Experience/Training Information

Related to Board/Committee: I grew up in Gainesville and I have ridden RTS for over 13 years. I have used RTS in many different circumstances: riding the city bus to go to school at P.K. Yonge, Santa Fe College and the University of Florida, taking the bus to work, traveling to see friends and taking the Lator Gator at night to go to Downtown and Midtown.

Recently I lived in The Netherlands for four months where I used a well developed transportation system on a daily basis.

I am also a member of the City Beautification Board.

I look forward to working with the City Commission and RTS to continue building our transportation system into one of the top systems in the world.

Educational Background: I have a Bachelors of Science in Finance, a minor in Urban Planning and Masters in International Business from the University of Florida. I also have studied urban planning and Curitiba's world famous Bus Rapid Transit System in Curitiba, Brazil.
