For purposes of determining the Covenant Obligation Debt Service Requirement for Section 9.01 hereof, the following provisions shall apply:

(a) The interest rate on Variable Rate Obligations (other than Taxable Bonds proposed to be issued) shall be assumed to be the greater of (1) the average of the Securities Industry and Financial Markets Association<sup>TM</sup> Municipal Swap Index for the immediately preceding 52 weeks (or if not available for such 52-week period, then for the longest immediately preceding period for which available), or if such index is no longer published, a comparable 7-day index for high quality variable rate demand obligations selected by the Issuer, in either case, plus 50 basis points (0.50%), or (2) if the variable rate on such Non-Ad Valorem Revenue Obligations or other indebtedness is determined by reference to an index or a formula based on an index, the average interest rate which would have been applicable to such Variable Rate Obligations (or other variable rate indebtedness) based on such index or formula during the immediately preceding 52-week period (or if not available for such 52-week period, then for the longest immediately preceding period for which available).

(b) The interest rate on Variable Rate Obligations that are Taxable Bonds shall be assumed to be the interest rate quoted for the week preceding the date of calculation on direct United States Treasury obligations having a maturity the same as the nominal maturity of the Variable Rate Obligations, plus 50 basis points (0.50%).

(c) If the Issuer has entered into a Qualified Hedge Agreement with respect to Non-Ad Valorem Revenue Obligations, the interest coming due on Non-Ad Valorem Revenue Obligations, up to an amount equal to the "notional" amount of the Qualified Hedge Agreement, shall be the net aggregate amount each applicable period, taking into account (i) the actual interest borne by such Non-Ad Valorem Revenue Obligations for such period (using the assumptions described

above for Variable Rate Obligations, if applicable), (ii) the Qualified Hedge Receipts for such period and (iii) the Qualified Hedge Payments for such period, with the payments described in clauses (ii) and (iii) above being calculated on the applicable notional amount and using the assumptions described above for Variable Rate Obligations, if applicable.

(d) If two series of Variable Rate Obligations, or one or more maturities within a series, are issued simultaneously with inverse floating interest rates providing a composite fixed rate for such Non-Ad Valorem Revenue Obligations taken as a whole, such composite fixed rate shall be used in determining the Covenant Obligation Debt Service Requirement with respect to such Non-Ad Valorem Revenue Obligations for all purposes of this Bond Resolution.

(e) If a series of Variable Rate Obligations is subject to purchase by the Issuer pursuant to a mandatory or optional tender by the holders thereof, the "tender" date or dates shall be ignored and the stated maturity dates thereof shall be used for purposes of all calculations hereunder.

(f) With respect to Designated Maturity Obligations, the unamortized principal coming due on the final maturity date thereof that the Issuer reasonably anticipates refinancing, as reflected in the Annual Budget or as otherwise evidenced by the City, shall not be included and in lieu thereof, there shall be included in the Covenant Obligation Debt Service Requirement for the Bond Year in which such final maturity occurs only the principal amount thereof the Issuer reasonably anticipates to become due in such Bond Year, taking into account any such anticipated refinancing of such Designated Maturity Obligations.

(g) With respect to Commercial Paper Obligations, only the interest obligations with respect to such Commercial Paper Obligations and the principal amount of the Commercial Paper Obligations the Issuer reasonably expects to retire and not to pay with the proceeds of roll-over Commercial Paper Obligations in such Bond Year (as reflected in the Annual Budget) shall be included in the calculation of the Covenant Obligation Debt Service Requirement. The interest rate on the Commercial Paper Obligations shall be assumed for purposes of calculating the Covenant Obligation Debt Service Requirement, to be equal to the greater of (i) the average of the Securities Industry and Financial Markets Association<sup>TM</sup> Municipal Swap Index for the immediately preceding 52 weeks (or if not available for such 52-week period, then for the longest immediately preceding period for which available), or if such index is no longer published, a comparable 7-day index for high quality variable rate demand obligations selected by the Issuer, in either case, plus 50 basis points (0.50%), or (ii) the actual rate on such Commercial Paper Obligations.

B. The Issuer is authorized and empowered by the Act to issue the Bonds and use the proceeds thereof, together with other funds of the Issuer, if any, to finance the Costs of the 2014 Project and to pay costs of issuance of the Bonds.

C. The principal of, premium, if any, and interest on the Bonds and all required sinking fund and other payments with respect thereto shall be payable from the proceeds of Bonds and from moneys deposited in the funds and accounts pledged by this Bond Resolution, which the Issuer has full authority to irrevocably pledge. The Issuer shall never be required to levy ad valorem taxes on any real or personal property to pay the principal of, interest on or any premium with respect

to the Bonds or to make any of the required sinking fund, reserve or other payments required herein, and the Bonds shall not constitute a lien on any real or personal property owned by or situated within the limits of the Issuer.

D. It is in the financial interest of the Issuer to take advantage of the existing favorable market conditions and the prevailing low interest rates through the issuance of the Bonds to finance the 2014 Project.

#### ARTICLE IV THIS INSTRUMENT TO CONSTITUTE CONTRACT

SECTION 4.01 Instrument to Constitute Contract. In consideration of the acceptance of the Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this Bond Resolution shall be deemed to be and shall constitute a contract between the Issuer and the Bondholders. The covenants and agreements herein set forth to be performed by the Issuer shall be for the equal benefit, protection and security of the Bondholders and all Bonds shall be of equal rank and without preference, priority or distinction over any other thereof, except as expressly provided herein.

#### ARTICLE V AUTHORIZATION OF THE FINANCING OF THE 2014 PROJECT; DESCRIPTION, FORM AND TERMS OF THE BONDS

SECTION 5.01 Authority for the Financing of the 2014 Project and Issuance of the Bonds. The acquisition and construction of the 2014 Project is hereby authorized.

The issuance of the Bonds for the purpose of financing all or a portion of the Costs of the 2014 Project and paying the costs of issuance of the Bonds is hereby authorized. Subject and pursuant to the provisions hereof, Bonds to be known as the "City of Gainesville, Florida Capital Improvement Revenue Bonds, Series 2014" (or such other series designation as shall be designated by subsequent resolution or approved by an Authorized Issuer Officer), are hereby authorized to be issued in an aggregate principal amount not to exceed the Authorized Amount, for the aforementioned purposes.

SECTION 5.02 Description of Obligations. The Issuer may by supplemental resolution specify for or provide for the specification of, the Bonds, the following: the authorized principal amount of Bonds needed to pay the Cost of the Project; the date and terms of maturity or maturities of the Bonds and the interest payment dates with respect thereto; the interest rate or rates of the Bonds, provided that the average net interest cost rate on such Bonds shall never exceed the maximum interest rate permitted by law in effect at the time such Bonds are issued; the denominations, numbering and lettering of such Bonds, provided that the Bonds shall be in the denominations of \$5,000, or any integral multiple thereof, or any other denomination designated by resolution of the Issuer adopted prior to

the issuance of such Bonds; the Paying Agent and place or places of payment of such Bonds; the redemption prices for such Bonds and any terms of redemption or any formula for accretion upon redemption, not inconsistent with the provisions of this Bond Resolution, which may include mandatory redemptions; the amount and date of each Amortization Installment, if any, for Bonds that are Term Obligations, provided that each Amortization Installment shall fall due on October 1 or April 1, or both, of a Bond Year; the use of proceeds of such Bonds not inconsistent with this Bond Resolution, and any other terms or provisions applicable to the Bonds, not inconsistent with the provisions of this Bond Resolution or the Act. All of the foregoing may be provided for by supplemental resolution or resolutions adopted at any time and from time to time prior to the issuance of the Bonds. Unless otherwise so provided, each Bond shall bear interest from the later of the Dated Date or original issue date shown thereon or the most recent interest payment date to which interest has been paid, until payment of the principal sum or until provision for the payment thereof on or after the maturity or redemption date has been duly provided for. The series designation of the Bonds may be changed to reflect the date of issuance, and the particular terms thereof.

