The City is not in default under or with respect to this Agreement, the Bank Bonds or the other Financing Documents, or with respect to any Contractual Obligation in any respect which would be materially adverse to the business, operations, properties or financial or other condition of the System or which would materially and adversely affect the ability of the City to perform its obligations under this Agreement, the Bank Bonds or the other Financing Documents or in respect of any other Indebtedness incurred to finance or otherwise in respect of the System or secured by any Revenues or other assets of the System. No Potential Tender Event has occurred and is continuing.

As and to the extent the information required by this Section 6.02 has been properly and timely (that is, on or before the date specified above) filed with the Municipal Securities Rulemaking Board (or any successor agency) through EMMA, the City will be deemed to have complied with the provisions of this Section.

SECTION 6.03 Inspection of Property; Discussions. The City agrees that any replacement letter of credit, credit agreement or other instrument or agreement will require, as a condition to its effectiveness, that the issuer or provider thereof, as the case may be, will provide funds, on the date such letter of credit, credit agreement or other instrument or agreement becomes effective, which, together with any available funds of the City, shall be sufficient to pay in full all Loans outstanding on such date, plus accrued interest thereon, together with all other amounts due and payable hereunder.

SECTION 6.10 Sovereign Immunity. To the extent authorized by applicable law, the City agrees to waive sovereign immunity from suit and liability for the purposes of adjudicating a claim to enforce its duties and obligations under this Agreement, the Fee Letter and any Bank Bonds or for damages for a breach of any of the foregoing, except to the extent that any such proceeding seeks enforcement based on tort or similar claim and in such case such defense is available only to the extent set forth under Florida Statutes, Section 768.28 or other similarly applicable provision of law.

SECTION 6.11 Incorporation by Reference. (a) Shall comply with all its covenants and agreements set forth in the other Financing Documents, which covenants and agreements are hereby incorporated herein by reference and, notwithstanding anything to the

(ii) Notwithstanding the foregoing, no (A) additional or more restrictive events of default under an Other Debt Document, the remedy for which is an immediate termination or suspension of the obligations of the related lender thereunder or (B) additional conditions precedent to purchase or funding under an Other Debt Document shall be incorporated into this Agreement pursuant to the terms of Section 6.11(b)(i) without written confirmation from each of the Rating Agencies then rating the Commercial Paper Notes that such incorporation will not result in a suspension, lowering or withdrawal of the then current short-term credit ratings on the Commercial Paper Notes.

SECTION 6.12 Rating of Bank Bond. While any Loan is outstanding, upon the request of the Bank the City will, at its expense, endeavor to obtain and maintain a credit rating assigned to the Bank Bond by at least one Rating Agency.

SECTION 6.13 Compliance with Laws. Shall comply in all material respects, within the time period, if any, given for such compliance by the relevant Governmental Authority, with all applicable laws, rules, regulations and requirements of Governmental Authorities (including, without limitation, Environmental Laws), except where the necessity of compliance therewith is contested in good faith by appropriate proceedings.

SECTION 6.14 Dealer and Issuing Agent. So long as this Agreement is in effect, the City will not permit the appointment of a successor Issuing Agent or Dealer unless the City has obtained the prior written consent of the Bank thereto, which consent shall not be unreasonably withheld or delayed. The City will cause an Issuing Agent and a Dealer acceptable to the Bank to be in place at all times while this Agreement is in effect or any Commercial Paper Notes are outstanding.

SECTION 6.15 Disclosure of Bank. The City agrees that it will not, without the prior approval of the Bank (which approval shall not be unreasonably withheld), include in any official statement, reoffering memorandum or similar disclosure document relating to the Commercial Paper Notes, Bonds or Subordinated Bonds or other indebtedness offered by the City on a public or private basis any information describing the Bank; *provided, however*, that the City may include references to the existence of this Agreement, the Bank and its role with respect to the Commercial Paper, without the Bank's consent thereto, in connection with (i) the preparation of an offering document for such indebtedness, (ii) the City's satisfaction of its continuing disclosure requirements, (iii) the preparation of its annual financial statements, and (iv) compliance with any other legal or regulatory requirement applicable to the City.

