ADOPTION OF THE AGENDA

AGENDA STATEMENT

"Citizens are encouraged to participate in City of Gainesville meetings. In general, speakers will be limited to 3 (three) minutes per agenda item. Additional time may be granted by the Mayor or by the City Commission as directed. The City of Gainesville encourages civility in public discourse and requests that speakers limit their comments to specific motions and direct their comments to the Chair. Citizens are encouraged to provide comments in writing to the Clerk of the Commission before meetings and/or during meetings for inclusion into the public record. Citizens may also provide input to individual commissioners via office visits, phone calls, letters and e-Mail, that will become public record. (In some instances, i.e., Quasi-Judicial Hearings, these particular contacts may be prohibited. Persons with disabilities who require assistance to participate in this meeting are requested to notify the Equal Department at 334-5051 or call the TDD phone line at 334-2069 at least two business days in advance.)"

City Commission Workshop (NB)

Explanation: On March 6, 2006, the City Commission received a presentation from ICF comparing and contrasting the four energy plan options selected for evaluation and documented in the report titled City of Gainesville Electrical Supply Needs (RFP No. 2005-147), which had been submitted to the City Commission on March 1, 2006. The Commission scheduled two additional workshops and a special meeting to provide an opportunity to further consider not only this report, but a peer review prepared by GDS on the draft of ICF's report titled Peer Review of ICF Consulting's Draft Report to the City of Gainesville Electrical Supply Needs (RFP No. 2005-147), dated February 28, 2006, as well as questions and comments prepared by others.

RECOMMENDATION

The City Commission: 1) Receive a presentation by GDS on its report to the City Commission titled Peer Review of ICF Consulting's Draft Report to the City of Gainesville Electrical Supply Needs (RFP No. 2005-147), dated February 28, 2006; 2) Review the information prepared by utility staff as well as ICF in response to questions and comments submitted by the Mayor on February 22, 2006 regarding the ICF draft report titled City of Gainesville Electrical Supply Needs (RFP No. 2005-147), which was submitted to the City Commission on February 13, 2006; and 3) Review the information prepared by utility staff in response to the Key Points presented by Commissioner Donovan at the March 6, 2006 Commission meeting regarding the ICF final report titled City of Gainesville Electrical Supply Needs (RFP No. 2005-147), which was

submitted to the City Commission on March 1, 2006;
