

We the people of Gainesville, Florida ^{feel} ~~felt~~ that passing the law ~~of~~ regarding the homeless to have to move either to Grace market place or to ST. Francis house is headed toward dictatorship. The city of Gainesville is still part of the United States of America, which is said to ~~be~~ ^{to be} in the Constitution - the home of the free.

The signatures on this petition are from the working and business class people of Gainesville, Florida and all voters in this county.

We agree that there should be a stipulation as to the areas of business but ~~one~~ ^{NOT that} forces people to live in-doors.