SECTION 6.16 Maintenance of Ratings. Shall at all times maintain long-term credit ratings assigned to the Bonds at no less than "A3" or "A-," as applicable, without regard to credit or liquidity enhancements, from not less than two Rating Agencies.

Qualified Hedging Contract that is not related to limiting or managing exposure to fluctuations in interest rates, or to obtain a marginally lower interest rate, in either case, pertaining to the Bonds or the Commercial Paper Notes, and/or (C) the failure by the City to pay any principal of, or interest on, Subordinated Indebtedness issued in the form of commercial paper notes, but only to the extent that (I) the payment of such amounts is supported in whole by a third-party liquidity provider pursuant to a liquidity agreement and (II) with respect to such commercial paper notes, no underlying, unenhanced short-term credit rating has been issued by the Rating Agencies;

(e) any event or condition shall occur which (i) results in the acceleration of the maturity of any Commercial Paper Notes or other Subordinated Indebtedness or (ii) enables (or, with the giving of notice or lapse of time or both, would enable) the holder of such Commercial Paper Notes or other Subordinated Indebtedness or any Person acting on such holder's behalf to accelerate the maturity thereof;

(f) the City shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it, or shall make a general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any action to authorize any of the foregoing;

(g) an involuntary case or other proceeding shall be commenced against the City seeking liquidation, reorganization or other relief with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed in a period of ninety (90) days; or an order for relief shall be entered against the City under the Federal bankruptcy laws or applicable state law as now or hereafter in effect;

(h) a moratorium shall have been declared or announced (whether or not in writing) by the State of Florida, the Federal Government or any other Governmental Authority with jurisdiction with respect to all of the Bonds or all of the Subordinated Indebtedness, or a moratorium shall have been declared or announced (whether or not in writing) by the City with respect to any of the Bonds or any of the Subordinated Indebtedness;

(i) A final, unappealable judgment or judgments against the City for the payment of money in excess of \$20,000,000 in the aggregate shall be payable from the funds and other property comprising the Trust Estate and not be covered

"Immediate Tender Event"), without any notice to the City or any other act by the Bank, the Commitment and the Bank's obligation to make Loans hereunder shall thereupon terminate and the Bank Bond shall immediately be deemed to be tendered for payment to the City and the City shall be obligated to pay immediately the outstanding principal amount of the Bank Bond (together with accrued interest thereon) and all other amounts owed by the City hereunder, without presentment, demand, protest or notice of any kind, all of which are hereby waived by the City. Promptly following the taking of any action or the occurrence of any event or condition referred to above, the Bank shall give notice thereof to the City, the Issuing Agent and the Dealer, but the failure to give any such notice or any delay in giving any such notice shall not impair the validity or effect of any action or event or condition referred to above.

Upon the occurrence and during the continuance of a Potential Tender Event described in clause (g) above (a "Suspension Event"), the Bank's obligation to make Loans hereunder shall be immediately and automatically suspended, without notice, and the Bank shall be under no further obligation hereunder to make Loans hereunder until the bankruptcy, insolvency or similar proceeding referred to therein is terminated prior to the court entering an order granting the relief sought in such proceeding. In the event such proceeding is terminated, then the obligation of the Bank to make Loans hereunder shall be automatically reinstated and the terms of this Agreement shall continue in full force and effect (unless the obligation of the Bank to make Loans hereunder shall otherwise have terminated as provided in this Section 7.01) as if there had been no such suspension. If at any time prior to the Maturity Date, (x) the Potential Tender Event which gave rise to such suspension is cured or has ceased to be continuing and (y) the obligation of the Bank to make Loans under this Agreement has not otherwise terminated, then, the obligation of the Bank to make Loans under this Agreement shall be automatically reinstated. If the Potential Tender Event which gave rise to the suspension of the obligation of the Bank to make Loans under this Agreement has not been cured or has not ceased to be continuing prior to Maturity Date and the obligation of the Bank to make Loans under this Agreement has not otherwise terminated, then the obligation of the Bank to make Loans hereunder shall be automatically terminated on the Maturity Date. Promptly upon the occurrence of such termination the Bank shall give written notice of the same to the City, the Issuing Agent and the Dealer; *provided*, that the Bank shall not incur any liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of the obligation of the Bank to make Loans under this Agreement.