Except as otherwise provided by subsequent resolution, all Bonds issued hereunder shall be in registered form, shall be payable in lawful money of the United States of America and shall bear interest from their date, or from such other date as the Issuer may determine, which shall be paid by check or draft of the Paying Agent mailed to the registered owner thereof unless otherwise provided by subsequent resolution. If and to the extent permitted by applicable law, the Issuer may establish a system of registration and may issue thereunder uncertificated registered public obligations (not represented by instruments) commonly known as book-entry obligations, certificated registered public obligations (represented by instruments), combinations thereof, or such other obligations as may then be permitted by law. The Issuer shall appoint such registrars, transfer agents, depositories or other agents as may be necessary to cause the registration, registration of transfer and reissuance of the Bonds within a commercially reasonable time according to the then current industry standards and to cause the timely payment of interest, principal and premiums, if any, payable with respect to the Bonds. Registration and registration of transfer of the Bonds shall be subject to the terms set forth in the form of the Bonds in Section 5.09 hereof. If the Issuer adopts a system for the issuance of uncertificated registered public obligations, it may permit thereunder the conversion, at the option of a Holder of any Bond then Outstanding, of a certificated registered public obligation to an uncertificated registered public obligation, and the reconversion of the same. A list of the names and addresses of the registered owners of the Bonds shall be maintained at all times by the Registrar. Notwithstanding anything in the foregoing to the contrary, at the request and expense of the registered owner of \$1,000,000 or more of the Bond Obligation, interest shall be paid by wire transfer on an interest payment date to a bank account located in the continental United States and designated in writing to the Registrar at least five (5) days prior to the applicable interest payment date. Principal of the Bonds shall be payable at maturity or earlier redemption thereof

upon presentation and surrender of such Bonds at the designated office of the Paying Agent by check or draft.

The registration of the Bonds may be transferred upon the registration books therefor upon delivery to the Registrar, accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Registrar, duly executed by the registered owner of such Bonds or by his attorney-in-fact or legal representative, containing written instructions as to the details of transfer of such Bonds, along with the social security number or federal employer identification number of such transferee. In all cases of a transfer of the Bonds, the Registrar shall at the earliest practical time in accordance with the provisions of this Bond Resolution enter the transfer of ownership in the registration books for the Bonds and (unless uncertificated registration shall be requested and the Issuer has a registration system that will accommodate uncertificated registration) shall deliver in the name of the new transferee or transferees a new fully registered Bond or Bonds of the same maturity and of authorized denomination or denominations for the same aggregate principal amount and payable from the same sources of funds. Unless otherwise provided by subsequent resolution, neither the Issuer nor the Registrar shall be required to register the transfer of any Bond during the fifteen (15) days next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, after such Bonds or any portion thereof have been selected for redemption. The Registrar or the Issuer may charge the registered owners of such Bonds for the registration of every such transfer of such Bonds an amount sufficient to reimburse it for any tax, fee or any other governmental charge required to be paid, except for any such governmental charge imposed by the Issuer, with respect to the registration of such transfer, and may require that such amounts be paid before any such new Bonds shall be delivered.

With respect to any Bonds registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of The Depository Trust Company ("DTC"), all payments of interest on such Bonds shall be made by the Registrar by check and/or draft or by bank wire transfer to Cede & Co., as Bondholder of such Bonds, the Issuer and the Registrar shall have no responsibility or obligation to any direct or indirect participant in the DTC book-entry program (a "Participant"). Without limiting the immediately preceding sentence, the Issuer and the Registrar shall have no responsibility or obligation with respect to (A) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest on the Bonds, (B) the delivery to any Participant or any other person other than a Bondholder, as shown in the registration books kept by the Registrar, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant or any other person, other than a Bondholder, as shown in the registration books kept by the Registrar, of any amount with respect to principal, interest or redemption premium, if any, of the Bonds. The Issuer and the Registrar may treat and consider the person in whose name each Bond is registered in the registration books kept by the Registrar as the

Bondholder and absolute owner of such Bond for the purpose of payment of principal, interest or redemption premium, if any, with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal, interest or redemption premium, if any, of the Bonds only to or upon the order of the respective Bondholders, as shown in the registration books kept by the Registrar, or their respective attorneys duly authorized in writing, as provided herein and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal, interest or redemption premium, if any, of the Bonds to the extent of the sum or sums so paid. No person other than a Bondholder, as shown in the registration books kept by the Registrar, shall receive a certificated Bond evidencing the obligation of the Issuer to make payments of principal, interest or redemption premium, if any, pursuant to the provisions hereof. Upon delivery by DTC to the Issuer of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Bond Resolution with respect to transfers during the 15 days next preceding a payment date or mailing of notice of redemption, the words "Cede & Co." in this Bond Resolution shall refer to such new nominee of DTC; and upon receipt of such notice, the Issuer shall promptly deliver a copy of the same to the Registrar and the Paying Agent.

Upon (i) receipt by the Issuer of written notice from DTC (a) to the effect that a continuation of the requirement that any Bonds be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, is not in the best interest of the beneficial owners of such Bonds or (b) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, or (ii) determination by the Issuer, in its sole discretion, that such book-entry only system should be discontinued by the Issuer, such Bonds shall no longer be restricted to being registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, but shall be registered in whatever name or names holders shall designate, in accordance with the provisions of this Bond Resolution. In such event, the Issuer shall issue and the Registrar shall authenticate, transfer and exchange Bonds consistent with the terms of this Bond Resolution, in denominations of \$5,000 or any integral multiple thereof to the Bondholders thereof. The foregoing notwithstanding, until such time as participation in the book-entry only system is discontinued, the provisions set forth in the existing Blanket Issuer Letter of Representations previously executed by the Issuer and delivered to DTC shall apply to the payment of principal, interest and redemption premium, if any, on such Bonds.

If any date for payment of the principal of, premium, if any, or interest on any Bond is not a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such day shall have the same force

and effect as if made on the nominal date of payment. Interest on the Bonds shall be calculated based on a 360-day year containing twelve 30-day months.

SECTION 5.03 Execution of Bonds. The Bonds shall be executed in the name of the Issuer by the Mayor and the official seal of the Issuer shall be imprinted, reproduced or lithographed on the Bonds and attested to by the Clerk, subject to approval as to form and legality by the City Attorney of the form of the Bonds and legality thereof. The signatures of the Mayor and the Clerk on the Bonds may be by facsimile, but one such officer shall sign his manual signature on the Bonds unless the Issuer appoints an authenticating agent, the Registrar or a transfer agent or trustee who shall be authorized and directed to cause one of its duly authorized officers to manually execute the Bonds. If any officer whose signature appears on the Bonds ceases to hold office before the delivery of the Bonds, his or her signature shall nevertheless be valid and sufficient for all purposes. In addition, any Bond may bear the signature of, or may be signed by, such persons as at the actual time of execution of such Bond shall be the proper officers to sign such Bond although at the date of such Bond or the date of delivery thereof such persons may not have been such officers. The Bonds shall be approved as to form and legality by the City Attorney of the Issuer, which approval shall be evidenced by either the manual or facsimile signature of the City Attorney thereon.

The Registrar shall act as authenticating agent for the Bonds.

SECTION 5.04 Bonds Mutilated, Destroyed, Stolen or Lost. If any Bond is mutilated, destroyed, stolen or lost, the Issuer or its agent may, in its discretion (i) deliver a duplicate replacement Bond, or (ii) pay a Bond that has matured or is about to mature. A mutilated Bond shall be surrendered to and cancelled by the Registrar or its duly authorized agent. The Bondholder must furnish the Issuer or its agent proof of ownership of any destroyed, stolen or lost Bond; post satisfactory indemnity; comply with any reasonable conditions the Issuer or its agent may prescribe; and pay the Issuer's or its agent's reasonable expenses.

Any such duplicate Bond shall constitute an original contractual obligation on the part of the Issuer whether or not the destroyed, stolen, or lost Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on, and source of and security for payment from, the funds pledged to the payment of the Bond so mutilated, destroyed, stolen or lost.

SECTION 5.05 Provisions for Redemption. The Bonds may be subject to redemption prior to maturity at such times and in such manner as shall be established by subsequent resolution of the Issuer adopted on or before the time of delivery thereof.

