of others, a copy of such survey shall be furnished to the Seller and the Seller shall have the time to cure such defect as the Contract allows to cure defects of title. Failure to so cure shall be regarded as a default by the Seller.

C. DUE DILIGENCE:

(1) Commencing on the Effective Date, Buyer and its engineers, architects, and other agents shall have a period of **One hundred - eighty (180)** days (the "Due Diligence Period") within which to undertake such physical inspections and other investigations of, and inquiries concerning, the Property as may be necessary in order for Buyer to evaluate the physical characteristics of the Property, including environmental conditions, as well as such other matters as may be deemed by Buyer to be reasonably necessary to generally evaluate the Property and determine the feasibility and advisability of Buyer's purchase of the Property for the Buyer's Intended Use. In the event Buyer determines in its sole discretion, that the Property is not suitable for Buyer's Intended Use, Buyer may by written notice provided to Seller on or prior to expiration of the Due Diligence Period, terminate this Agreement, upon which the Deposit shall be promptly returned to Buyer and except as otherwise provided herein, neither party shall have any further liability or obligation hereunder.

Buyer, as a condition to its exercise of such right of entry, agrees to indemnify the Seller for claims brought against the Seller only to the extent that they are found to result from the sole negligence of the Buyer, its governing body, or its employees. This indemnification shall not be construed to be an indemnification for the acts, or omissions of third parties, independent contractors or third party agents of the Buyer. This indemnification shall not be construed as a waiver of the Buyer's sovereign immunity, and shall be interpreted as limited to only such traditional liabilities for which the Buyer could be liable under the common law interpreting the limited waiver of sovereign immunity. An action may not be instituted on a claim against the Buyer unless the claimant presents the claim in writing to the Risk Manager within three years after such claim accrues or the Risk Manager denies the claim in writing. For purposes of this paragraph, the requirements of notice to the Risk Manager and denial of the claim are conditions precedent to maintaining an action but shall not be deemed to be elements of the cause of action and shall not affect the date on which the cause of action accrues. Notwithstanding any other provisions of this paragraph, the value of this indemnification is limited to the maximum sum of \$200,000 as the result of all claims and judgments arising out of the same incident or occurrence, not to exceed the sum of \$100,000 for any claim or judgment or portions thereof. In addition, this indemnification shall be construed to limit recovery by the indemnified party against the Buyer to only those damages caused by the Buyer's sole negligence, and shall specifically exclude any attorney's fees or costs associated therewith.

(3) Buyer shall utilize its own consultants, engineers and all other related professionals to make its own investigation and determination as to the accuracy or acceptability of any and all matters regarding the Property and the documents.

The parties recognize that the Buyer is also the government entity that is vested with authority to grant or deny many of the above Final Approvals. STANDARDS FOR REAL ESTATE TRANSACTIONS

A. TITLE INSURANCE: The Title Commitment shall be issued by a Florida licensed title insurer agreeing to issue Buyer, upon recording of the deed to Buyer, an owner's policy of title insurance in the amount of the purchase price, insuring Buyer's marketable title to the Real Property, subject only to matters contained in Paragraph 7. and those to be discharged by Seller at or before Closing. Marketable title shall be determined according to applicable Title Standards adopted by authority of The Florida Bar and in accordance with law. Buyer shall have 5 days from date of receiving the Title Commitment to examine it, and if title is found defective, notify Seller in writing specifying the defect(s) which render title unmarketable. Seller shall have 30 days from receipt of notice to remove the defects, failing which Buyer shall, within 5 days after expiration of the 30 day period, deliver written notice to Seller either: (1) extending the time for a reasonable period not to exceed 120 days within which Seller shall use diligent effort to remove the defects; or (2) requesting a refund of deposit(s) paid which shall be returned to Buyer. If Buyer fails to so notify Seller, Buyer shall be deemed to have accepted the title as it then is. Seller shall, if title is found unmarketable, use diligent effort to correct defect(s) within the time provided. If Seller is unable to timely correct the defects, Buyer shall either waive the defects, or receive a refund of deposit(s), thereby releasing Buyer and Seller from all further obligations under this Contract. If Seller is to provide the Title Commitment and it is delivered to Buyer less than 5 days prior to Closing, Buyer may extend Closing so that Buyer shall have up to 5 days from date of receipt to examine same in accordance with this Standard.

