Re: Notice of Intent

Dear Mr. Bridges:

In order to provide the appropriate notification for the City of Gainesville to consider the potential exchange of properties the Department would like to confirm the intent to surrender the property located at 2845 NE 39th Ave, Gainesville, Florida, which includes the two (2) structures; (Gatehouse & Medical Classification) that Community Corrections and the Inspector General's Office had planned to occupy. In exchange for relinquishing this property, the State will acquire ownership of the building located at 211 NE 1st Street, Gainesville, FL to be utilized as a probation and parole office by the Department of Corrections. In addition to the building, the State will assume ownership of the thirty-five (35) parking spaces located on the parcel. This intended property exchange is subject to the Department and City executing a mutually acceptable written agreement for this purpose.

If you have any questions or need additional information, please do not hesitate to call.

Sincerely,
