The following are answers/clarifications to questions received at the mandatory pre-bid conference:

4. Question: Are you looking for a particular number of qualified respondents?

Answer: No, in this project we don't have a set number of companies we will short list. We will choose the companies based on the strength in the respected areas of expertise. For example, if you have experience with working certain areas such as roadways, storm water, or building it will be to your advantage to include that information in your qualifications.

5. Question: Are there any additional staffing requirements for this project?

Answer: You are expected to have the staffing needed to perform the particular type of work, but having those specific relationships with other companies that have a niche may aid you in the process and be the justification of choosing your firm. For example, a lot of the projects require an engineering component we are not requiring you have an engineer on staff, but one may be needed to successfully complete project.

6. Question: Is local preference a factor?

Answer: Because of the type of solicitation (RFQ), local preference will not play a role in the evaluation process.

7. Question: Is there quantitative scoring associated with this project?

Answer: Please pay attention to the 'musts' and 'shalls' of the project along with the requested information. The solicitation will be evaluated quantitatively by the evaluation committee.

8. Question: Are there any other individuals on the evaluation team that are not present?

Answer: One member of the team is absent due to a family emergency. He will be representing CRA.

ACKNOWLEDGMENT: Each Proposer shall acknowledge receipt of this Addendum No. 1 by his or her signature below, **and a copy of this Addendum to be returned with proposal.**