The rights, remedies, powers and privileges provided herein and in the Financing Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law or in equity or otherwise. No notice to or demand on the City in any case shall entitle the City to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of the Bank to any other or further action in any circumstances without notice or demand. The Bank may remedy any default by the City hereunder or with respect to any other person, firm or corporation in a reasonable manner without waiving the default remedied and without waiving any other prior or subsequent default by the City.

SECTION 7.02 Effect of Tender Event. The Bank Bond shall be immediately due and payable upon its becoming subject to payment by the City pursuant to Section 7.01 above.

SECTION 8.02 Taxes.

(a) To the extent permitted by law, any and all payments by the City hereunder or under the Bank Bond shall be made free and clear of and without deduction for any and all taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding taxes imposed on the overall net income of the Bank or any Participant (and franchise taxes imposed in lieu of net income taxes) by the jurisdiction of the Bank's or Participant's applicable lending office or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the City shall be required by law to withhold or deduct any Taxes from or in respect of any sum payable hereunder or under the Bank Bond, then, to the extent permitted by law, (i) the sum payable shall be increased as may be necessary so that after making all required withholdings or deductions (including those applicable to additional sums payable under this Section 8.02) the Bank or Participant receives an amount equal to the sum it would have received had no such withholdings or deductions been made, (ii) the City shall make such withholdings or deductions and (iii) the City shall pay the full amount withheld or deducted to the relevant taxation authority or other authority in accordance with applicable law. Notwithstanding anything to the contrary contained herein, the City shall not be required to pay any additional amount in respect of withholding of United States Federal income taxes pursuant to this Section to the extent such withholding is required because the Bank or Participant has failed to submit any form or certificate that it is entitled to submit under applicable law to qualify for an exemption from such withholding.

(b) In addition, to the extent permitted by law, the City agrees to pay any present or future stamp or documentary taxes, charges or similar levies that arise under the laws of the United States of America and the State of Florida from any payment made or received hereunder or received under the Bank Bond or from the execution or delivery or otherwise with respect to this Agreement or the Bank Bond (hereinafter referred to as "Other Taxes").

(c) Payments by the City pursuant to this Section 8.02 shall be made within thirty (30) days from the date the Bank or the Participant, as applicable, makes written demand therefor which demand shall be accompanied by a certificate describing in reasonable detail the basis thereof, which shall be conclusive absent manifest error.

(d) Within thirty (30) days after the date of any payment of Taxes by the City, the City shall furnish to the Bank, at its address specified in or pursuant to Section 9.01 hereof, the original or a certified copy of a receipt evidencing payment thereof. The City shall compensate the Bank or Participant for all losses and expenses sustained by the Bank or Participant as a result of any failure by the City to so furnish such copy of such receipt.

(e) Without prejudice to the survival of any other agreement of the City hereunder, the agreements and obligations contained in this Section 8.02 shall survive the payment in full of principal and interest payable to the Bank hereunder and under the Bank Bond.

(f) Notwithstanding anything to the contrary in this Section 8.02, no amount or amounts payable to any Participant as a result of the provisions set forth in this Section 8.02 may exceed an amount or amounts that would have been payable to the Bank pursuant to such

damages, costs and expenses of any kind, including, without limitation, the reasonable fees and disbursements of counsel (including allocated costs of in-house counsel), which may be incurred by the Bank in connection with any investigative, administrative or judicial proceeding (whether or not the Bank shall be designated a party thereto) relating to or arising out of this Agreement or any Financing Document or any actual or proposed use of proceeds of Loans hereunder; *provided* that the Bank shall not have the right to be indemnified hereunder for its own gross negligence or willful misconduct as determined by a court of competent jurisdiction.