B. SURVEY: Buyer, at Buyer's expense, within time allowed to deliver evidence of title and to examine same, may have the Real Property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachment on the Real Property or that improvements located thereon encroach on setback lines, easements, lands of others or violate any restrictions, Contract covenants or applicable governmental regulation, the same shall constitute a title defect.

C. WOOD DESTROYING ORGANISMS: Buyer, at Buyer's expense, may have the Property inspected by a Florida Certified Pest Control Operator ("Operator") at least 10 days prior to Closing to determine if there is any visible active Wood Destroying Organism infestation or visible damage from Wood Destroying Organism infestation, excluding fences. If either or both are found, Buyer may, within 5 days from date of written notice thereof, have cost of treatment of active infestation estimated by the Operator and all damage inspected and estimated by an appropriately licensed contractor. Seller shall pay costs of treatment and repair of all damage up to the amount provided in Paragraph 15(a). If estimated costs exceed that amount, Buyer shall have the option of canceling this Contract within 5 days after receipt of contractor's repair estimate by giving written notice to Seller, or Buyer may elect to proceed with the transaction and receive a credit at Closing on the amount provided in Paragraph 15(a). "Wood Destroying Organisms" shall be deemed to include all wood destroying organisms required to be reported under the Florida Pest Control Act, as amended.

D. INGRESS AND EGRESS: Seller warrants and represents that there is or will be ingress and egress to the Real Property sufficient for its intended use as described in Paragraph 7 hereof, and title to the Real Property is insurable in accordance with Standard A without exception for lack of legal right of access.

E. LEASES: Seller shall, at least 90 days before Closing, furnish to Buyer copies of all written leases and estoppel letters from each tenant specifying the nature and duration of the tenant's occupancy, rental rates, advanced rent and security deposits paid by tenant. If Seller is unable to obtain such letter from each tenant, the same information shall be furnished by Seller to Buyer within that time period in the form of a Seller's affidavit, and Buyer may thereafter contact tenant to confirm such information. If the terms of the leases

differ materially from Seller's representations, Buyer may terminate this Contract by delivering written notice to Seller at least 5 days prior to Closing. Seller shall, at Closing, deliver and assign all original leases to Buyer.

F. LIENS: Seller shall furnish to Buyer at time of Closing an affidavit attesting to the absence, unless otherwise provided for herein, of any financing statement, claims of lien or potential lienors known to Seller and further attesting that there have been no improvements or repairs to the Real Property for 90 days immediately preceding date of Closing. If the Real Property has been improved or repaired within that time, Seller shall deliver releases or waivers of construction liens executed by all general contractors, subcontractors, suppliers and materialmen in addition to Seller's lien affidavit setting forth the names of all such general contractors, subcontractors, suppliers and materialmen, further affirming that all charges for improvements or repairs which could serve as a basis for a construction lien or a claim for damages have been paid or will be paid at Closing of this Contract.

G. PLACE OF CLOSING: Closing shall be held in the county wherein the Real Property is located at the office of the attorney or other closing agent ("Closing Agent") designated by the party paying for the title insurance, or, if no title insurance, designated by Seller.

H. TIME: In computing time periods of less than six (6) days, Saturdays, Sundays and state or national legal holidays shall be excluded. Any time periods provided herein which shall end on a Saturday, Sunday or a legal holiday shall extend to 5:00 p.m. of the next business day. **Time is of the essence in this Contract.**

I. CLOSING DOCUMENTS: Buyer shall furnish the deed, bill of sale, certificate of title, construction lien affidavit, owner's possession affidavit, assignments of leases, tenant and mortgagee estoppel letters and corrective instruments.

J. EXPENSES: Buyer will pay taxes and recording fees on notes, mortgages and financing statements, and recording fees and documentary stamps for the deed. Seller will pay taxes on the deed and recording fees for documents needed to cure title defects. Unless otherwise provided by law or rider to this Contract, charges for the following related title services, namely title evidence, title examination, and closing fee (including preparation of closing statement), shall be paid by the party responsible for furnishing the title evidence in accordance with Paragraph 5.

