GAINESVILLE COMMUNITY REINVESTMENT AREA ADVISORY BOARD

BOARD DETAILS

OVERVIEW

SIZE 15 Seats

TERM LENGTH 2 Years

TERM LIMIT 2 Terms

Per Section 2-408 of the Ordinance No 181001 (Draft), The Gainesville Community Reinvestment Area (GCRA) Advisory Board shall consist of fifteen (15) members appointed by the City Commission to serve in an advisory capacity on matters of community redevelopment within the GCRA. To the extent possible, members of the advisory board should live or work in the community reinvestment area. Each member shall be appointed for a term of two (2) years and shall hold office until a successor has been appointed and qualifies. Vacancies shall be filled by appointment of the City Commission for the unexpired term of any member whose term becomes vacant. The advisory board should meet monthly and may adopt rules of procedure, subject to approval by the City Commission, to govern the conduct of its meetings. Staff support for the advisory board will be under the direction of the City Manager.

Applicants are encouraged to submit a resume and any additional information relevant to their application.

Interests & Experiences

Why are you interested in serving on a board or commission?

As a life-long Gainesville resident, my interest in serving the city is rooted in my deep ties to it. I was a member of the CRA's Downtown Redevelopment Advisory Board for 3 years from 2016 until its demise (this year) and served as the chair of that board for a 1 year term. I became a member because I believe downtown Gainesville has so much to offer and yet still so much room for growth. The projects undertaken by the CRA, along with the support of the advisory boards, have been key drivers in the evolution of the areas served by the CRA, and it is my hope that the transition to become the Community Reinvestment Area acts to further position the organization to embark on projects and initiatives that can more effectively and efficiently transform these areas into Gainesville's centers for business, living, arts, and culture. I have worked in downtown Gainesville for much of my adult life, and while I currently neither live nor work within the GCRA boundaries, I currently have a piece of property under contract in the Pleasant Street area where I intend to build a house for myself and my wife. Lastly, I believe my economic and financial expertise would be a valuable asset on this board. I hold two masters - one in Food and Resource Economics from UF and another in Rural Economic Development from Gent University in Belgium. I am also a financial advisor for Charles Schwab, one of the nation's most reputable and trusted financial institutions and Gainesville's largest financial advisory practice. Our office is locally owned, not a corporate office, and as such, we are rooted here in Gainesville and have a vested interest in seeing the city grow and develop. I believe this board should have members that not only view GCRA activity through the lens of a resident, but also through the lens of some area of expertise. My background in finance and economics would give me a unique perspective when it comes to addressing what will likely be some of the GCRA's most pressing issues.

How many terms have you served on this board or committee previously?

0

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.

GAINESVILLE COMMUNITY REINVESTMENT AREA ADVISORY BOARD

Born Oct. 6, 1956 in Detroit, MI to Ophelia Conley Blount, Spelman grad from Huntsville, AL --- later a bureaucrat in the Urban Renewal Program (until the revelation that it was really a "Negro Removal Pogrom") and Moses Blount from Savannah, GA --- a Real Estate Broker whose work included racial turnover of several NW Detroit neighborhoods. The nexus of these provided my early childhood education RE: dynamics of race, public policy and community development, as well as a longer view on mass migration, i.e. the Great Migration of Black people from "deep South" to "up South", to which I owe my very existence.

Education:

Single Parenting University, 1999. (My son is now a local business owner.)
Santa Fe Community College (SFCC), 1990, AS-CardioPulmonary Technology; 1999, AS-Nursing (RN)

Wayne State University, 1981, Poli. Sci./Urban Studies
Wayne County Community College, 1978, AS-biology
Cass Technical High School, 1974, chem-bio curriculum + entre to vegetarian lifestyle

Community action:

Detroit: Coleman Young campaign AND edited community services guide (11th grade internships);
co-coordinator of Food Co-op;
publicist/organizer for consortium of CBO's

