Kurt,

I have suggested to Randy Reid that the two topics for the joint meeting be Koppers and an update on solid waste disposal. I will let you and the Mayor know about the reaction to these topics by the County.

I will place on March 4<sup>th</sup> agenda for approval.

Russ or someone should coordinate with the County to determine if this will be the only topic or whether the County will be picking one also.

Good question.

Usually the City picks a topic and the County picks a topic.

I would check with RB.

Kim

Reading from the slides EPA presented at City Commission, the expected schedule is:

Review/address Comments Received 11/18/09 – 1/25/10  
Prepare/Issue Final FS 1/29/10 – 3/16/10  
Stakeholder Meeting 3/30/10  
Proposed Plan Issued 4/5/10 – 5/5/10  
ROD Amendment 6/4/10

Based on my discussion with Scott Miller today:

**EPA will release the proposed cleanup plan early April, then have a public meeting in Gainesville a few days later. Per our discussion, we understand that April 29 at 3:00 pm is available for a joint CCOM/BoCC meeting.** I think that would be very good timing. At this time, I don't see the need for any other joint meetings.

Fred/John – Do you agree?