Except as otherwise provided in a resolution adopted prior to the issuance of the Bonds, notice of redemption shall be given by the deposit in the

U. S. Mail of a copy of the redemption notice, postage prepaid, at least twenty (20) and not more than sixty (60) days before the redemption date to the registered owner of each Bond or portion of Bonds to be redeemed at its address as it appears on the registration books to be maintained in accordance with provisions hereof. Failure to give such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of any Bond or portion thereof with respect to which no failure or defect has occurred.

Each notice shall set forth the date fixed for redemption for each Bond being redeemed, the rate of interest borne by each Bond being redeemed, the redemption price to be paid, the name and address of the Registrar, and, if less than all of the Bonds then Outstanding shall be called for redemption, the distinctive numbers and letters, including CUSIP numbers, if any, of such Bonds to be redeemed and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof to be redeemed. If any Bond is to be redeemed in part only, the notice of redemption which relates to such Bond shall also state that on or after the redemption date, upon surrender of such Bond, a new Bond or Bonds in a principal amount equal to the unredeemed portion of such Bond will be issued.

Any notice mailed as provided in this section shall be conclusively presumed to have been duly given, whether or not the owner of such Bond receives such notice.

In addition to the mailing of the notice described above, each notice of redemption and payment of the redemption price shall meet the requirements of this paragraph; provided however, that failure of such notice or payment to comply with the terms of this paragraph shall not in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above in this Section.

(a) Each notice of redemption shall also be sent to the Electronic Municipal Market Access System operated by the Municipal Securities Rulemaking Board or such other similar electronic system for disclosure.

(b) Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

Any notice of optional redemption may contain a statement that the redemption of Bonds on the date set for redemption is conditioned upon the occurrence or non-occurrence of such event or events as shall be specified in such notice of optional redemption, including, without limitation, the issuance of refunding obligations and may also be subject to rescission.

The Issuer shall have the option to cause the Bonds to be purchased in lieu of redemption on the applicable redemption date at a price equal to the then applicable redemption price, plus accrued interest thereon to, but not including, the date of such purchase. Such option may be exercised by delivery to the Paying Agent (if the Registrar is not the Paying Agent for such Bonds) on or prior to the business day preceding the redemption date of a written notice of the Issuer specifying that the Bonds shall not be redeemed, but instead shall be subject to purchase pursuant to this Section 5.05 with the moneys provided or to be provided by the Issuer or on behalf of the Issuer. Upon delivery of such notice, the Bonds shall not be redeemed but shall instead be subject to mandatory tender at the redemption price on the date that would have been the redemption date.

SECTION 5.06 Effect of Notice of Redemption. Notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions of Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Bonds or portions of Bonds on such date. On the date so designated for redemption, notice having been published and/or mailed as required herein and moneys for payment of the redemption price being held in separate accounts by the Paying Agents in trust for the Holders of the Bonds or portions thereof to be redeemed, all as provided in this Bond Resolution, interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds and portions of Bonds shall cease to be entitled to any lien, benefit or security under this Bond Resolution, and the Holders of such Bonds or portions of Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and, to the extent provided in Section 5.07 of this Article, to receive Bonds for any unredeemed portions of the Bonds.

SECTION 5.07 Redemption of Portion of Registered Bonds. In case part but not all of an Outstanding fully registered Bond shall be selected for redemption, the Holder thereof shall present and surrender such Bond to the Issuer or its designated Paying Agent for payment of the principal amount thereof so called for redemption, and the Issuer shall execute and deliver to or upon the order of such Holder, without charge therefor, for the unredeemed balance of the principal amount of the Bond so surrendered, a Bond or Bonds fully registered as to principal and interest.

SECTION 5.08 Bonds Called for Redemption Not Deemed Outstanding. Bonds or portions of Bonds that have been duly called for redemption under the provisions of this Article V, and with respect to which amounts sufficient to pay the principal of, premium, if any, and interest to the date fixed for redemption shall be delivered to and held in separate accounts by any Authorized Depository or any Paying Agent in irrevocable trust for the Holders thereof, as provided in this Bond Resolution, shall not be deemed to be Outstanding under the provisions of this Bond Resolution and shall cease to be entitled to any lien, benefit or security under this Bond Resolution, except to receive the payment of the

redemption price on or after the designated date of redemption from moneys deposited with or held by the Authorized Depository or Paying Agent, as the case may be, for such redemption of the Bonds and, to the extent provided in Section 5.07 of this Article, to receive Bonds for any unredeemed portions of the Bonds.

SECTION 5.09 Form of Bonds. The text of the Bonds, the form of assignment for such Bonds and the form for the Certificate of Authentication, if any, shall be in substantially the following form, with such omissions, insertions and variations as may be necessary or desirable and authorized, permitted by or not inconsistent with this Bond Resolution or by any subsequent resolution adopted prior to the issuance thereof or as may be approved by the Mayor, including, without limitation, such changes as may be required for the issuance of uncertificated public obligations or coupon Bonds to the extent herein authorized and for the execution of the Bonds by an authenticating agent:

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: \_\_\_\_\_ DOLLARS

The City of Gainesville, Florida (hereinafter called the "Issuer"), for value received, hereby promises to pay to the Registered Owner identified above, or to registered assigns or legal representatives, but solely from the revenues hereinafter mentioned, on the Maturity Date identified above (or earlier as hereinafter provided), the Principal Amount identified above, upon presentation and surrender hereof at the principal office of \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, or its successors, as Registrar and Paying Agent (the "Registrar"), and to pay, solely from such special revenues, interest on the principal sum from the date hereof, or from the most recent interest payment date to which interest has been paid, at the Interest Rate per annum identified above, until payment of the principal sum, or until provision for the payment thereof has been duly provided for, such interest being payable [semiannually] on the first day of \_\_\_\_\_ and the first day of \_\_\_\_\_ of each year, commencing on \_\_\_\_\_ 1, 20\_\_\_. Interest will be paid by check or draft mailed to the Registered Owner hereof at its address as it appears on

the registration books of the Issuer maintained by the Registrar at the close of business on the 15th day (whether or not a Business Day) of the month next preceding the interest payment date (the "Record Date"), irrespective of any transfer or exchange of such Bond subsequent to such Record Date and prior to such interest payment date, unless the Issuer shall be in default in payment of interest due on such interest payment date. In the event of any such default, such defaulted interest shall be payable to the person in whose name such Bond is registered at the close of business on a special record date for the payment of such defaulted interest as established by notice by deposit in the U. S. mails, postage prepaid, by the Issuer to the Registered Owners of Bonds not less than fifteen days preceding such special record date. Such notice shall be mailed to the persons in whose names the Bonds are registered at the close of business on the fifth (5th) day (whether or not a Business Day) preceding the date of mailing.

This Bond and the interest hereon is payable solely from and secured by a prior lien upon and pledge of certain revenues of the Issuer deposited and held in the funds and accounts created pursuant to Resolution No. \_\_\_ of the Issuer adopted on \_\_\_\_\_, 2014, as supplemented by Resolution No. \_\_\_ of the Issuer adopted on \_\_\_\_\_, 2014, and as it may be further supplemented or amended from time to time (the "Bond Resolution") and certain other funds and investment earnings thereon, all in the manner and to the extent provided in the Bond Resolution. All terms used herein in capitalized form and not otherwise defined shall have the meanings ascribed thereto in the Bond Resolution. Pursuant to the Bond Resolution, the Issuer has covenanted and agreed, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment, if necessary and to deposit to the credit of the Debt Service Fund established pursuant to the Bond Resolution, Non-Ad Valorem Revenues of the Issuer in an amount which, in such Fiscal Year, is equal to the Bond Service Requirement with respect to all Bonds Outstanding under the Bond Resolution for the applicable Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the Issuer under the Bond Resolution for the applicable Fiscal Year. Such covenant and agreement on the part of the Issuer to budget and appropriate sufficient amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues in amounts sufficient to make all required payments under the Bond Resolution as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the appropriate funds and accounts under the Bond Resolution; provided, however, that such covenant shall not constitute a lien, either legal or equitable, on any of the Issuer's Non-Ad Valorem Revenues or other revenues, nor shall it preclude the Issuer from pledging in the future any of its Non-Ad Valorem Revenues or other revenues to other obligations so long as the provisions of the Bond Resolution are satisfied, nor shall it give the Bondholders a prior claim on any Non-Ad Valorem Revenues. Anything herein or in the Bond Resolution to the contrary notwithstanding, all obligations of the Issuer under the Bond Resolution shall be secured only by the Non-Ad Valorem Revenues actually budgeted and appropriated and deposited into the funds and

accounts created under the Bond Resolution, as provided for therein. The Issuer is prohibited by law from expending moneys not appropriated or in the excess of its current budgeted revenues and surpluses. The obligation of the Issuer to budget, appropriate and make payments hereunder from its Non-Ad Valorem Revenues is subject to the availability of Non-Ad Valorem Revenues of the Issuer after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the Issuer. Notwithstanding the foregoing or anything in the Bond Resolution to the contrary, the Issuer has not covenanted to maintain any services or programs now provided or maintained by the Issuer which generate Non-Ad Valorem Revenues.

