Petition 142SUB-00PB
Legistar Nos. 001117, 020125**

STIPULATIONS BETWEEN PARTIES

Furlow, et al. and Blake and Caudle, et al., through their respective attorneys, have agreed to stipulate to the following in the quasi-judicial hearing before the City Commission on July 23, 2002:

1. The consolidation of the issues for Phase 1 (Agenda Item 001117) and Phase 2 (Agenda Item 020125) of the Walnut Creek Subdivision.
2. Furlow, O'Brien, Dame, and Glen Springs Preservation Association, Inc. will be recognized as affected parties.
3. The recognition of the following people as experts in the case:
 - a. Kelley
 - b. Cunningham
 - c. Horvath
4. Cross-examination will not be limited to what is presented on direct. This is a means of shortening the hearing by permitting a witness to appear, hopefully, only once before the tribunal.
5. Blake and Caudle, et al. will be limited to two (2) hours for both direct testimony and cross-examination. Furlow, et al. will be limited to two (2) hours for both direct testimony and cross-examination.
6. Without consent of the other party, a party may not go beyond the time limits set in this stipulation.

7. No agreement has been made on the amount of time city staff will have for its presentation, nor whether that time should be charged to either of the parties.

8. No agreement has been made by Blake and Caudle, et al., and Furlow, et al., concerning time limits for the other affected parties granted status in the case.
