**Subject:**

Kurt--

Dom Nozzi has coordinated with consultants Robert Gibbs and Dover Kohl, and they (at least someone from Dover's firm, along with Gibbs) are available any weekday the week of October 9. Let me know if you need any more information at this point. Dom is working out the exact cost with the firms and we'll try to have that confirmed next week. The City and County Commission actions were for up to a combined total of \$6K.
