

ORDINANCE NO. 050823
0-06-28

An ordinance of the City of Gainesville, Florida, amending the City of Gainesville Land Code of Ordinances, relating to fees; amending and updating cross-references to the Florida Building Code (2004) in the Building and Building Regulation section of Appendix A; providing directions to the codifier; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

WHEREAS, at least 10 days notice has been given once by publication in a newspaper of general circulation notifying the public of this proposed ordinance and of a public hearing to be held in the City Commission Auditorium, City Hall, City of Gainesville; and

WHEREAS, the Public Hearings were held pursuant to the published notice described at which hearings the parties in interest and all others had an opportunity to be and were, in fact, heard.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF GAINESVILLE, FLORIDA:

Section 1. Appendix A, relating to Buildings and Building Regulation fees, is amended to correct and conform cross-references to the Florida Building Code (2004) as provided in Exhibit A, which is attached hereto and incorporated herein as if set forth in full.

Section 2. It is the intention of the City Commission that the provisions of Section 1 shall become and be made a part of the Code of Ordinances of the City of Gainesville, Florida, and that the Sections and Paragraphs of this Ordinance may be renumbered or relettered in order to accomplish such intentions.

1 **Section 3.** If any section, sentence, clause or phrase of this ordinance is held to
2 be invalid or unconstitutional by any court of competent jurisdiction, then said holding
3 shall in no way affect the validity of the remaining portions of this ordinance.

4 **Section 4.** All ordinances, or parts of ordinances, in conflict herewith are to the
5 extent of such conflict hereby repealed.

6 **Section 5.** This ordinance shall take effect immediately upon adoption.

7 **PASSED AND ADOPTED** this 27th day of March, 2006.

4. Where the valuation is over \$1,000,000.00:

(i) First \$1,000,000.00 . . . 4,202.75

(ii) Each additional \$1,000.00 or fractional part thereafter . . . 2.25

5. Site work only: Valuation to calculate permit fee shall be based on the cost of excavation, paving and landscaping.

b. There shall be a double fee for all work for which a permit is required and work has commenced before a permit is applied for.

c. At least one working day prior to the first inspection of the work, the person to whom the permit was issued shall notify the building official or his/her designee and provide a list of all the licensed craftsmen who are or will be performing work under the permit. If any substitutions or additions to such list occur during the course of the work, the building official shall be notified immediately. No inspection of any work under the permit shall be conducted unless and until such list is up-to-date and complete at least one (1) day prior to any requested inspection.

d. If, as described above, the person to whom the permit is issued is not performing all the work to be performed under the permit, such person shall procure affidavits from the licensed craftsman performing such other work stating that such work was performed by them in accordance with the code and shall present such affidavits to the inspector prior to any inspection of such other work.
