County Direction – April 12

1. Authorize the staff to provide at the Joint City/County meeting on April 29, 2010 options for a franchise agreement for commercial waste hauling for the city and county including but not limited to:
 - a. Exclusive Franchise Agreement
 - b. Non Exclusive commercial franchise agreement
 - c. Public private partnerships
 - d. Any other models available
2. All options shall include a plan to ensure the continued development of the Resource Recovery Park, Organics Recycling Facility, and comply with the State mandate of 75% recycling.
3. Authorize the County Attorney to retain Mr. David Dee, Esq. to assist staff with developing these options.
4. Staff to provide the impacts with our contract with New River under all options presented.
