- a) **Lease of Land and Buildings.** If the land and buildings are leased, the Division may, from time to time, require certification from the Grantee or the property owner that the lease is in full force and effect, that it has not been modified or terminated, and that the Grantee is not in default of the lease (or in the case of an owner, documentation of ownership is required). Failure to provide such certification will constitute a default hereunder, which will give the Division the right to terminate this Agreement and demand the return of all or a part of any funds already delivered, and/or to withhold funds from subsequent grants.
- b) **Retaining Ownership of Land and Buildings.** The owner of land and building(s) must retain ownership of the land and buildings, along with improvements made to the land and building(s), for at least 10 years following the Grant Award. Exception: Land and buildings owned by the State of Florida and leased to an eligible applicant. For the purposes of this program, the applicant must not be a political subdivision of the state.

- 20. Restrictive Covenant.** The Grantee will record an updated Restrictive Covenant with the Clerk of the Circuit Court of the county where the property is located. If the Grantee chooses to record a Restrictive Covenant and the facility ceases to be used as a "Cultural Facility" during the ten (10) years following the Grant Award, the grant funds must be repaid to the Division according to the Restrictive Covenant Amortization Schedule (incorporated into this Agreement and attached as Attachment D).
- 21. Surety Bond instead of a Restrictive Covenant.** If a Surety Bond is selected by the Grantee and the facility ceases to be used as a "Cultural Facility" during the ten (10) years following the Grant Award, the grant funds must be repaid to the Division according to the Surety Bond Amortization Schedule (incorporated into this Agreement and attached as Attachment E).
- 22. Historic Preservation Review.** If the facility that is being renovated with state funds is fifty (50) years old or older, then in accordance with Section 267.061(2)(a) and (b), *Florida Statutes*, the Grantee must submit information about the grant project to the Division of Historical Resources, Bureau of Historic Preservation ("Bureau"), so that it may determine whether the project has historic significance. Should the Bureau deem the facility to have historic significance, grant funds may only be released after the Bureau notifies the Division, in writing, that the Grantee has satisfied the Bureau's requirements. If the facility is not deemed to be of historic significance, grant funds will be released to Grantee in accordance with Section 5 of this Agreement.
- 23. Single Audit Act.** Each grantee, other than a grantee that is a State agency, shall submit to an audit pursuant to Section 215.97, *Florida Statutes*. See Attachment F for additional information regarding this requirement.
- 24. Retention of Accounting Records.** Financial records, supporting documents, statistical records, and all other records including electronic storage media pertinent to the Project shall be retained for a period of eight (8) years after the close out of the grant. If any litigation or audit is initiated, or claim made, before the expiration of the eight-year period, the records shall be retained until the litigation, audit, or claim has been resolved. Retention period shall match the ten (10) year Restrictive Covenant or Surety Bond period.
- 25. Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts, and transcripts.
- 26. Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
- 27. Investment of Funds Received But Not Paid Out.** The Grantee may temporarily invest any or all grant funds received but not expended, in an interest bearing account pursuant to Section 216.181(16)(b), *Florida Statutes*. Interest earned on such investments should be returned to the

Division quarterly, except that interest accrued less than \$100 within any quarter may be held until the next quarter when the accrued interest totals more than \$100. All interest accrued and not paid to the Division, regardless of amount, must be submitted with the Grantee's Final Cultural Facilities Report at the end of the Grant Period.

**28. Noncompliance with Grant Requirements.** Any applicant that has not submitted required reports or satisfied other administrative requirements for other Division of Cultural Affairs grants or grants from any other Office of Cultural, Historical, and Information Programs (OCHIP) Division will be in noncompliance status and subject to the OCHIP Grants Compliance Procedure. (OCHIP Divisions include the Division of Cultural Affairs, the Division of Historical Resources, and the Division of Library and Information Services.) Grant compliance issues must be resolved before a grant award agreement may be executed, and before grant payments for any OCHIP grant may be released.

If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division.
- c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.
- d) The name of the account(s) must include the grant award number;
- e) The Grantee's accounting records must have effective control over and accountability for all funds, property, and other assets; and

**30. Availability of State Funds.** The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature. In the event that the state funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Grantee, beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

- 31. Independent Contractor Status of Grantee.** The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents, or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.
- 32. Grantee's Subcontractors.** The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Grantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be "independent contractors" and will not be considered or permitted to be an agents, servants, joint venturers, or partners of the Division.
- 33. Liability.** The Division will not assume any liability for the acts, omissions to act, or negligence of, the Grantee, its agents, servants, or employees; nor may the Grantee exclude liability for its own acts, omissions to act, or negligence, to the Division.
- a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death, and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees, and subcontractors. The Grantee shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with this Section.
  - b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity, or increases the limits of its liability, by entering into this Agreement.
  - c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
  - d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities; provided that such subcontract has been approved in writing by the Department prior to its execution; and provided that it is understood by the Grantee that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- 34. Strict Compliance with Laws.** The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable laws and regulations of the local, state and federal law.

origin, age, handicap or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.

- 36. Breach of Agreement.** The Division will demand the return of grant funds already received, will withhold subsequent payments, and/or will terminate this agreement if the Grantee improperly expends and manages grant funds, fails to prepare, preserve or surrender records required by this Agreement, or otherwise violates this Agreement.
- 37. Termination of Agreement.** The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter, and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee will be compensated for any work completed in accordance with this Agreement, prior to the notification of termination, if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages, if grant funds are returned under this Section.
- 38. Preservation of Remedies.** No delay or omission to exercise any right, power, or remedy accruing to either party upon breach or violation by either party under this Agreement, shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default, or any similar breach or default.
- 39. Non-Assignment of Agreement.** The Grantee may not assign, sublicense nor otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which consent shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties, and obligations of the Division to another governmental entity pursuant to Section 20.06, *Florida Statutes*, or otherwise, the rights, duties, and obligations under this Agreement shall be transferred to the successor governmental agency as if it was the original party to this Agreement.
- 40. Required Procurement Procedures for Obtaining Goods and Services.** The Grantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project in accordance with Section 287.057, *Florida Statutes*.
- 41. Conflicts of Interest.** The Grantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes*, and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Grantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.

