Mr. Blackburn

Subject: Staffing at the Reichert House

Due to increase dynamics, grant requirements and the level of maintaining the Reichert House Youth Academy. The Black on Black Crime Task Force is requesting additional funding in the amount of \$ 28,000.00 to hire 1-FTE. This staff member would be an intervention specialist at the Reichert House and assist in supervising 90+ youth per day. Additional duties of this FTE would include working with youth during school hours, as well as after-school hours, home visits and weekend events. The FTE would also serve as a squad leader for a designated group of youth. In addition this person would assist program participants in achieving the established standards, such as the F.C.A.T preparation, prevention activities, sports and anger management.

Best regards,

Rosa B. Williams