Huntsville: coordinator of Community Housing Resource Board
organizer for Kawaida Community Assoc. (introduced Kwanzaa to HSV)

Gainesville: Co-coordinator of Bora Jumamosi (Sat. school, introduced Kwanzaa to Gainesville); Freedom School (thru Civic Media Center); Tutor/organizer for Pilot for Success (SFCC), Upward Bound (UF), College Reach Out Program (SFCC-CROP)

AREAS OF EXPERTISE

Higher Education

State & Local Government

Strategic Planning

Performance Measurement

Economic Development

Public Policy & Intergovernmental Affairs

Dr. Bush brings more than 15 years of public sector experience in the areas of state and local government, economic development, higher education and strategic planning. Carrie began her career in public service as a member of AmeriCops*VISTA, working in healthcare policy in a rural New Hampshire community. While pursuing her graduate education, Carrie joined the Mayor's Office in Tallahassee, Florida, where she worked in several positions and was eventually promoted to the Mayor's Chief of Staff, overseeing office management as well as Intergovernmental Affairs for the city.

Next, Carrie served as the Director of Research and Public Policy for a statewide non-profit organization, the Florida Chamber of Commerce Foundation, where she was responsible for new research programs and partnerships, with the goal of providing actionable insights for the state of Florida. Projects include analyzing the impact of immigration on Florida's economy, directing a portfolio of managed research for the Florida Trade and Logistics Study, establishing performance metrics for state and local economies, as well as developing a cohesive research approach with Florida's workforce and higher education institutions.

In 2012, Carrie transitioned to higher education as an Assistant Professor in the Department of Government and Justice Studies at Appalachian State University, where she taught in the Master in Public Administration and undergraduate Political Science programs. Her teaching experience includes subjects of state and local government, public administration and policy, economic development, strategic planning and leadership studies. In this role, she pursued research focused on collaborative governance, localized economies and performance measurement. After successfully passing mid-tenure review, Carrie was named the first Administrative Fellow for the College of Arts & Sciences where she assisted in developing platforms for sustainability and strategic planning for the 16 academic departments within the College.

Recently, Carrie served as the Director of Strategic Initiatives in the City of Gainesville, Florida, where she led the creation of a new municipal department and oversaw functional areas of communications, economic development, strategic planning, intergovernmental affairs, citizen-centered design and the UF/City partnership. Currently Carrie serves as the Director of Strategic Initiatives in the Office of the Chief Operating Officer (COO) at the University of Florida, where she leads a number of special projects that span COO operations, including capital projects, communications and enterprise risk management.

Carrie resides in Gainesville, Florida where she and her husband are raising two small children. She enjoys practicing yoga and currently serves on the Alachua County Public Schools Half Cent Tax Oversight Committee.

Interests & Experiences

Why are you interested in serving on a board or commission?

As the University of Florida Director of Planning and former City of Gainesville Public Works Dept. employee, I have a 23-year history of serving this community with emphasis on planning for economic development, infrastructure, and neighborhoods. For the past 18 years, I have worked in UF's Planning, Design, and Construction Division which is the clearinghouse for construction and infrastructure projects across all UF entities. Through my employment, I can serve as an informed conduit between the University and the Gainesville Community Reinvestment Area Advisory Board. My primary responsibility with the Campus Master Plan and Campus Development Agreement includes planning for UF properties in or near the Reinvestment Area including main campus, East Campus, Remote Library Storage (Waldo Rd/NE 39 Ave) and Newnans Lake recreation area. I was project manager for the recently completed UF Strategic Development Plan, which strengthened the University's collaboration with the City. I have also been involved in the Innovation District development including its earliest community stakeholder involvement and CRA project development. As a City of Gainesville Public Works employee from 1992-1995 and 1999-2001, I worked with many city neighborhoods, schools, and recreation facilities to improve access, safety, and livability. Over the years, I have participated in numerous interagency planning initiatives including the Plan East Gainesville study and other analyses of parking, stormwater, transit, bike trails, and roadways throughout the Redevelopment Area. My professional leadership, history of collaborative stakeholder projects, and extensive knowledge of the University, City, and County make me uniquely qualified to assist the GCRA in setting and executing priorities that maximize opportunity, equity, and collaboration throughout the Reinvestment Area.