K. PRORATIONS; CREDITS: Taxes, assessments, rent, interest, insurance and other expenses of the Property shall be prorated through the day before Closing. Buyer shall have the option of taking over existing policies of insurance, if assumable, in which event premiums shall be prorated. Cash at Closing shall be increased or decreased as may be required by prorations to be made through day prior to Closing, or occupancy, if occupancy occurs before Closing. Advance rent and security deposits will be credited to Buyer. Escrow deposits held by mortgagee will be credited to Seller. Taxes shall be prorated based on the current year's tax with due allowance made for maximum allowable discount, homestead and other exemptions. If Closing occurs at a date when the current year's millage is not fixed and current year's assessment is available, taxes will be prorated based upon such assessment and prior year's millage. If current year's assessment is not available, then taxes will be prorated on the prior year's tax. If there are completed improvements on the Real Property by January 1st of year of Closing, which improvements were not in existence on January 1st of prior year, then taxes shall be prorated based upon prior year's millage and at an equitable assessment to be agreed upon between the parties; failing which, request shall be made to the County Property Appraiser for an informal assessment taking into account available exemptions. A tax proration based on an estimate shall, at request of either party, be readjusted upon receipt of tax bill on condition that a statement to that effect is signed at Closing.

L. SPECIAL ASSESSMENT LIENS: Certified, confirmed and ratified special assessment liens imposed by public bodies as of Closing are to be paid by Seller. Pending liens as of Closing shall be assumed by Buyer. If the improvement has been substantially completed as of Effective Date, any pending lien shall be considered certified, confirmed or ratified and Seller shall, at Closing, be charged an amount equal to the last estimate or assessment for the improvement by the public body.

M. INSPECTION, REPAIR AND MAINTENANCE: Seller warrants that the ceiling, roof (including the fascia and soffits) and exterior and interior walls, foundation, seawalls (or equivalent) and dockage of the Property do not have any visible evidence of leaks, water damage or structural damage and that the septic tank, pool, all appliances, mechanical items, heating, cooling, electrical, plumbing systems and machinery are in Working Condition. The foregoing warranty shall be limited to the items specified unless otherwise provided in an addendum. Buyer may inspect, or, at Buyer's expense, have a firm or individual specializing in home inspections and holding an occupational license for such purpose (if required) or an appropriately licensed Florida contractor make inspections of those items within 20 days after the Effective Date. Buyer shall, prior to Buyer's occupancy but not more than 20 days after Effective Date, report in writing to Seller such items that do not meet the above standards as to defects. Unless Buyer timely reports such defects, Buyer shall be deemed to have waived Seller's warranties as to defects not reported. If repairs or replacements are required to comply with this Standard, Seller shall cause them to be made and shall pay up to the amount provided in Paragraph 15(b). Seller is not required to make repairs or replacements of a Cosmetic Condition unless caused by defect Seller is responsible to repair or replace. If the cost for such repair or replacement exceeds the amount provided in Paragraph 15(b), Buyer or Seller may elect to pay such excess, failing which either party may cancel this Contract. If Seller is unable to correct the defects prior to Closing, the cost thereof shall be paid into escrow at Closing. Seller shall, upon reasonable notice, provide utilities service and access to the Property for inspections, including a walk-through prior to Closing, to confirm that all items of Personal Property are on the Real Property and, subject to the foregoing, that all required repairs and replacements have been made and that the Property, including, but not limited to, lawn, shrubbery and pool, if any, has been maintained in the condition existing as of Effective Date, ordinary wear and tear excepted. For purposes of this Contract: (1) "Working Condition" means operating in the manner in which the item was designed to operate; (2) "Cosmetic Conditions" means aesthetic imperfections that do not affect the Working Condition of the item, including, but not limited to: pitted marcite or other pool finishes; missing or torn screens; fogged windows; tears, worn spots, or discoloration of floor coverings, wallpaper, or window treatments; nail holes, scratches, dents, scrapes, chips or caulking in ceilings, walls, flooring, fixtures, or mirrors; and minor cracks in floors, tiles, windows, driveways, sidewalks, or pool decks; and (3) cracked roof tiles, curling or worn shingles, or limited roof life shall not be considered defects Seller must repair or replace, so long as there is no evidence of actual leaks or leakage or structural damage, but missing tiles will be Seller's responsibility to replace or repair.

