

Anita

As I have become more involved with other volunteer pursuits, I have decided The time has come to tender my resignation from the City Beautification Board effective February 1. I have enjoyed working with you and others on the Arbor Day celebrations and award ceremonies, but I feel it is time to move on and leave my seat to someone new. I leave wishing you and the Board the very best in upcoming celebrations, where you will probably see me among those who attend.

Dear Earline,

I'm sorry to ask you to accept my resignation from the City Beautification Board. Much as I value the contributions the Board has made, the demands of my work prevent me from regular participation in its meetings and other activities. Thank you and the other Board members for allowing me the privilege of having served with you.

Sincerely,

Paul Grant
