Subject: NCC

Hi Linda,

August 10, I will not be available to come to the meeting again. I realize, I have a lot of absences going on. I have a extremely full schedule due to my full time business, having three very young children, and now I've partnered with ADT security which is equivalent to having another full-time job.

I feel like I am no longer able to commit to the NCC, due to my work schedule, (I am now on call for ADT security into night hours.) and I feel bad holding a place there that someone else could fill and add value to the NCC.

I was honored to take the position and be able to serve and add value where I could, but at this point I think you guys would be better off electing someone to take my place.

Many blessings,

Mary Held
