City of Gainesville Neighbor Survey (2021) Comments to Open-Ended Questions

Individual Comments Are Below:

- Age
- Age
- Age discrimination
- Age discrimination
- Career sources
- Covid
- COVID has affected my business.
- Disability
- Had no challenges.
- I cannot work due to my disability.
- I have an MFA in studio art and the opportunities relevant to my field are very slim. I have been living in Gainesville for 3 years and have applied to every single job that was remotely art related (that I knew about) and I am still searching.
- I have few challenges in finding a job - I remote work for national corporations in a high demand field. I am not dependent on the status of Gainesville jobs.
- Motivation
- Overqualified
- Overqualified for the jobs.
- Restrictive regulations
- Unnecessary drug testing for cannabis.
- Visa status restrictions
- You raised minimum wage, bad idea, read an economics textbook.
