Community Oriented Policing/Intervention Programs

Gang Violence Task Force

- Uptick in Gang Violence over the holiday period between 2 rival juvenile gangs: 4K and 1k.
- Several gang related shootings in both City and County jurisdictions.
- Chief Jones created a Gang Violence Task Force to run for 12 weeks, to develop intelligence and suppress this violent gang activity.
- **RESULTS:** The leaders of the rival gangs were identified and are now in custody on varying charges. The shooters in several of the cases have also been arrested.
- Violence has died down considerably as a result.

GPD Drone Usage

- GPD purchased its first two drones in the last month.
- The first drone is a small drone being tested by the SWAT Team for building searches for subjects. If successful, this will make it safer for both officers and suspects.
- The second drone, a DGI Mavick 2, is being tested by us to determine how we may deploy drone technology.
 - Examples might be: missing persons, potentially violent offenders fleeing on foot.
 - Aviation Unit Pilot ,Ofc Casey Kumar, is leading up our testing phase.

Pineridge P.E.A.C.E. Initiative

- Developing a comprehensive approach modeled after the Birmingham, Alabama project as a collaborative effort between City Departments and community agencies in an effort to improve the quality of life for violence prone areas.
- On January 13th, 2020, a walk through was conducted as well as a joint meeting with city partners and Commissioner Ward to identify problem areas.
- On January 22, 2020, discussed the upcoming implementation of the initiative at the Police Advisory Council meeting.
- City District 2 State of Address meeting with Commissioner Ward on January 30th.
- Contact with Homeowners Association regarding cleanup of overgrown areas as well as status of maintenance issues.
- Meet with probation and parole regarding juvenile and adult probationers living in the area in an effort to proactively provide resources and alternative options.
- Currently compiling a list of local resources which can be utilized to proactively address the needs in effort to provide alternatives to criminal behavior.
- Continue to meet with homeowners to facilitate better communications, identify problems and solutions, and monitor progress.

Deflection Program Update

- Interviewing 14 applicants
- Once interviewing is complete, hope to have someone in place within a month

Angel Shot Program

- Assistant Chief Terry Pierce met with Chamber of Commerce on December 10, 2019 and presented the Angel Shot Program.
- Chamber of Commerce and University of Florida approved presentation
- Youth and Community Relations Bureau is now overseeing this program
- GPD Crime Prevention will be working with Public Information Officer on social media platforms and other public service announcements in the future

Angel Shot Program

**Are you in a situation
that isn't going well?**

**Do you feel unsafe? *Are you being coerced?
*Is your date not who they said
they were on their profile?*

OUR STAFF IS HERE TO HELP!

Just order an **ANGEL SHOT**.

It is a fictitious 'drink' that discreetly informs your Bar Staff that you need them to intervene - whether it be escorting you to your vehicle, calling a cab/safe ride for you, creating a distraction, calling the police, etc.

Credible Violence Disrupters

Credible **Disrupters**

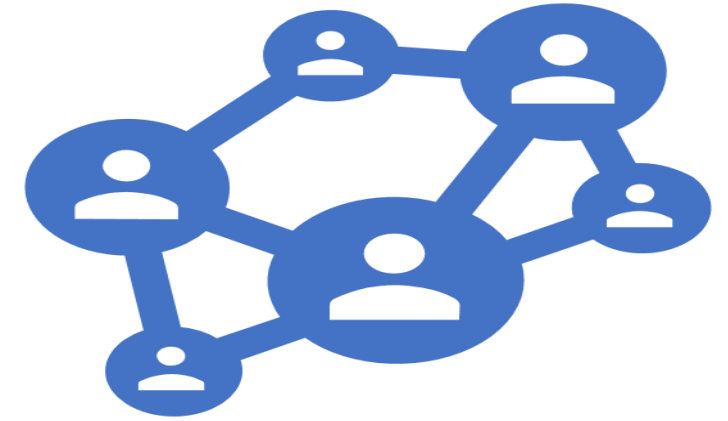

Gainesville Police have contracted with the Black on Black Crime Task Force to hire 1.5 individuals to assist in in disrupting violence in Gainesville and providing street social services to those vulnerable to violence as a victim or perpetrator.

Some of the Disrupters responsibilities:

Job Duties

- Detect and interrupt potentially violent conflicts Trained violence Disrupters outreach workers will work prevent shootings by identifying and mediating potentially lethal disputes in the community and following up to ensure that the conflict does not reignite.
- Provide Case-Management – Workers develop a caseload of clients whom they work with intensively – seeing several times a week and assisting with their needs such as drug treatment, employment, leaving gangs, connecting to other available social services.

Job Duties

- Prevent Retaliations – Whenever a shooting happens, the disrupters will immediately work in the community to reduce emotions to prevent retaliation – working with the victims, friends, and family of the victim, and anyone else connected with the event.
- The Violence Disrupters are trained, culturally-appropriate to work with the highest risk to assist in making them in being less likely to commit violence by meeting them where they are at, talking to them about the costs of using force, and helping them to obtain the social services they need – such as job training and drug treatment and counseling.

Job Duties Continued

- Mobilize the community to change norms; the Disrupters will engage both informal and formal leaders in the community as well as community residents, local business owners, faith leaders, service providers, and the high risk, conveying the message that the residents, groups, and the community do not support the use of violence.
- Respond to Every Shooting – Whenever a shooting occurs, and workers organize a response.
- Work with existing Community infrastructure – Workers coordinate with existing and establish block clubs, tenant councils, and neighborhood associations, and other programs to assist in Spread Positive Norms –to convey the message that violence is not acceptable.