How many terms have you served on this board or committee previously?

I have not served as a voting member on any CRA Advisory Board. However, I was a staff liaison to the CPUH board for many years. I was liaison from the City Public Works Department from 1999-2001 when PWD executed the CRA projects. I was UF liaison from 2001-2019.

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.

Interests & Experiences

Why are you interested in serving on a board or commission?

I have a vast amount of experiences of serving on boards and commissions (Alachua County Veterans Advisory Board, Alachua County Charter Review Commission). Currently, I am serving on The East Gainesville Redevelopment Advisory Board, and it is something I truly enjoy being part of a group who want to better our community. Serving on the Alachua County Charter Review Commission, I learned how to build consensus among 15 members. Also, I would bring a unique perspective to the board as a disabled veteran and person of color. I have committed to learning the intricacies of local government and how it functions and that has prepared to be able to serve on the Charter Review Commission for the City of Gainesville. The importance of the Charter Review Commission is upholding and supporting things that will keep and/or bring about good government.

Interests & Experiences

Why are you interested in serving on a board or commission?

I've been desiring to serve on a board for the past couple of years and I applied for the Cultural Affairs board last year. I also applied to work for the CRA in 2018 as well. I am a dedicated Gainesvillian with roots in town and I want to serve on the Committee for Community Development because I am passionate about community. Every Friday for the last 5 years, I have hosted a community gathering in my home with the intention to foster wellness and connection. I am eager to find more ways I can foster community in Gainesville and I am confident that my background as a former UF student turned small real estate business owner will offer an important perspective. As a Realtor, property manager, developer, and home renovator, I focus on locations in and around the Reinvestment areas. I come with ideas, an open mind to all perspectives, and also with pragmatism and an understanding of budgets. I am familiar with pretty much every project the CRA has been involved in, and I have attended several City Commission and Historic Preservation Board meetings.

Career objective and goals

Seeking a position that provides service and help to others while

- Performing projects in an organized and orderly fashion
- Assisting in completion of projects in accordance with established performance standards
- Insuring established procedure and policies of organization are followed
- Developing & exhibiting independent skills in all phases of the assignments

Knowledge skills and Abilities

During my career, both as employee and volunteer, I have utilized my skills to provide service to the public. I have 30 plus years as a program developer, during which time I was also instrumental in implementing the programs that I developed. I worked as a Certified Behavioral Analyst (CBA) for 6years. I developed assessment tools to collect pertinent information to develop procedures for improving, maintaining, and or increasing skills for people to live a life as close to normal as possible, helping mentally challenged residents return to the mainstream of society. During my time as CBA, I was involved in developing standard measuring tools to evaluate progress or the lack there of. I spent five years developing instructional curriculum materials for implementation and assessments used to instruct as well as evaluate staff. For twenty plus years I was responsible for developing Life Skills and Behavioral Management training used to increase or decrease behaviors, for persons who are developmentally and mentally challenged. During my time as a volunteer, I utilized the same skill set and learned knowledge to provide services for The Cultural Arts Coalition (a 501.c,3 organization) from 1982 to 1994 and have been working with the Greater Duval Neighborhood Association since 2013. I am astute at making sure rules and regulation are followed when providing services in the community. I also have 10 plus years with providing service through Med Waiver and 7 years in Med Waiver billing. I am proficient in the use of Excel, Windows, and Microsoft Work/Word & Quattro Pro.

