

Reichert House Youth Academy

Value Assessment

Facilitated By:

Katie Davis, CPA, LSS Certified | Partner, James Moore, CPAs and Consultants

Value Assessment: Scope of Work

1. **Discover** – obtain a basic understanding of the governance structure, financial processes, and internal controls of Reichert House, including: one-on-one interviews, anonymous digital survey - *completed*
2. **Define** – facilitate a half-day value assessment workshop with select stakeholders of the Reichert House - *completed*
3. **Deliver** – provide report to the City summarizing recommendations for improvement and a tangible action plan for implementation of recommendations - *in process*

Stakeholder Workshop

A top-down view of several hands of different skin tones (dark brown, light brown, and fair) stacked together in a circle. The hands are wearing light blue or white business attire sleeves. The background is a soft, light grey gradient.

- Best practices in financial processes and internal controls
- Goal and objective setting
- Evaluation of current state
- Brainstorming
- Develop an action plan

Questions
