Dear CACCD Team

Please accept this letter as notice of my resignation from the CACCD position as Board member, effective immediately.

As you all know as a 501c3 non-profit organization I applied for the CACCD grant. Unfortunately the ramifications as a board member is that because I am a board member I was disqualified at the 11th hour. I do understand the policy and procedure and complied, however in the best interest of my organization we would better benefit from the CACCD as a future applicant. I have enjoyed being on this board and would love to continue with such a great group of individuals. However, our community, young children, and women need our financial support

to provide educational programs at Maxine's Place in the Phoenix community.

While I will no longer serve as a member of the Board for CACCD, it is my objective to continue to offer support when needed. The services that are provided through this powerful agency are invaluable. Continue doing an extraordinary job!

May the Lord continue to bless each of you as you do His Work in the community.

Hi Shaneka,

Below, please see the e-mail from Ms. Bush regarding the resignation of her membership from the Citizen Advisory Committee for Community Development (CACCD). I have not received a further correspondence from Ms. Bush so I would like to move forward in filling her membership position with a potential new member.

Please let me know if you need anything else.

Thanks,
Deneace

Again, it has been an honor having you to take time out of your busy schedule to volunteer to participate on the Citizen Advisory Committee for Community Development.

Dear Deneace:

Will you please let me know the official way to resign from this Committee? I find I cannot attend tomorrow evening because of a church conflict. I want to do the work but I fear my attendance is an issue.

I am so honored to be selected to serve and have learned so much about Gainesville non profits and the great work of your office and this Housing and Community Development Committee. It has been a joy for me to meet and get to know the dedicated volunteers in this group. I loved getting the packet and visiting the non profits last year. So sorry, I will miss this a lot.

My schedule has changed during the past year. I have taken on a project with our church and that has really filled my time. We have been traveling back to Virginia and also had lots of family visitors since we have moved to Florida.

Sincerely, Madge Bush