Reference is hereby made to the Bond Resolution for the provisions, among others, relating to the terms, lien and security of the Bonds, the custody and application of the proceeds of the Bonds, the rights and remedies of the Registered Owners of the Bonds and, the extent of and limitations on the Issuer's rights, duties and obligations, to all of which provisions the Registered Owner hereof for itself and its successors in interest assents by acceptance of this Bond.

This Bond shall not be deemed to constitute a debt or a pledge of the faith and credit of the Issuer, the State of Florida or any political subdivision thereof within the meaning of any constitutional, legislative or charter provision or limitation. Nothing herein or in the Bond Resolution shall be deemed to create a pledge of or lien on the Non-Ad Valorem Revenues, the ad valorem tax revenues, or any other revenues of the Issuer, or permit or constitute a mortgage or lien upon any assets owned by the Issuer. It is expressly agreed by the Registered Owner of this Bond that such Registered Owner shall never have the right, directly or indirectly, to require or compel the exercise of the ad valorem taxing power of the Issuer or any other political subdivision of the State of Florida or taxation in any form on any real or personal property for any purpose, including, without limitation, for the payment of the principal of and interest or premium on this Bond or for the payment of any other amounts provided for in the Bond Resolution or to maintain or continue any of the activities of the Issuer which generate user service charges, regulatory fees or any other Non-Ad Valorem Revenues, nor shall the Bonds constitute a charge, lien or encumbrance, either legal or equitable, on any property, assets or funds of the Issuer.

Neither the members of the City Commission of the Issuer nor any person executing the Bonds shall be liable personally on the Bonds by reason of their issuance.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication endorsed hereon shall have been signed by the Registrar.

This Bond is one of an authorized issue of Bonds in the aggregate principal amount of \$\_\_\_\_\_, of like date, tenor and effect, except as to number, maturity and interest rate, issued to finance the 2014 Project (as defined in the Bond Resolution) pursuant to the authority of and in full compliance with the Constitution and laws of the State of Florida, including particularly the Bond Resolution, Chapter 166, Florida Statutes, the City Charter and other applicable provisions of law. This Bond is also subject to the terms and conditions of the Bond Resolution.

The Bonds of this issue [are] [are not] subject to redemption prior to their maturity (Insert Term Obligation amortization provisions). The Bonds of this issue [shall be further] [shall not be] subject to redemption prior to their maturity [at the option of the Issuer (Insert optional redemption provisions, if any)].

Notice of such redemption shall be given in the manner required by the Bond Resolution.

The registration of this Bond may be transferred upon the registration books upon delivery to the principal office of the Registrar accompanied by a written instrument or instruments of transfer in form and with guaranty of signature satisfactory to the Registrar, duly executed by the owner of this Bond or by his attorney-in-fact or legal representative, containing written instructions as to the details of transfer of this Bond, along with the social security number or federal employer identification number of such transferee. In all cases of a transfer of a Bond, the Registrar shall at the earliest practical time in accordance with the provisions of the Bond Resolution enter the transfer of ownership in the registration books and shall deliver in the name of the new transferee or transferees a new fully registered Bond or Bonds of the same maturity and of authorized denomination or denominations, for the same aggregate principal amount and payable from the same source of funds. The Issuer and the Registrar may charge the owner of such Bond for the registration of every such transfer of a Bond an amount sufficient to reimburse them for any tax, fee or any other governmental charge required (other than by the Issuer) to be paid with respect to the registration of such transfer, and may require that such amounts be paid before any such new Bond shall be delivered.

If the date for payment of the principal of, premium, if any, or interest on this Bond shall be other than a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable

hereto, and that the issuance of the Bonds does not violate any constitutional or statutory limitation or provision.

[END OF FORM OF BOND]

SECTION 5.10 Application of Bond Proceeds.

A. Unless otherwise provided to the contrary by subsequent resolution adopted coincident with or prior to the sale of the Bonds or by certificate of an Authorized Issuer Officer, the proceeds, including original issue premium, if any, received from the sale of the Bonds shall be applied by the Issuer, simultaneously (or as soon as practical) with the delivery of the Bonds, in the following order and priority:

- (1) Cost of Issuance. An amount equal to the costs of issuance of the Bonds shall be deposited with the Issuer to be used to pay the costs of issuance of the Bonds.

(2) Deposit to Project Account. The balance, together with other legally available funds of the Issuer, if any, shall be deposited in the Project Fund to be applied to the Costs of the 2014 Project.

SECTION 5.11 Reimbursement. The Issuer expects to pay on or after the date of this Resolution and before the issuance of the Bonds certain costs of the 2014 Project with funds other than proceeds of the Bonds (the "Advanced Funds"). The Issuer reasonably expects to use proceeds of the Bonds to reimburse itself for all expenditures described herein made with the Advanced Funds. This section is a declaration of the official intent of the Issuer in that regard, within the contemplation of Section 1.150-2 of the Income Tax Regulations promulgated by the United States Department of the Treasury. The maximum principal amount of Bonds expected to be issued to finance the cost of the 2014 Project is \$17,100,000. All of the expenditures initially to be made with the Advanced Funds and then to be reimbursed by the Issuer from proceeds of the Bonds will be for costs of the 2014 Project of a type constituting capital expenditures or preliminary expenditures relating to the 2014 Project or costs of issuing the Bonds.

ARTICLE VI  
SOURCE OF PAYMENT OF BONDS;  
SPECIAL OBLIGATIONS OF THE ISSUER

SECTION 6.01 Bonds Not to be General Obligation or Indebtedness of the Issuer. The Bonds shall not be deemed to constitute general obligations or a pledge of the faith and credit of the Issuer, the State of Florida or any political subdivision thereof within the meaning of any constitutional, legislative or charter provision or limitation, but shall be payable solely from and secured by a lien upon and a pledge of the Pledged Revenues, in the manner and to the extent herein provided. No Bondholder shall ever have the right, directly or indirectly, to require or compel the exercise of the ad valorem taxing power of the Issuer or any other political subdivision of the State of Florida or taxation in any form on any real or personal property for any purpose, including, without limitation, for the payment of principal of and interest on such Bonds, or to maintain or continue any activities of the Issuer which generate user service charges, regulatory fees or other Non-Ad Valorem Revenues, nor shall any Bondholder be entitled to payment of such principal and interest from any other funds of the Issuer other than the Pledged Revenues, all in the manner and to the extent herein provided. The Bonds and the indebtedness evidenced thereby shall not constitute a lien upon any real or personal property of the Issuer, or any part thereof, or any other tangible personal property of or in the Issuer, but shall constitute a lien only on the Pledged Revenues, all in the manner and the extent provided herein.

SECTION 6.02 Pledge. The payment of the principal of, premium, if any, and interest on the Bonds shall be secured forthwith equally and ratably by an irrevocable lien on the Pledged Revenues, all in the manner and to the extent provided herein. The Issuer does hereby irrevocably pledge such Pledged Revenues

to the payment of the principal of, premium, if any, and interest on the Bonds, and for all other payments as provided herein, in the order of priorities set forth herein. Notwithstanding the foregoing, nothing herein provided shall be deemed to grant or create a lien on the Project Fund.

