Exhibit B-1

Sec. 30-65.2. Urban mixed-use district 2 (UMU-2).

- (a) *Intent.* The UMU-2 Zoning District is created to promote and encourage redevelopment of the existing urban commercial areas and neighborhoods near the University of Florida. The district is intended to encourage multimodal mobility and to allow uses and development compatible with each other and with surrounding residential areas and which are consistent with the land use policies of the comprehensive plan. Furthermore, this district is intended to allow for establishments engaged in conducting research and experimental development in the physical, engineering or life sciences, in order to facilitate technology transfer from institutions of higher learning to the market place. The objectives of this district are to:
- (1) Provide a mixture of residential, commercial and office/research uses that are complementary to the residential and mixed-use character of the district;
 - (2) Encourage quality redevelopment and the renovation of existing structures;
 - (3) Promote multimodal transportation and create high-quality urban streetscapes by using buildings, sidewalks, and street trees to form a pleasant, convenient and safe environment designed for pedestrians, bicyclists, public transit, and automobiles;
 - (4) Promote retail and office uses that serve the surrounding neighborhoods and enhance the viability of existing commercial areas by focusing new development in appropriate locations; and
 - (5) Promote office/research uses that serve the needs of the University and the community and enhance the development of the local innovation economy.