Along with the afore mentioned skills, I also possess three years of experience working construction, (i.e. foundation preparation, pouring concrete, framing, installing trusses, roofing, hanging doors installing windows, and plumbing and electrical as an assistant). During my time as a construction worker I was educated in preparing for code inspections and ensured that safety regulations were met. In addition to on the job skills, I have personally built two homes, designing blue prints and supervising the start and completion of construction (1200sqft & 9,500sqft).

Other experience I possess includes 32 years working on gas engine and diesel vehicles from 1962 to 2018. I have provided a variety of vehicle services including but not limited to; oil changes, tune-ups, brake work, replacing Starters, Alternators, CV Axels, Wheel Bearings and re-building, removing and replacing Engines and removing and installing Transmissions).

Currently I work as a volunteer assisting in organizing Greater Duval Neighborhood Association's structure. Using my skill set from my years of employment, I am currently involved in designing, coordinating, and implementing initiatives identified as being priority in accordance with Greater Duval Neighborhood Association's Goals and Mission.

CARLA LEWIS-MILES

Certified Medical Assistant/Neighborhood Revitalization Coordinator/Community Development Consultant/Community Activist

PROFILE

I am a community activist who is dedicated to finding solutions to address the plight of underserved communities at risk for gentrification. I left the field of nursing, realizing that our communities are under attack by predatory developers, unfair development practices and a lack of protective city policies. I work closely with local, state and national leaders to develop policies to protect citizens and promote healthy and equitable community development.

I live in Gainesville, Florida with my husband Andrew. We have a combined family of 8 children, 5 grandchildren.

Interests & Experiences

Why are you interested in serving on a board or commission?

As the City Commission is well aware, I have served four years on the College Park University Heights (CPUH) Redevelopment Advisory Board, elected by the members this past year as Chair. As former President of the University Park Neighborhood Association (2017-18), I represented neighborhood interests. Recently, I fully supported the transformation of the City's revised redevelopment structure and urged the Commission to keep its focus on blight, especially in vulnerable neighborhoods such as Fifth Avenue Pleasant Street, Porter's Quarters, and the Eastside. If appointed to this new Board, I will continue to balance neighborhood interests with compatible redevelopment and equity. That said, due to my five year record of public advocacy for neighborhood interests with respect to the Comprehensive Plan and Land Development Code, I believe I could make a greater contribution, if selected, as a member of the City Plan Board. Members of the Commission all know of my expertise and genteel advocacy in this area, as well as the positive relationship I have maintained with the Interim Director of the Department of Doing, Andrew Persons. You also know that I am not a "go-along" sort of guy, but rather an independent and well-informed thinker, especially when it comes to land use and development issues. I also have many friends among developers. If selected, I will ensure that the interests of our historic neighborhoods are carefully balanced with economic development. I will also be an opponent of endless urban sprawl and an advocate for safe street designs as necessary to protect all users, to include bicyclists, pedestrians, scooters, and large vehicles. I support many recommendations of the UF's Strategic Development Plan and will work to implement it in an equitable manner that is fair to all concerned.

How many terms have you served on this board or committee previously?

Two Terms on CPUH Board; none on the Plan Board

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.

Robert Mounts

1639 NW 11th Road, Gainesville, FL 32605

Telephone: 352-665-9296; Email: robert.t.mounts@gmail.com

Mr. Mounts, a retired attorney, served as the Special Assistant to the Deputy Commander, U.S. Forces Korea for International Relations and United States Secretary to the Status of Forces Agreement (SOFA) Joint Committee in the civilian grade of GS-15 (full colonel equivalent) from January 1996 until July 2014. He retired with over 45 years of government service and returned home to his native Gainesville, Florida in July 2014.

Mr. Mounts also served over 25 years on active duty in the U.S. Air Force, serving both as a career Judge Advocate and as a Special Agent, Air Force Office of Special Investigations, retiring July 1, 1994 in the grade of Lieutenant Colonel, USAF. After military retirement, he practiced law in Long Beach, California specializing in commercial dispute resolution until his government appointment.