SECTION 6.03 Covenant to Budget and Appropriate. The Issuer hereby covenants and agrees, to the extent permitted by and in accordance with applicable law and budgetary processes, to prepare, approve and appropriate in its Annual Budget for each Fiscal Year, by amendment if necessary, and to deposit to the credit of the Debt Service Fund, Non-Ad Valorem Revenues of the Issuer in an amount which is equal to the Bond Service Requirement with respect to all Bonds Outstanding hereunder for the applicable Fiscal Year, plus an amount sufficient to satisfy all other payment obligations of the Issuer hereunder for the applicable Fiscal Year. Such covenant and agreement on the part of the Issuer to budget and appropriate sufficient amounts of Non-Ad Valorem Revenues shall be cumulative, and shall continue until such Non-Ad Valorem Revenues in amounts sufficient to make all required payments hereunder as and when due, including any delinquent payments, shall have been budgeted, appropriated and actually paid into the appropriate funds and accounts hereunder; provided, however, that such covenant shall not constitute a lien, either legal or equitable, on any of the Issuer's Non-Ad Valorem Revenues or other revenues, nor shall it preclude the Issuer from pledging in the future any of its Non-Ad Valorem Revenues or other revenues to other obligations, nor shall it give the Bondholders a prior claim on any Non-Ad Valorem Revenues. Anything herein to the contrary notwithstanding, all obligations of the Issuer hereunder shall be secured only by the Non-Ad Valorem Revenues actually budgeted and appropriated and deposited into the funds and accounts created hereunder, as provided for herein. The Issuer is prohibited by law from expending moneys not appropriated or in excess of its current budgeted revenues and surpluses. The obligation of the Issuer to budget, appropriate and make payments hereunder from its Non-Ad Valorem Revenues is subject to the availability of Non-Ad Valorem Revenues after satisfying funding requirements for obligations having an express lien on or pledge of such revenues and after satisfying funding requirements for essential governmental services of the Issuer. Notwithstanding the foregoing or anything in this Bond Resolution to the contrary, the Issuer has not covenanted to maintain any service or program now provided or maintained by the Issuer which generates Non-Ad Valorem Revenues.

ARTICLE VII  
CREATION AND USE OF FUNDS AND ACCOUNTS;  
DISPOSITION OF REVENUES

SECTION 7.01 Creation of Fund and Accounts. There is hereby created and established the "City of Gainesville Capital Improvement Debt Service Fund – Series 2014" (the "Debt Service Fund").

The Debt Service Fund created hereunder and the Project Fund, and any accounts created therein constitute trust funds for the purposes herein and in any subsequent resolution provided. The Issuer may at any time and from time to time deposit moneys from any one or more of the funds and accounts established hereby with a depository permitted under applicable law. Any such depository or depositories shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such funds and accounts as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agents and employees.

SECTION 7.02 Project Fund. There is hereby created and established the "City of Gainesville Capital Improvement Project Fund" (the "Project Fund"). Moneys in the Project Fund shall be kept separate and apart from all other funds and accounts of the Issuer and shall be used to pay Costs of the Project, including without limitation, costs of issuance of the Bonds.

Any amounts remaining in the Project Fund after funds on deposit therein are no longer needed to be expended for the Project and which have not been reserved by the Issuer for the payment of the Cost of a Project, shall be transferred at the option of the Issuer to the Debt Service Fund and used to redeem Bonds in the manner described in Section 7.04(3) below, or, (i) shall be deposited into the Debt Service Fund and used to pay principal and interest next coming due on the Bonds to which such account secures, or, (ii) shall be paid to the Issuer to be used for any lawful purpose, provided however that such moneys shall be used for any purpose or purposes allowed pursuant to clause (i) or (ii) above, only if the Issuer shall first receive a Favorable Opinion of Bond Counsel.

SECTION 7.03 Disposition of Covenant Revenues and Qualified Hedge Payments.

(1) Commencing immediately following the issuance of the Bonds, and continuing thereafter so long as any Bonds shall be Outstanding hereunder, the Issuer shall deposit to the credit of the Funds and Accounts listed below on or before the twenty-fifth day of each month, from Non-Ad Valorem Revenues budgeted and appropriated for such purposes, amounts which, together with funds on deposit therein, will be sufficient to satisfy the cumulative deposit requirements described in clause (a).

(a) Covenant Revenues received by the Issuer shall be deposited into the Debt Service Fund in an amount which, together with any other amounts required to be deposited therein pursuant to this Bond Resolution, will equal one-sixth (1/6th) of the interest maturing on the Bonds on the next semiannual interest payment date, with respect to Bonds that bear interest payable semiannually, one-twelfth (1/12th) of all principal maturing or becoming due during the current Bond Year on Bonds that are Serial Obligations that mature annually

and one-twelfth (1/12th) of the Amortization Installments and unamortized principal balances of Bonds that are Term Obligations coming due during the current Bond Year with respect to the Bonds, until there are sufficient funds then on deposit equal to the sum of the interest, principal and redemption payments due on the Bonds on the next interest, principal and redemption dates in such Bond Year.

Deposits shall be increased or decreased to the extent required to pay principal, interest and redemption premium, if any, next coming due, after making allowance for any accrued and capitalized interest and taking into account deficiencies in prior months' deposits. On or before each interest payment date, the Issuer shall make up any deficiencies in such interest deposit, based on the actual interest accruing through such date.

Notwithstanding anything in this subsection (a) to the contrary, if principal, interest or redemption premium payments have been made on behalf of the Issuer by a Bond Insurer or other entity insuring, guarantying or providing for the payment of Bonds, moneys deposited in the Debt Service Fund and allocable to the payments on such Bonds made by a Bond Insurer shall be paid to such Bond Insurer having theretofore made the corresponding payment on the Bonds.

(b) Thereafter any remaining Covenant Revenues shall be available to the Issuer to be used for any lawful purpose.

(2) The Issuer shall not be required to make any further payments into the Debt Service Fund when the aggregate amount of funds in the Debt Service Fund are at least equal to the aggregate principal amount of Bonds issued pursuant to this Bond Resolution and then Outstanding, plus the amount of interest then due or thereafter to become due on said Bonds then Outstanding, or if all Bonds then Outstanding have otherwise been defeased pursuant to Section 11.02 below.

#### SECTION 7.04 Use of Moneys in the Debt Service Fund.

(1) Moneys on deposit in the Debt Service Fund shall be used solely for the payment of the principal of, interest on and any redemption premiums required with respect to the Bonds; provided, however, that if such principal and interest payments, or a portion thereof, have been made on behalf of the Issuer by a Bond Insurer, or other entity insuring, guaranteeing or providing for the payment of the Bonds, or any maturity or maturities thereof, moneys deposited therein and allocable to such payments on such maturity or maturities shall be paid to such Bond Insurer or entity having theretofore made a corresponding payment on the Bonds.

(2) At the maturity date of each Bond and at the due date of each Amortization Installment and installment of interest on the Bonds, the Issuer shall transfer from the Debt Service Fund to the Paying Agent for the Bonds, sufficient moneys to pay all principal of, premium, if any, and interest then due and payable

with respect to the Bonds. Interest accruing with respect to any fully registered Bond shall be paid by check or draft of the Paying Agent to the registered owner thereof.

