

ADDENDUM NO. 2

Date: September 8, 2015

Bid Date: October 1, 2015
3:00 P.M. (Local Time)

Bid Name: Fixed Route Scheduling Software

Bid No.: RTSX-160004-DS

NOTE: This Addendum has been issued to the holders of record of the specifications.

The original Specifications remain in full force and effect except as revised by the following changes which shall take precedence over anything to the contrary:

1. A new email request has been received requesting the entire RFP in Word format to allow extraction of the various forms. Instead of providing the RFP in Word format, if the proposer has Adobe Pro then you are capable of saving the pdf document as a Microsoft Word document yourself. You may then “fill in the blanks” for your proposal response. This is acceptable so long as the original context of the RFP, including Tables 1 through 5 requirements, remain unchanged (unedited). **Changing/editing the context/requirements of the RFP, regardless of the document format, is grounds for disqualification.** This Addendum #2 has been issued to allow for saving the RFP pdf document as Word format.

ACKNOWLEDGMENT: Each Proposer shall acknowledge receipt of this Addendum No. 2 by his or her signature below, **and shall attach a copy of this Addendum to its proposal.**

CERTIFICATION BY PROPOSER
