Youth Strategic Initiative 3.3

Analyze the Availability and Accessibility of Youth Programs and Identify a Role for City Government

Legislative ID# 080471

Draft Recommendation of the Role of Government:

- Create a City of Gainesville Youth Alliance
  - Consists of all youth service providers in the City
  - Meets regularly to build a stronger network of support for youth programs and services by:
    - sharing information
    - identifying possible partnerships
    - providing logistical support and/or assistance.