(3) Moneys on deposit in the Debt Service Fund for the redemption of Bonds shall be applied to the retirement of Bonds issued under the provisions of this Bond Resolution and then Outstanding in the following order:

(a) The Issuer shall first endeavor to purchase Outstanding Term Obligations redeemable from Amortization Installments during such Bond Year, and pro rata (based on the principal amount of the Amortization Installments due in such Bond Year for each Term Obligation) among all such Bonds if more than one Term Obligation is Outstanding, or if no such Term Obligations are then Outstanding, the Issuer shall endeavor to purchase Bonds that are Serial Obligations whether or not such Bonds shall then be subject to redemption, but only to the extent moneys are available therefor, at the most advantageous price obtainable, such price not to exceed the principal of such Bonds plus accrued interest but no such purchase shall be made by the Issuer within a period of thirty (30) days next preceding any interest payment date on which such Bonds are subject to call for redemption under the provisions of this Bond Resolution;

(b) Then, to the extent moneys remain on deposit in the Debt Service Fund that are held for the redemption of Bonds, the Issuer shall call for redemption on each interest payment date on which Bonds are subject to redemption from such moneys, such amount of Term Obligations subject to the Amortization Installments for such Bond Year that have not been purchased pursuant to clause (a) above;

(c) Then, to the extent moneys remain on deposit in the Debt Service Fund that were deposited therein pursuant to this Bond Resolution for the purpose of redeeming Bonds, the Issuer shall first call any remaining Bonds then subject to redemption, in such order and by such selection method as the Issuer, in its discretion, may determine, from such funds as will exhaust the money then held for the redemption of such Bonds as nearly as may be possible; and

(d) Then, to the extent moneys remain on deposit in the Debt Service Fund that were deposited therein pursuant to this Bond Resolution for the purpose of redeeming Bonds, the Issuer may, in its discretion from time to time (i) use such moneys to defease Bonds, pay the principal of or interest on Bonds, or any other lawful purpose, or (ii) keep such moneys on deposit in the Debt Service Fund for future use pursuant to this Section 7.04; provided, however such moneys shall be used for any purpose or purposes allowed pursuant to clause (i)

above only if the Issuer shall obtain a Favorable Opinion of Bond Counsel.

If Term Obligations are purchased or redeemed pursuant to this section in excess of the Amortization Installments for such Bond Year, such excess principal amount of such Term Obligations so purchased or redeemed shall be credited against subsequent Amortization Installments for such Term Obligations in such Bond Year or Bond Years as the Issuer may determine and as may be reflected in the Issuer's accounting records.

Notwithstanding the foregoing, to the extent that moneys are deposited into the Debt Service Fund in a given Bond Year in an amount equal to the Amortization Installment for such Bond Year and are applied to purchase or redeem Bonds that are Term Obligations to which such Amortization Installment applies, then all moneys thereafter deposited to the Debt Service Fund for redemption of Bonds in such Bond Year may be applied as provided in clause (c) above and to the extent not fully utilized in connection therewith, as provided in clause (d) above.

SECTION 7.05 Paying Agents. The Issuer shall transfer, from the Debt Service Fund, to one or more Paying Agents (which may include the Issuer itself) as shall be designated herein or by resolution hereafter and from time to time adopted by the Issuer on the Business Day preceding each interest, principal and redemption date, by wire transfer or delivery in other immediately available funds, an amount sufficient to pay when due the principal of, interest on and redemption premium, if any, with respect to the Bonds.

## ARTICLE VIII DEPOSITORIES OF FUNDS, SECURITY FOR DEPOSITS AND INVESTMENT OF MONEYS

SECTION 8.01 Deposits Constitute Trust Funds. All funds or other property which at any time may be owned or held in the possession of or deposited with the Issuer for application in accordance with the terms and provisions of this Bond Resolution shall be held in trust and applied only in accordance with the provisions of this Bond Resolution, and shall not be subject to lien or attachment by any creditor of the Issuer.

All funds or other property which at any time may be owned or held in the possession of or deposited with the Issuer pursuant to this Bond Resolution, and any investment income thereon, shall be continuously secured, for the benefit of the Issuer and the Bondholders in the order and manner and for the purposes provided in this Bond Resolution either (a) by depositing with an Authorized Depository, as custodian, collateral security consisting of obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America having a market value (exclusive of accrued interest) not less than the

amount of such deposit, or (b) in such other manner as permitted hereunder and as may then be required or permitted by applicable state and federal laws and regulations regarding the security for, or granting a preference in the case of, the deposit of trust funds, including without limitation, the provisions of Chapter 280, Florida Statutes, as from time to time amended.

All moneys deposited with each Authorized Depository shall be credited to the particular fund or account to which such moneys belong.

SECTION 8.02 Investment of Moneys. Moneys held for the credit of the Debt Service Fund and the Project Fund shall be invested and reinvested by the Issuer in Investment Obligations. Such investments or reinvestments shall mature or become available not later than the respective dates, as estimated by the Issuer, that the moneys held for the credit of said funds and accounts will be needed for the purposes of such funds or accounts.

Obligations so purchased as an investment of moneys in any such fund created hereunder shall be deemed at all times to be a part of such fund, and shall at all times, for the purposes of this Bond Resolution, be valued annually on September 30 at the market value thereof, exclusive of accrued interest. Except as otherwise provided herein, deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding valuation date.

Except as otherwise expressly provided herein, including specifically the obligations of the Issuer with respect to paying the Rebate Amount as set forth in Section 11.03 hereof, all income and profits derived from the investment of moneys in the funds and accounts created hereby shall be retained in such respective funds and accounts and used for the purposes specified for such respective funds and accounts. Notwithstanding the foregoing, income and profits derived from the investment of moneys in the funds and accounts created hereunder may, at the option of the Issuer, be transferred to the Issuer in order to pay the Rebate Amount.

All such investments shall be made in compliance with Section 11.03 below.

Notwithstanding anything herein to the contrary, for purposes of investing or reinvesting, the Issuer may commingle moneys in the fund, accounts and subaccounts created hereunder in order to achieve greater investment income, provided that the Issuer shall separately account for the amounts so commingled.

ARTICLE IX  
GENERAL COVENANTS OF THE ISSUER

SECTION 9.01     Anti-Dilution Test.

(a)     The Issuer may incur additional Non-Ad Valorem Revenue Obligations only if, as set forth in a certificate of an Authorized Issuer Officer executed prior to the issuance thereof,

(i)     after the issuance thereof, the Covenant Obligation Maximum Debt Service Requirement in any Bond Year (net of any subsidies or reimbursement related to interest thereon) resulting from the total outstanding Non-Ad Valorem Revenue Obligations of the Issuer, including such additional Non-Ad Valorem Revenue Obligations proposed to be issued, does not exceed 50% of the Non-Ad Valorem Revenues received by the Issuer in the preceding Fiscal Year; and

(ii)    the Non-Ad Valorem Revenues of the Issuer for the preceding Fiscal Year were at least 2.00 times the average annual Bond Service Requirement for all future fiscal years on the Bonds together with the average Covenant Obligation Debt Service Requirement (net of any subsidies or reimbursement related to interest) for all future Fiscal Years on the total outstanding Non-Ad Valorem Revenue Obligations and Non-Ad Valorem Revenue Obligations proposed to be issued.

(b)     If any of the Non-Ad Valorem Revenue Obligations described in clause (a) of this Section 9.01 are "build America bonds" as defined in Section 54AA of the Code or any other similar bonds or obligations, for which the Issuer receives direct subsidy payments in an amount equal to a portion of the interest paid on such bond, the Covenant Obligation Maximum Debt Service Requirement on such indebtedness shall not, for purposes of this Section 9.01, be deemed to include interest to the extent that it is to be paid from a direct subsidy payment expected to be received from the United States Treasury (or such other similar entity of the Federal government) relating to such build America bonds, or any other subsidy or similar payments made by the Federal government and the Issuer has budgeted to deposit such amounts to the payment of debt service thereon; provided however that to avoid double counting, the amount of such subsidy payments shall then not be included in the determination of the Issuer's Non-Ad Valorem Revenues for purposes of this Section 9.01.

(c)     Notwithstanding anything herein to the contrary, the Issuer may incur additional Non-Ad Valorem Revenue Obligations to refund or defease all Outstanding Bonds without complying with the provisions in Section 9.01(a) herein.

SECTION 9.02     Annual Audit.     The Issuer shall require that an annual audit of its accounts and records with respect to its General Fund and the Pledged Revenues and the funds and accounts hereunder be completed as soon as

reasonably practicable after the end of each Fiscal Year by an independent certified public accountant of recognized standing. Such audit shall be conducted in accordance with generally accepted auditing standards as applied to governmental units and may be done as part of an audit of all of the Issuer's funds and accounts.