During a break in military service in 1972-74, Mr. Mounts served as Deputy General Counsel to former Florida Governor Reuben O'D. Askew and wrote major criminal justice legislation, including the 1973 Florida State-Wide Grand Jury law, and a 1973 Executive Order establishing procedures for Judicial Nominating Commissions.

Mr. Mounts obtained his undergraduate and law degrees from the University of Florida in 1964 and 1966, respectively, and was admitted to Florida Blue Key. He is a member of various civic and professional organizations, and is the recipient of multiple professional awards. In recognition of his Federal civilian service, he was awarded the Department of the Army Decoration for Exceptional Civilian Service (highest civilian award).

Mr. Mounts is married to Eunsook Park, who works from home, and they have five grown children between them, including two sons serving in the US armed forces. Mounts currently serves as Chair of the Community Redevelopment Agency's College Park University Heights Redevelopment Advisory Board; as a member of the Alachua County Democratic Executive Committee (former State Committeeman); on the Matheson History Museum Board; as a member of the Rotary Club of Gainesville, and is the immediate past president of the University Park Neighborhood Association (UPNA). He ran unsuccessfully for the City Commission District 4 seat earlier this year and remains an active citizen.

Interests & Experiences

Why are you interested in serving on a board or commission?

Redevelopment of the urban core of Gainesville is the key to achieving our great potential as a vibrant community. State-of-the-art replenishment of fundamental infrastructure within the city is crucial to our economic, social, and cultural renaissance. Not only is this deserved equity for local residents and businesses, but urban resurgence in the redevelopment areas benefits the entire region as the go-to location for living, working, and playing. My enthusiasm for the above vision has been demonstrated by years of personal energies devoted to the Community Redevelopment Agency as may be reviewed in the accompanying resume. I'm offering to fully apply this experience at this time.

Interests & Experiences

Why are you interested in serving on a board or commission?

I am interested in helping Gainesville navigate the complicated landscape of development and growth. As a resident of Porters, I have a solid understanding of the needs and concerns of this historic and wonderful community. Beyond that, I am a local business owner in District 1, a University of Florida graduate, and a Realtor. These combined give me a wide variety of insights and connections to the diverse needs of Gainesville's Downtown area. It is critically important that Gainesville continue its growth without leaving the less well-represented populations behind. I would like to help in that goal.

How many terms have you served on this board or committee previously?

0

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.

9/20/2019

Mr. Mayor and Members of the Gainesville City Commission:

The majority of my productive life has been directly associated with redevelopment within the urban core of Gainesville. I've spent the past 40 years renovating dilapidated old houses in two of the City's former CRA redevelopment districts -- Fifth Avenue/Pleasant Street and College Park/University Heights. I lived in the NW Fifth Avenue neighborhood for 30 years. I own a small handful of properties in both of these (former) districts and continue my work there on a daily basis. I am a State Certified Residential Building Contractor.

My first appointment to a Gainesville advisory board was to the Historic Preservation Board in 1992. I was subsequently appointed to the College Park/University Heights Redevelopment Advisory Board as a charter member in 1995 (where I also served as chair). While serving on the CP/UH Board, I initiated and was the principal architect behind the University Heights Special Area Plan, which established detailed development requirements (street trees, sidewalk widths, appropriate building setbacks, angle of light obstruction limits, etc.) for the University Heights portion of the redevelopment district.

I've served twice on the Fifth Avenue/Pleasant Street Redevelopment Advisory Board. I also resigned twice from the Fifth Avenue/Pleasant Street Redevelopment Advisory Board.

I served one term on the City's Development Review Board and two terms on the City Plan Board (where I also served as chair). Our Plan Board work included reviewing all land use and zoning applications, all special use permits, and the 10-year review and update of Gainesville's Comprehensive Plan.

