STORMWATER MANAGEMENT UTILITY (B)

ORDINANCE NO. 0-01-30

An ordinance of the City of Gainesville, Florida, amending Article V, Stormwater Management Utility; clarifying the intent and application of the charges and fees; amending a definition; making certain other changes for consistency and clarification; providing for supplemental enforcement of delinquent charges; providing a severability clause; providing a repealing clause; and providing an immediate effective date.

..recommendation

The City Commission adopt the proposed ordinance, as amended.

..explanation

The City Commission, at its meeting of May 14, 2001, authorized the City Attorney's Office to prepare and advertise an ordinance making technical revisions to Article V, Stormwater Management Utility Ordinance.

On first reading an obsolete reference to connection fees and charges was inadvertently overlooked. Staff is proposing deletion of this term, which is shown in shading, double underlines and strike-throughs, as shown on page 1, lines 25 and 26.