## ARTICLE X EVENTS OF DEFAULT; REMEDIES

SECTION 10.01 Events of Default. Each of the following events is hereby declared an "event of default," that is to say if:

(a) payment of principal of any Bond shall not be made when the same shall become due and payable, either at maturity or on required payment dates by proceedings for redemption or otherwise; or

(b) the Issuer shall fail to make any deposits required to be made hereunder or shall otherwise fail to comply with any of the covenants and obligations of the Issuer hereunder and such failure shall continue unremedied for a period of thirty (30) days after such failure to deposit or other such occurrence; or

(c) an order or decree shall be entered, with the consent or acquiescence of the Issuer, appointing a receiver or receivers of the Issuer, or the filing of a petition by the Issuer for relief under federal bankruptcy laws or any other similar law or statute of the United States of America or the State of Florida, which shall not be dismissed, vacated or discharged within sixty (60) days after the filing thereof; or

(d) any proceedings shall be instituted, with the consent or acquiescence of the Issuer, for the purpose of effecting a composition between the Issuer and its creditors or for the purpose of adjusting the claims of such creditors, pursuant to any federal or state statutes now or hereafter enacted, if the claims of such creditors are under any circumstances payable from the Pledged Revenues.

Notwithstanding the foregoing, with respect to the events described in clause (b), the Issuer shall not be deemed in default hereunder if such default can be cured within a reasonable period of time and if the Issuer in good faith institutes appropriate curative action and diligently pursues such action until the default has been corrected.

SECTION 10.02 Enforcement of Remedies. Upon the happening and continuance of any event of default specified in Section 10.01 of this Article, then and in every such case the Holders of not less than twenty-five percent (25%) of the Bond Obligation may appoint any state bank, national bank, trust company or national banking association qualified to transact business in Florida to serve as trustee for the benefit of the Holders of all Bonds then Outstanding (the "Default

Trustee"). Notice of such appointment, together with evidence of the requisite signatures of the Holders of twenty-five percent (25%) of the Bond Obligation and each of the Bond Insurers, if any, and the trust instrument under which the Default Trustee shall have agreed to serve shall be filed with the Issuer and the Default Trustee and notice of such appointment shall be published in THE BOND BUYER or a financial journal of general circulation in the City of New York, New York and mailed to the registered Holders of the Bonds. No more than one Default Trustee may be appointed and serving hereunder at any one time; however, the Holders of a majority of the Bond Obligation and the Bond Insurer, if any, acting jointly, may remove the Default Trustee initially appointed and appoint a successor and subsequent successors at any time. If the default for which the Default Trustee was appointed is cured or waived pursuant to this Article, the appointment of the Default Trustee shall terminate with respect to such default.

After a Default Trustee has been appointed pursuant to the foregoing, the Default Trustee may proceed, and upon the written request of Holders of twenty-five percent (25%) of the Bond Obligation shall proceed, to protect and enforce the rights of the Bondholders under the laws of the State of Florida, including the Act, and under this Bond Resolution, by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board, body or officer having jurisdiction, either for the specific performance of any covenant or agreement contained herein or in aid of execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, all as the Default Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

In the enforcement of any remedy against the Issuer under this Bond Resolution the Default Trustee shall be entitled to sue for, enforce payment of and receive any and all amounts then or during any default becoming, and at any time remaining, due from the Issuer for principal, interest or otherwise under any provisions of this Bond Resolution or of such Bonds and unpaid, with interest on overdue payments of principal and, to the extent permitted by law, on interest, at the rate or rates of interest specified in such Bonds, together with any and all costs and expenses of collection and of all proceedings hereunder and under such Bonds, without prejudice to any other right or remedy of the Default Trustee or of the Bondholders, and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and in such Bonds, for any portion of such amounts remaining unpaid and interest, costs and expenses as above provided, and to collect (but solely from moneys in the Debt Service Fund, and any other moneys available for such purpose) in any manner provided by law, the moneys adjudged or decreed to be payable. In no event shall an event of default result in the acceleration of any principal and interest on the Bonds.

SECTION 10.03 Effect of Discontinuing Proceedings. In case any proceeding taken by the Default Trustee or any Bondholder on account of any default shall have been discontinued or abandoned for any reason or shall have

been determined adversely to the Default Trustee or such Bondholder, then and in every such case the Issuer, the Default Trustee and Bondholders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Default Trustee shall continue as though no such proceeding had been taken.

SECTION 10.04 Directions to Default Trustee as to Remedial Proceedings. Anything in this Bond Resolution to the contrary notwithstanding, the Holders of a majority of the Bond Obligation and each of the Bond Insurers, if any, acting jointly, shall have the right, by an instrument or concurrent instruments in writing executed and delivered to the Default Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Default Trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions of this Bond Resolution, and that the Default Trustee shall have the right to decline to follow any such direction which in the opinion of the Default Trustee would be unjustly prejudicial to Bondholders not parties to such direction.

SECTION 10.05 Restrictions on Actions by Individual Bondholders. No Bondholder shall have any right to institute any suit, action or proceeding in equity or at law for the execution of any trust hereunder or for any other remedy hereunder unless such Bondholder previously shall have given to the Default Trustee and each of the Bond Insurers, if any, written notice of the event of default on account of which such suit, action or proceeding is to be taken, and unless the Holders of not less than twenty-five percent (25%) of the Bond Obligation shall have made written request of the Default Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Default Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit or proceeding in its or their name, and unless, also, there shall have been offered to the Default Trustee reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, including the reasonable fees of its attorneys (including fees on appeal), and the Default Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Default Trustee, to be conditions precedent to the execution of the powers and trusts of this Bond Resolution or for any other remedy hereunder. It is understood and intended that no one or more owners of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Bond Resolution, or to enforce any right hereunder, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Bondholders, and that any individual rights of action or any other right given to one or more of such owners by law are restricted by this Bond Resolution to the rights and remedies herein provided.

Nothing contained herein, however, shall affect or impair the right of any Bondholder, individually, to enforce the payment of the principal of and interest on his Bond or Bonds at and after the maturity thereof, at the time, place, from the source and in the manner provided in this Bond Resolution.

SECTION 10.06 Bond Insurer. For the purposes of Section 10.02, 10.04 and 10.05 hereof, a Bond Insurer providing a municipal bond insurance policy insuring the payment of principal and interest with respect to any Bonds shall be deemed to be the Holder of the Bonds so insured for the purpose of giving consents so long as such bond insurance policy remains in full force and effect and (i) the Bond Insurer shall not be in default in the due and punctual performance of its obligations under its insurance policy; and (ii) the Bond Insurer has not applied for or consented to the appointment of a receiver, custodian, trustee or liquidator of itself or of all or a substantial part of its assets, or admitted in writing its inability, or be generally unable, to pay its debts as such debts become due, or made a general assignment for the benefit of its creditors, or commenced a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect) or filed a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or failed to convert in a timely and appropriate manner, or acquiesced in writing to, any other petition filed against it in any involuntary case under said Federal Bankruptcy Code, or have taken any other action for the purpose of effecting the foregoing.

## ARTICLE XI MISCELLANEOUS PROVISIONS

SECTION 11.01 Modification or Amendment. This Bond Resolution may be modified or amended by resolution and may be supplemented for the completion of all appropriate blanks and for the addition of terms, covenants and provisions in the manner herein provided and as may further be necessary for the issuance of the Bonds hereunder by supplemental resolution adopted concurrently with or prior to the issuance of the Bonds. Thereafter, no modification or amendment of this Bond Resolution or of any resolution or ordinance amendatory hereof or supplemental hereto not provided for herein, materially adverse to the Bondholders may be made without the consent in writing of the Holders of not less than a majority of the Outstanding Bonds, but no modification, amendment or supplemental ordinance or resolution shall permit a change (a) in the maturity of the Bonds or a reduction in the rate of interest thereon, (b) in the amount of the principal obligation of any Bond, (c) that would materially adversely affect the covenant of the Issuer in Section 6.03 hereof to budget and appropriate Non-Ad Valorem Revenues of the Issuer for the payment of the amounts provided herein, or (d) that would reduce such percentage of Holders of the Bonds required above for such modifications or amendments, without the consent of the Bond Insurer, if any, and all of the Holders of the Outstanding Bonds. For the purpose of Bondholders' voting rights or consents, the Bonds owned by or held for the account of the Issuer, directly or indirectly, shall not be counted.