For purposes of clause (ii)(B) of the proviso in the preceding paragraph, the City and the Bank agree that it shall not be unreasonable for the City to withhold its consent to a proposed assignment or transfer by the Bank hereunder if the City determines that such assignment or transfer would not be in the "best interests of the City or of the holders of the Commercial Paper Notes." For purposes of this Agreement and without limiting the generality of the foregoing, any such assignment or transfer shall be presumed conclusively to not be in the "best interests of the City or the holders of the Commercial Paper Notes" if the City provides the Bank with a certificate (the "City Certificate") to the effect that:

(i) for a period of forty-five (45) consecutive days immediately preceding the date of said City Certificate, tax-exempt bonds supported by the proposed assignee's or transferee's

(c) The Bank may at any time pledge or grant a security interest in all or any portion of its rights under the Bank Bond, this Agreement and the other Financing Documents to secure obligations of the Bank, including any pledge or assignment to secure obligations to a Federal Reserve Bank or Federal Home Loan Bank; *provided* that no such pledge or assignment shall release the Bank from any of its obligations hereunder or substitute any such pledgee or assignee for the Bank as a party hereto.

SECTION 9.07 Counterparts; Integration. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement constitutes the entire agreement and understanding among the parties hereto and, except with respect to the other documents and agreements referred to herein, supersedes any and all prior agreements and understandings, oral or written, relating to the subject matter hereof.

SECTION 9.08 Waiver of Jury Trial. THE CITY AND THE BANK EACH HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 9.09 Jurisdiction; Venue. With respect to any suit, action or proceeding relating to, or arising from, this Agreement, each party hereto irrevocably submits to the jurisdiction of the courts of the State of Florida and the federal courts located in the State of Florida and agrees that any such suit, action or proceeding shall be had and maintained in the Eighth Judicial Circuit Court and applicable appellate courts.

City of Gainesville, Florida

Re: Credit Agreement with Bank of America, N.A.

Ladies and Gentlemen:

I have served as counsel to Bank of America, N.A., a national banking association (the "Bank") in connection with the Credit Agreement (the "Agreement") dated of even date herewith between the Bank and City of Gainesville, Florida (the "City").

It is my opinion that under the laws of the State of Florida and the United States of America:

1. The Bank is a national banking association duly organized and validly existing under the laws of the United States of America. The Bank has all necessary right, power and authority to perform the obligations of the Bank under the Agreement.

2. The Agreement has been duly authorized, executed and delivered by the Bank and, assuming that the Agreement is a valid and binding agreement of the City, the Agreement constitutes a valid and legally binding obligation of the Bank enforceable in accordance with its terms, except as such enforceability may be limited by applicable insolvency, reorganization, liquidation, moratorium, readjustment of debt or other similar laws affecting the enforcement of creditors' rights, as such laws may be applied in the event of an insolvency, reorganization, liquidation, readjustment of debt or similar proceedings or a moratorium with respect to the obligations of the Bank, and subject to the application of general principles of equity regardless of whether such enforceability is considered in a proceeding at law, or in equity.

This letter does not establish a lawyer-client relationship between the City and me. This letter is solely for the benefit of the City and may not be relied upon by any person other than the City.

Very truly yours,

Mark E. Raymond

(2) In the event the Agreement is terminated or the Commitment is permanently reduced prior to November 30, 2017, then an amount equal to the Facility Fee (calculated assuming no change in the Facility Fee Rate subsequent to the date of such termination or reduction) that would have been paid on the portion of the Commitment that is being terminated or reduced from the Closing Date to November 30, 2017, less any actual amount of the Facility Fee the City paid to the Bank with respect to such portion during such period, such fee to be payable within ten Business Days after demand therefor. However, no such fee will be required to be paid by the City in connection with a (i) termination of all or any portion of the Commitment if on the day of such termination the short-term rating assigned to the Bank by any two Rating Agencies is below P-1/A-1/F1 or the equivalent or (ii) a termination of the Agreement when no Commercial Paper Notes supported by a facility similar to that provided pursuant to the Agreement will be outstanding immediately following such termination.

(3) A draw fee in an amount equal to \$250 for each Loan, which amount shall be payable on the date of such Loan.

(4) In connection with any amendment, supplement, modification, waiver or consent relating to the Agreement requested by the City, \$2,500, plus the reasonable fees and expenses of the Bank's counsel.

(5) On the Closing Date, the fee and expenses of Mark E. Raymond, counsel to the Bank, in the amount of \$25,000.00.

