[GRU Comment](#)

Electric:  
 I think we should request that the City retain easement rights over the street/alley after vacation. We have OH and UG facilities along SW 7 Terr. It only shows easements in the south side (from pole 14747 to pole 28445).

**Date**: 07/08/2015  
**Rank**:  
**Mimetype**: text/plain  
**Confidential**: No

Real Estate:

I would recommend retaining an easement over the alley until such time as the utilities (electric) have been relocated.