I moved to the Stephen Foster neighborhood in 1996 and have served as president of the Stephen Foster Neighborhood Association for the past 12 years. Remediation and future redevelopment of the 150-acre Cabot/Koppers Superfund site is our most pressing issue, as the neighborhood shares a mile-long boundary with the site. I also serve on US EPA's Technical Assistance Services for Communities (TASC) team and attend the Alachua County Environmental Protection Department's Cabot/Koppers Local Intergovernmental Team (LIT) meetings in both capacities.

If managed appropriately, the GCRA should function as an economic investment mechanism that encourages and facilitates private-sector reinvestment into areas that are suffering from blight – which in turn benefits the community at large. Redeveloping areas of the city that are suffering from financial disinvestment should be one of the highest priorities of our local government. I've been a long-time advocate for unifying Gainesville's redevelopment districts and I look forward to serving on the GCRA Advisory Board, if appointed.

Sincerely,

Robert Pearce

NATIONAL HEALTHCARE ADVOCACY:

- ASHE Advocacy-Over a decade advocating nationally for CODE alignment. Millions of dollars are wasted each year in reparations between conflicting CODES and jurisdictions. Since 2011 this committee has brought together health care facilities managers, designers, industry professionals and building officials to create a better understanding of how health care codes function and are applied. Impacts have been with Smoke Compartments, corridor widths, sprinklered facilities, suite sizes and controlled egress locking.
- FGI CODE Minimum Advocacy- Vocal advocate for 20 years on Evidence Based CODEs pushing FGI to create a CODE minimum structure (Fundamentals) and a beyond CODE best practice (Beyond Fundamentals). Hospitals continue to face excessive construction and operational costs for CODES that are not proven to be effective.
- ICC Committee on Healthcare-founding member of committee responsible for ensuring hospitals are represented in the ICC CODE process. Through this committee ICC HCC has developed hundreds of proposals to help align the ICC codes with other health care codes and standards.
- Advocate for energy and sustainability in hospitals. Developed strategy to use BAS for operational efficiency. Shared results and opportunities for hospitals nationally and regionally thru hosted forums, presentations and articles. Multiple site visits to review savings opportunities (hospitals, General Motors, NASA) have been hosted.

I neither live nor work in the Reinvestment Area

Question applies to Gainesville Community Reinvestment Area Advisory Board

Employer Address, if you work in the community reinvestment area:

My husband and I own Satchel's Pizza, adjacent to the community reinvestment area. We live off Kincaid Road (SE Gainesville). Our kids went to Williams Elementary and Howard Bishop Middle. We are totally invested in the Eastside and would like to be able to shape how our side of town grows.

Which Boards would you like to apply for?

Gainesville Community Reinvestment Area Advisory Board: Submitted

PLEASE NOTE: You may only apply for two (2) City Advisory Boards/Committees each application cycle. A person may only be appointed to two (2) City Advisory Boards/Committees.

Do you claim any exemption to public record disclosure pursuant to FLA. STAT. Section 119?

Yes No

If yes, please submit a detailed explanation of exemption.

Interests & Experiences

Why are you interested in serving on a board or commission?

I feel like the Eastside has so much unrealized potential. Most of our employees and many of our friends live on the Eastside. I feel like with a little more vision the Eastside could become a thriving local counterweight to the corporate development happening on the Westside of town, making Gainesville better and more unique.

How many terms have you served on this board or committee previously?

none

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.

Interests & Experiences

Why are you interested in serving on a board or commission?

For the past 13 year the CRA has been a major part of my life. Serving for close to 11 years as a staff person for the agency has provided me with the expertise to be a member of this newly created board. Over the last year I have had the pleasure of serving as the East Gainesville Redevelopment Advisory Board's Chair. I live and attend church in North East Gainesville and work in east Gainesville. I serve on various boards in Gainesville and along with my professional position which works with many of the constituents within the GCRA boundaries, I do I feel I would be a good representative for this City as a whole if chosen to serve on this newly created GCRA board.

How many terms have you served on this board or committee previously?

Interests & Experiences

Why are you interested in serving on a board or commission?