A Bond Insurer providing a municipal bond insurance policy insuring the payment of principal and interest on the Bonds shall be deemed to be the Holder of the Bonds so insured for the purpose of giving consents under this Section 11.01, except for the purposes of clauses (a), (b), (c) and (d) of the immediately preceding paragraph, so long as such bond insurance policy remains in full force and effect and (i) the Bond Insurer shall not be in default in the due and punctual performance of its obligations under its insurance policy; and (ii) the Bond Insurer has not applied for or consented to the appointment of a receiver, custodian, trustee or liquidator of itself or of all or a substantial part of its assets, or admitted in writing its inability, or be generally unable, to pay its debts as such debts become due, or made a general assignment for the benefit of its creditors, or commenced a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect) or filed a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or failed to convert in a timely and appropriate manner, or acquiesced in writing to, any other petition filed against it in any involuntary case under said Federal Bankruptcy Code, or have taken any other action for the purpose of effecting the foregoing.

Notwithstanding anything herein to the contrary, the Issuer, from time to time and at any time, may adopt such supplemental or amendatory resolution without the consent of the Bondholders (which supplemental or amendatory resolutions shall thereafter form a part hereof), for any of the following purposes:

A. To cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Bond Resolution or to clarify any matters or questions arising hereunder.

B. To grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

C. To change the description of the 2014 Project being financed with proceeds of the Bonds, including the nature or location of the 2014 Project.

D. To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

E. To make any other change that, in the opinion of the Issuer, would not materially adversely affect the security for the Bonds. In making such determination, the Issuer shall not take into consideration any bond insurance policy.

SECTION 11.02 Defeasance. If, at any time after the date of issuance of the Bonds, (a) all Bonds secured hereby or maturity or portion of a

maturity of Bonds with respect thereto shall have become due and payable in accordance with their terms or otherwise as provided in this Bond Resolution, or shall have been duly called for redemption, or the Issuer gives the Paying Agent irrevocable instructions directing the payment of the principal of, premium, if any, and interest on such Bonds at maturity or at any earlier redemption date scheduled by the Issuer, or any combination thereof, (b) the whole amount of the principal, premium, if any, and the interest so due and payable upon all of such Bonds or maturity or portion of a maturity of Bonds then Outstanding, at maturity or upon redemption, with respect thereto, shall be paid, or sufficient moneys shall be held by a Paying Agent or other Authorized Depository acting as an escrow agent in irrevocable trust for the benefit of such Bondholders (whether or not in any accounts created hereby) which, when invested in cash or Direct Obligations maturing not later than the maturity or redemption dates of such principal, premium, if any, and interest will, together with the income realized on such investments, be sufficient to pay all such principal, premium, if any, and interest on such Bonds at the maturity thereof or the date upon which such Bonds are to be called for redemption prior to maturity, and (c) provisions satisfactory to the Registrar and Paying Agent shall also be made for paying all fees, charges and expenses of the Registrar and Paying Agent payable hereunder by the Issuer, then and in that case the right, title and interest of such Bondholders hereunder and the pledge of and lien on the Pledged Revenues, the covenant of the Issuer pursuant to Section 6.03 hereof, and all other pledges and liens created hereby or pursuant hereto, with respect to such Bondholders shall thereupon cease, determine and become void, and if such conditions have been satisfied with respect to all Bonds issued hereunder and then Outstanding, all balances remaining in any other funds or accounts created by this Bond Resolution other than moneys held for redemption or payment of Bonds and to pay all other sums payable by the Issuer hereunder shall be distributed to the Issuer for any lawful purpose; otherwise this Bond Resolution shall be, continue and remain in full force and effect.

Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer, if any, pursuant to a municipal bond insurance policy, the Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, and the assignment and pledge of the Pledged Revenues and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners.

**SECTION 11.03 Tax Covenants.** It is the intention of the Issuer and all parties under its control that the interest on the Bonds be and remain excluded from gross income for federal income tax purposes and to this end, the Issuer hereby represents to and covenants with each of the holders of the Bonds that it will comply with the requirements applicable to it contained in Section 103 and Part IV of Subchapter B of Chapter 1 of Subtitle A of the Code to the extent necessary to preserve the exclusion of interest on the Bonds from gross income for

federal income tax purposes. Specifically, without intending to limit in any way the generality of the foregoing, the Issuer covenants and agrees:

- (1) to the extent required by the Code, to make or cause to be made all necessary determinations and calculations of the Rebate Amount and required payments of the Rebate Amount;
- (2) to set aside sufficient moneys from the Pledged Revenues or other legally available funds of the Issuer, to timely pay the Rebate Amount to the United States of America;
- (3) to pay the Rebate Amount at the times and to the extent required under the Code, to the United States of America from Pledged Revenues or from any other legally available funds;
- (4) to maintain and retain all records pertaining to the Rebate Amount with respect to the Bonds and required payments of the Rebate Amount with respect to each such Bonds for at least six years after the final maturity of each such Bonds or such other period as shall be necessary to comply with the Code;
- (5) to refrain from taking any action that would cause such Bonds, or any of them, to become arbitrage bonds under Section 148 of the Code; and
- (6) to refrain from using proceeds of the Bonds in a manner that would cause the Bonds or any of them to be classified as private activity bonds under Section 141(a) of the Code; and

The Issuer understands that the foregoing covenants impose continuing obligations of the Issuer that will exist as long as the requirements of Section 103 and Part IV of Subchapter B of Chapter 1 of Subtitle A of the Code are applicable to the Bonds.

Notwithstanding any other provision of this Bond Resolution, including in particular Section 11.02 hereof, the obligation of the Issuer to pay over the Rebate Amount to the United States of America and to comply with all other requirements of this Section 11.03 shall survive the defeasance or payment in full of the Bonds.

SECTION 11.04 Severability. If any one or more of the covenants, agreements or provisions of this Bond Resolution should be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Bond Resolution or of the Bonds issued hereunder.

SECTION 11.05 No Third-Party Beneficiaries. Except as herein otherwise expressly provided, nothing in this Bond Resolution expressed or implied is intended or shall be construed to confer upon any person, firm or corporation other than the parties hereto and the owners and holders of the Bonds issued under and secured by this Bond Resolution, any right, remedy or claim, legal or equitable, under or by reason of this Bond Resolution or any provision hereof, this Bond Resolution and all its provisions being intended to be and being for the sole and exclusive benefit of the parties hereto and the owners and holders from time to time of the Bonds issued hereunder.

SECTION 11.06 Controlling Law; Members of Governing Body Not Liable. All covenants, stipulations, obligations and agreements of the Issuer contained in this Bond Resolution shall be deemed to be covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized by the Act and provided by the Constitution and laws of the State of Florida. No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, agent or employee of the Issuer in his individual capacity, and neither the members of the Governing Body nor any official executing the Bonds shall be liable personally on the Bonds or this Bond Resolution or shall be subject to any personal liability or accountability by reason of the issuance or the execution by the Issuer or such members thereof.

SECTION 11.07 Effect of Covenants. All covenants, stipulations, obligations and agreements of the Issuer contained in this Bond Resolution shall be deemed to be covenants, stipulations, obligations and agreements of the Issuer and of the Governing Body and of each department and agency of the Issuer to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall bind or inure to the benefit of the successor or successors thereof from time to time and any officer, board, body or commission to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

Except as otherwise provided herein, all rights, powers and privileges conferred and duties and liabilities imposed upon the Issuer or upon the Governing Body by the provisions of this Bond Resolution shall be exercised or performed by the Governing Body, or by such other officers, board, body or commission as may be required by law to exercise such powers or to perform such duties.

SECTION 11.08 Repeal of Inconsistent Resolutions. All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, superseded and repealed.

SECTION 11.09 Effective Date. This Bond Resolution shall take effect immediately upon its final adoption.
