Gainesville City Commission

Dear City Commissioners:

I wish to thank you for the opportunity to serve on several citizen advisory boards. The chance to multiply "my 2¢ worth" is very valuable to me. I have been alerted by staff that there is concern about the # of boards I serve on and you have graciously honored my earlier letter about my personal priority amongst the boards I had previously applied for.

I am therefore resigning from the Energy Board so that I can serve on personal higher priorities like the Safe Space Task Force and the Fifth Avenue/Pleasant Street Advisory Board.

Respectfully
K. R. Blount
