

I would now like to introduce, and ask that they come forward, representatives of the Employees of the City of Gainesville who will lead us in the Pledge of Allegiance to the United States of America.

Joe Roche, Toni McVay, Monique Hill, Lonnie Scott, Marcus White, and Scotty Taylor

At this time I would like to present a proclamation to Monique Hill and Lonnie Scott on behalf of the City Attorney.

Lonnie Scott and Scottie Taylor will share with us the efforts of city employees

Joe Roche probably won't tell you, but almost immediately he organized a fundraiser to assist the victims and families in New York and Washington, D.C. and raised \$500.
