What can feasibly be recycled?

Dwight
Adams

- Seattle 65%, San Francisco 75%,
- Many others 50% or better
- 65-75% is feasible for Gainesville
- follow comp plan and ordinances

1. Codes Section 27-85: mandatory commercial recycling includes multi-family housing, *very little recycling, not being enforced!*

2. Policy 1.1.1 (4) composting

High achievers – compost (or AD) “wet” stream: food, kitchen, garden, soiled paper, paperboard, ~1/3 of MSW

Change current 3 pickups (new contract):

- (1) “dry” recyclables, (2) “wet” biodegradables (3) other (not much)