All fees required to be paid under the Agreement and this Fee Letter shall, upon payment, be nonrefundable and shall be calculated on the basis of a 360-day year for the actual number of days elapsed.

The parties agree that any reference in the Agreement or in any other Related Document to the "Agreement" shall mean and refer to the Agreement and this Fee Letter.

This Fee Letter may be executed in any number of counterparts, each of which shall be an original, and all of which, when taken together, shall constitute one agreement.

This Fee Letter may not be amended or waived except by an instrument in writing signed by the Bank and the City.

EXHIBIT B TO RESOLUTION
FORM OF OFFERING MEMORANDUM

issuance by the City from time to time of its Subordinated Utilities System Revenue Bonds (the "Subordinated Bonds").

The Second Supplemental Resolution currently permits the issuance of not more than \$85,000,000 in aggregate principal amount of Series C Notes at any one time outstanding, of which \$56,900,000 are currently outstanding, and not more than \$25,000,000 in aggregate principal amount of Series D Notes at any one time outstanding, of which \$8,000,000 are currently outstanding.

The CP Notes may be issued for purposes of (i) paying the principal of, and interest on, maturing CP Notes, (ii) repaying borrowings under the Agreement (hereinafter defined) and (iii) financing the costs of acquisition and construction of an electric system, natural gas system, water system, wastewater system and telecommunications system owned by the City and operated as a single combined public utility (the "System").

The City also has issued its Utilities System Subordinated Bank Bond, Series A (the "Series A Bank Bond") under the Subordinated Resolution in order to evidence any loans made by the bank providing liquidity support for the Series C Notes, and its Utilities System Subordinated Bank Bond, Series B (the "Series B Bank Bond") under the Subordinated Resolution in order to evidence any loans made by the bank providing liquidity support for the Series D Notes, but no amounts of Series A Bank Bonds or Series B Bank Bonds are outstanding as of the date of this Offering Memorandum. See "BANK LIQUIDITY ARRANGEMENTS" herein. **[CONFIRM]**

In addition, the City (a) has authorized the issuance of not more than \$25,000,000 in aggregate principal amount of its Utilities System Commercial Paper Notes, Series D (Federally taxable) (the "Series D Notes") under the Subordinated Resolution and (b) has issued its Utilities System Subordinated Bank Bond, Series B (the "Series B Bank Bond") under the Subordinated Resolution in order to evidence any loans made by the bank providing liquidity support for the Series D Notes. As of the date of this Offering Memorandum, \$8,000,000 of Series D Notes are outstanding and no amounts are outstanding under the Series B Bank Bond. **[CONFIRM]**

The Subordinated Resolution was adopted pursuant to, and supplements, a resolution adopted by the City on June 6, 1983 entitled "Utilities System Revenue Bond Resolution," as heretofore supplemented, amended and restated (the "Bond Resolution"), which authorizes the issuance by the City from time to time of its Utilities System Revenue Bonds (the "Senior Lien Bonds"). The Subordinated Bonds (including the CP Notes) constitute "Subordinated Indebtedness" within the meaning of the Bond Resolution, and are junior and subordinate in all respects to the Senior Lien Bonds. See "*Security for the CP Notes*" below.

Security for the CP Notes.

Pursuant to the Bond Resolution, the City is authorized to issue Senior Lien Bonds secured by a pledge and assignment of (i) the proceeds of the sale of the Senior Lien Bonds, (ii) the Revenues (as defined in the Bond Resolution) derived by the City from the operation of the System and (iii) all funds established by the Bond Resolution (other than the Debt Service Reserve Account in the Debt Service Fund established pursuant to the Bond Resolution which

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the United States Securities and Exchange Commission (the "S.E.C."). More information about DTC can be found at www.dtcc.com.

Purchases of CP Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the CP Notes on DTC's records. The ownership interest of each actual purchaser of each CP Note ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the CP Notes are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the CP Notes, except in the event that use of the book-entry system for the CP Notes is discontinued.

To facilitate subsequent transfers, securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of CP Notes with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the CP Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such CP Notes are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

will not, by itself, result in a reduction or withdrawal of such rating agency's ratings of the CP Notes from those which then prevail.

