Hi Lili,

I emailed Mary Lou already. Unfortunately, I need to resign from the CBB. I took a new job and my schedule has completely changed. I've looked ahead and I'll be out of town for both the September, October, and February meetings and those are the things I have on my calendar now, not even counting the stuff that pops up.

I hate to let anyone down, but I have had to step back from some other things as well as I'm not able to keep up with it all.

I told Mary Lou that I will stay in touch and will be happy to help with the Awards Ceremony in the spring, and I will keep an eye out for properties.

Thank you for everything!
Autumn