N. RISK OF LOSS: If the Property is damaged by fire or other casualty before Closing and cost of restoration does not exceed 3% of the assessed valuation of the Property so damaged, cost of restoration shall be an obligation of the Seller and Closing shall proceed pursuant to the terms of this Contract with restoration costs escrowed at Closing. If the cost of restoration exceeds 3% of the assessed valuation of the Property so damaged, Buyer shall either take the Property as is, together with either the 3% or any insurance proceeds payable by virtue of such loss or damage, or receive a refund of deposit(s), thereby releasing Buyer and Seller from all further obligations under this Contract.

O. CLOSING PROCEDURE: The deed shall be recorded upon clearance of funds. If the title agent insures adverse matters pursuant to Section 627.7841, F.S., as amended, the escrow and closing procedure

required by this Standard shall be waived. Unless waived as set forth above the following closing procedures shall apply: (1) all closing proceeds shall be held in escrow by the Closing Agent for a period of not more than 5 days after Closing; (2) if Seller's title is rendered unmarketable, through no fault of Buyer, Buyer shall, within the 5-day period, notify Seller in writing of the defect and Seller shall have 30 days from date of receipt of such notification to cure the defect; (3) if Seller fails to timely cure the defect, all deposits and closing funds shall, upon written demand by Buyer and within 5 days after demand, be returned to Buyer and, simultaneously with such repayment, Buyer shall return the Personal Property, vacate the Real Property and reconvey the Property to Seller by special warranty deed and bill of sale; and (4) if Buyer fails to make timely demand for refund, Buyer shall take title as is, waiving all rights against Seller as to any intervening defect except as may be available to Buyer by virtue of warranties contained in the deed or bill of sale.

P. ESCROW: Any Closing Agent or escrow agent ("Agent") receiving funds or equivalent is authorized and agrees by acceptance of them to deposit them promptly, hold same in escrow and, subject to clearance, disburse them in accordance with terms and conditions of this Contract. Failure of funds to clear shall not excuse Buyer's performance. If in doubt as to Agent's duties or liabilities under the provisions of this Contract, Agent may, at Agent's option, continue to hold the subject matter of the escrow until the parties hereto agree to its disbursement or until a judgment of a court of competent jurisdiction shall determine the rights of the parties, or Agent may deposit same with the clerk of the circuit court having jurisdiction of the dispute. An attorney who represents a party and also acts as Agent may represent such party in such action. Upon notifying all parties concerned of such action, all liability on the part of Agent shall fully terminate, except to the extent of accounting for any items previously delivered out of escrow. If a licensed real estate broker, Agent will comply with provisions of Chapter 475, F.S., as amended. Any suit between Buyer and Seller wherein Agent is made a party because of acting as Agent hereunder, or in any suit wherein Agent interpleads the subject matter of the escrow, Agent shall recover reasonable attorney's fees and costs incurred with these amounts to be paid from and out of the escrowed funds or equivalent and charged and awarded as court costs in favor of the prevailing party. The Agent shall not be liable to any party or person for misdelivery to Buyer or Seller of items subject to the escrow, unless such misdelivery is due to willful breach of the provisions of this Contract or gross negligence of Agent.

Q. ATTORNEY'S FEES; COSTS: In any litigation, including breach, enforcement or interpretation, arising out of this Contract, the prevailing party in such litigation, which, for purposes of this Standard, shall include Seller, Buyer, and any brokers acting in agency or nonagency relationships authorized by Chapter 475, F.S., as amended, shall be entitled to recover from the non-prevailing party reasonable attorney's fees, costs and expenses.

R. FAILURE OF PERFORMANCE: If Buyer fails to perform this Contract within the time specified, including payment of all deposits, the deposit(s) paid by Buyer and deposit(s) agreed to be paid, may be recovered and retained by and for the account of Seller as agreed upon liquidated damages, consideration for the execution of this Contract and in full settlement of any claims; whereupon, Buyer and Seller shall be relieved of all obligations under this Contract; ~~or Seller, at Seller's option, may proceed in equity to enforce Seller's rights under this Contract.~~ If for any reason other than failure of Seller to make Seller's title marketable after diligent effort, Seller fails, neglects or refuses to perform this Contract, Buyer may seek specific performance or elect to receive the return of Buyer's deposit(s) without thereby waiving any action for damages resulting from Seller's breach.

S. CONTRACT NOT RECORDABLE; PERSONS BOUND; NOTICE; FACSIMILE: Neither this Contract nor any notice of it shall be recorded in any public records. This Contract shall bind and inure to the benefit of the parties and their successors in interest. Whenever the context permits, singular shall include