The City has covenanted in the Second Supplemental Resolution that it will at all times maintain an available commitment under the Agreement (or a substitute liquidity support arrangement) equal to the principal of the outstanding CP Notes.

ADDITIONAL INFORMATION

For information with respect to the City and the System (including information regarding the history, organization and management of the System, its service areas, the operations of the System, the capital improvement programs for the System and the City's financial condition with respect to the System), reference is made to the Reoffering Memorandum dated November __, 2015 (the "2005/2006 Variable Rate Bonds Reoffering Memorandum") relating to the remarketing of \$27,565,000 aggregate principal amount of the City's Variable Rate Utilities System Revenue Bonds, 2005 Series C and \$18,410,000 aggregate principal amount of the City's Variable Rate Utilities System Revenue Bonds, 2006 Series A (collectively, the "2005/2006 Variable Rate Bonds"). The 2005/2006 Variable Rate Bonds Reoffering Memorandum is on file with the Municipal Securities Rulemaking Board (the "MSRB").

In connection with the issuance of certain series of its Senior Lien Bonds, the City covenanted, in accordance with the requirements of Rule 15c2-12 of the S.E.C. ("Rule 15c2-12"), to provide certain financial information and operating data relating to the System, including the financial statements of the City relating to the System for the preceding fiscal year (the "Annual Report"), by not later than six months after the end of each of the City's fiscal years (presently, by each March 31), and to provide notices of the occurrence of certain enumerated events with respect to the applicable series of Senior Lien Bonds, if material (the "Material Event Notices"). Each Annual Report will be filed by or on behalf of the City with the MSRB, and each Material Event Notice will be filed by or on behalf of the City with the MSRB. Subsequent to the date of this Offering Memorandum, the City may issue bonds, notes or other securities in connection with the System for which an official statement or other offering document may be filed with the MSRB (each such official statement or offering document being referred to herein as an "Additional Offering Document"), and the City may, in accordance with the requirements of Rule 15c2-12, covenant to provide to the MSRB certain financial information and operating data relating to the System on an annual basis with respect thereto (each such document providing financial information and operating data being referred to herein as an "Additional Annual Report"), and to provide notices of the occurrence of certain enumerated events with respect to such bonds, notes or other securities, if material (the "Additional Material Event Notices") to the MSRB.

During the period of the offering of the CP Notes, there is hereby deemed included in this Offering Memorandum by this reference (a) the 2005/2006 Variable Rate Bonds Reoffering Memorandum or the most recent Additional Offering Document, if any, of the City relating to the System filed with the MSRB, (b) the most recent Annual Report or Additional Annual Report, if any, of the City relating to the System filed with the MSRB existing as of the date thereof and (c) except to the extent superseded by an Additional Offering Document, Annual Report or Additional Annual Report, each Material Event Notice and Additional Material Event

or the accrual or receipt of interest on, the Series C Notes may otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Original Bond Counsel expresses no opinion regarding any such other tax consequences.

Future legislative proposals, if enacted into law, or clarification of the Code or court decisions may cause interest on the Series C Notes to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. [As one example, on November 5, 2007, the United States Supreme Court heard an appeal from a Kentucky state court which ruled that the United States Constitution prohibited the state from providing a tax exemption for interest on bonds issued by the state and its political subdivisions but taxing interest on obligations issued by other states and their political subdivisions.] The introduction or enactment of any such future legislative proposals, clarification of the Code or court decisions may also affect the market price for, or marketability of, the Series C Notes. Prospective purchasers of the Series C Notes should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Original Bond Counsel expresses no opinion.

The opinions of Original Bond Counsel was based on current legal authority as of the date of the opinion, covers certain matters not directly addressed by such authorities, and represents Original Bond Counsel's judgment as to the proper treatment of the CP Notes for federal income tax purposes. They are not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Original Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the City, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The City has covenanted, however, to comply with the requirements of the Code.

Unless separately engaged, Original Bond Counsel is not obligated to defend the City or the Beneficial Owners regarding the tax-exempt status of the Series C Notes in the event of an audit examination by the IRS. Under current procedures, parties other than the City and its appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series C Notes for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series C Notes, and may cause the City or the Beneficial Owners to incur significant expense.