- 42. Binding of Successors.** This Agreement shall bind the successors, assigns and legal representatives of the Grantee and of any legal entity that succeeds to the obligations of the Division of Cultural Affairs.
- 43. No Employment of Unauthorized Aliens.** The employment of unauthorized aliens by the Grantee is considered a violation of Section 274A (a) of the Immigration and Nationality Act. If the Grantee knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.
- 44. Severability.** If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder will remain in full force and effect, and such term or provision shall be deemed stricken.
- 45. Americans with Disabilities Act.** All programs and facilities related to this Agreement must meet the standards of Sections 553.501-553.513, *Florida Statutes*, and the Americans with Disabilities Act of 1990.

### Project Description

The Cotton Club building was originally built to serve as a PX at Camp Blanding, Florida during World War II. It was moved to its current location after the war ended. The Mt. Olive A.M.E. Church, in partnership with the University of Florida's Powell Center for Construction & Environment and Historic Preservation Program, is restoring the building for use as a cultural center, museum and neighborhood center. Historic Preservation coupled with green building Guidelines will ensure that this building continues to play a significant role in the East Gainesville Community.

The Cotton Club, also been known as the "Perry Theater" and the "Blue Note," was part of the "Chitlin' Circuit" in the late 1940s and early 1950s. The Chitlin' Circuit was the general name given to the string of venues throughout the eastern and southern United States that catered primarily to African American audiences and entertainers during the period of segregation when African Americans were not permitted to attend or entertain in white establishments. Over time the Cotton Club building was vacated and eventually fell into severe disrepair.

By 2006 the roof and walls had deteriorated to the point that they had large holes which allowed enormous quantities of rainwater into the interior of the building, all but destroying it. The community and the University of Florida collaborated to seek funding from private and public sources to begin the process of restoring the Cotton Club and to convert it into a cultural facility and museum that would once again serve as a gathering place for the community.

Phase I of the Cotton Club building restoration project entailed the design phase of the project, which produced a complete set of permitted architectural and engineering plans for the restoration of the facility. This phase included the stabilization of the existing building with a new foundation, doors, windows, roof, and exterior siding. A new bathroom facility was constructed adjacent to the main Cotton Club building. Additionally, road cuts and repaving to bring power, water, and fire protection water to the main building were completed in Phase I.

We are requesting Cultural Affairs funding totaling \$489,350 which will be matched by the Community Redevelopment Agency with \$146,650, for a project total of \$636,000. Funds from the Cultural Facilities grant and the matching funds will be used to complete Phase II of the restoration of the Cotton Club building. Phase II involves the completion of the electrical power, lighting, heating and air-conditioning, fire sprinklers, sound system, insulation, interior walls and doors, interior finishes, insulation, cabinetry, and kitchen. ### FEDERAL AND STATE OF FLORIDA SINGLE AUDIT ACT REQUIREMENTS

#### AUDIT REQUIREMENTS

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

#### MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 2 Subpart F -- Audit Requirements, and Section 215.97, *Florida Statutes*, monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR 2 §200.328, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

#### AUDITS

##### **PART I: FEDERALLY FUNDED**

This part is applicable if the recipient is a State or local government or a non-profit organization that has received federal funds awarded through the Department of State. EXHIBIT 1 to this attachment indicates whether federal resources have been awarded through the Department of State by this agreement.

##### **2 CFR 2 §200.501 Audit Requirements**

(a) *Audit required.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part.

(b) *Single audit.* A non-Federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with 2 CFR §200.514 Scope of audit except when it elects to have a program-specific audit conducted in accordance with paragraph (c) of this section.

(c) *Program-specific audit election.* When an auditee expends Federal awards under only one Federal program (excluding R&D) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the auditee, the auditee may elect to

have a program-specific audit conducted in accordance with 2 CFR §200.507 Program-specific audits. A program-specific audit may not be elected for R&D unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.

(d) *Exemption when Federal awards expended are less than \$750,000.* A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

(e) *Federally Funded Research and Development Centers (FFRDC).* Management of an auditee that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this part.

(f) *Subrecipients and Contractors.* An auditee may simultaneously be a recipient, a subrecipient, and a contractor. Federal awards expended as a recipient or a subrecipient are subject to audit under this part. The payments received for goods or services provided as a contractor are not Federal awards. Section §200.330 Subrecipient and contractor determinations should be considered in determining whether payments constitute a Federal award or a payment for goods or services provided as a contractor.

(g) *Compliance responsibility for contractors.* In most cases, the auditee's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with Federal statutes, regulations, and the terms and conditions of Federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the auditee is responsible for ensuring compliance for procurement transactions which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions are in compliance with Federal statutes, regulations, and the terms and conditions of Federal awards.

(h) *For-profit subrecipient.* Since this part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient should describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. See also §200.331 Requirements for pass-through entities.

## PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2) (1), *Florida Statutes* and had received state funds awarded by the Department of State. EXHIBIT 1 to this attachment indicates whether state resources have been awarded by the Department of State by this agreement.

### Section 215.97 *Florida Statutes* Single Audit Requirements

EXHIBIT 1 to this agreement indicates state financial assistance awarded through the Department of State by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), *Florida Statutes*. This includes submission of a financial reporting package as defined by Section 215.97(2) (d), *Florida Statutes*, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, *Florida Statutes*, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, *Florida Statutes*, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
