SUBJECT: Petition PB-12-17 TCH. City Plan Board. Amend the Land Development Code: (1) Section 30-64 Mixed use low intensity (MU-1) zoning district and Section 30-65 Mixed use medium intensity district (MU-2) zoning district to add an exemption to the minimum density requirements and (2) Section 30-46 to add additional zoning districts to the “Correspondence of Zoning Districts with Future Land Use Categories” table.

Recommendation

Staff recommends approval of Petition PB-12-17 TCH.

Discussion

This petition proposes to amend Land Development Code Sec. 30-64(g), mixed-use low intensity (MU-1) zoning district and Sec. 30-65(e), mixed-use medium intensity district (MU-2) zoning district to add an exemption to the minimum density requirement for lots in existence on November 13, 1991 as recorded by the Planning and Development Services Department and less than or equal to 0.5-acres in size. The proposed text change is for consistency with Comprehensive Plan amendments to the Mixed-Use Low-Intensity (MUL) and Mixed-Use Medium-Intensity (MUM) future land use categories that were adopted by Ordinance No. 100684 on July 21, 2011. Due to size and layout constraints, these parcels have difficulty meeting the minimum density requirements when providing parking and stormwater facilities on site. This results in limited development/redevelopment opportunities for these small parcels. See Exhibit A-1 for the updated MUL and MUM future land use categories.

This petition also proposes to amend the “Correspondence of Zoning Districts with Future Land Use Categories” table listed in Sec. 30-46 by adding additional compatible zoning districts to several of the land use categories. These changes are consistent with the Land Development Code and are recommended to add flexibility to the impacted land use categories.

Recommended Changes: Sec. 30-64(g) Mixed use low intensity district (MU-1)

The recommended changes are shown below in underline and ~~strike-through~~.
