Unfortunately due to my scheduling conflicts I can not participate in the city beautification board any longer.
Thanks for the opportunity,

Daniel,

I need an email from you stating that you have resigned from the City Beautification Board.

I'm so sorry this board didn't work with your schedule but I enjoyed meeting you.

This would be greatly appreciated and I will email the clerk's office so we can appoint another person that will be able to attend the meetings.

Without your resignation, we cannot appoint another person.

Many thanks,

Dear Mrs. Deneace Joshua-McGill,

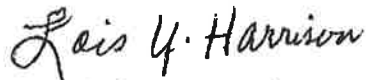

I have enjoyed my tenure on the board for quite a number of years.

However, because of my age and other activities, I am offering my resignation from the board.

I have enjoyed working with you guys, but all good things come to and end.

Good Luck and much success in all of your future endeavors.

Sincerely yours,