My role is to promote a stronger and more productive partnership between the City of Gainesville and the University of Florida, with the goal to facilitate the greatest possible positive impact for the community and its members. This role has required that I understand the scope and nature of the needs in the community, that I meet a wide range of stakeholders in and around Gainesville and that I consider a range of possible projects and initiatives that can benefit these different stakeholders in both the short-term as well as the long-term. As such, my participation as part of the Gainesville Community Reinvestment Area Advisory Board would afford me the opportunity to bring this knowledge to others with similar objectives in mind and to consider and discuss holistic and strategic opportunities to build a better and stronger Gainesville based on the real needs, assets and resources that we have in our community today.

How many terms have you served on this board or committee previously?

Andrew Telles

Director, Collaborative Initiatives
University of Florida
Gainesville, Florida
andrew.telles@ufl.edu
(352) 283-1674

Experienced and proven advisor in law, strategy and asset management with a demonstrated ability to lead interdisciplinary and international teams of professionals in designing and implementing strategies for leveraging resources and maximizing impact through innovation, collaboration and partnership.

WORK EXPERIENCE

Director of Collaborative Initiatives **University of Florida**

Jan 2019 – Present
Gainesville, Florida

Tasked with the role of developing and enhancing collaboration and partnership with the City of Gainesville and community stakeholders to generate a positive impact in the community. The goal of this role is to develop an approach and platform that is capable of planning and executing collaborative projects and partnerships that can leverage existing assets and resources to maximize positive impact in and around Gainesville. A key part of this role is to identify the needs and challenges that are of greatest significance in the community, and to develop the structural and operational mechanisms that can initiate and support long-term and mutually beneficial partnerships centered around those needs and challenges.

Head of Innovation **University of Gothenburg, Grants and Innovation Office**

Jan 2014 – Jan 2019
Gothenburg, Sweden

Tasked with the role of establishing and developing an innovation office at the University of Gothenburg to carry out the identification, assessment and development of research-based knowledge and ideas. The main goal of the support from the innovation office is to turn knowledge and early-stage ideas into solutions that impact society through new innovations, sustainable offerings and entrepreneurial ventures. A key part of this role has been to act as both leader and visionary for a broad and comprehensive internal support structure aimed at researchers, staff and students to generate social and economic impact from publicly funded research, education and development activities. In addition, an essential element of this role has been aligning the development of the innovation office with the strategic mission of the university, balancing the interests of traditional innovation impact indicators with the evolving role of the university in modern society.

Manager

Interests & Experiences

Why are you interested in serving on a board or commission?

I became more interested in serving on a board after completing the board academy training through the Community Foundation earlier this year. I learned of the importance of board members as a collective group and I desire to advocate for those who I serve. As a mental health counselor, my goal is to see more well-rounded boards and tap into the why behind the motions to do either approve or deny plans, practices, and policies. Additionally, as a Gainesville Native and UF alumni, I would like to be an active participant in my community.

How many terms have you served on this board or committee previously?

0

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.

Interests & Experiences

Why are you interested in serving on a board or commission?

I am a daughter of Gainesville whose roots go back to its beginnings. Gainesville means a lot to me. Having left for roughly 20 years I've always believed that "There's no place like home" and in 2014, I returned with a desire to give back to the community that has been so gracious in giving to, and shaping me. In my travels and my professional and civic pursuits, I gained a wealth of knowledge, experience and perspective that I want to put to use in the shaping of the place that I loved enough to come back to. This is an interesting and crucial time in the history of our city. The current social and political climates dictate the need for the actualization of the terms "equity" and "inclusion" in everything we do. It is my desire to use my knowledge and experience to move Gainesville closer to that ideal.

How many terms have you served on this board or committee previously?

0

Members of all City of Gainesville Advisory Boards and Committees must only serve two (2) consecutive terms, except for the City Plan Board, Development Review Board and Historic Preservation Board.
