ORGANIZED BY

Global Warming Solutions 2005

Navigating the Risks and Opportunities

Join Exelon Chairman and CEO **John W. Rowe**, Timberland President and CEO **Jeffrey Swartz**, Secretary for the California Environmental Protection Agency (Cal/EPA) **Alan Lloyd** and other industry, economic and policy leaders.

Attend and you'll sail through:

- Regulatory impacts on the horizon – state, federal, international
- Winning strategies in a carbon-regulated economy
- Latest info on climate science & impacts

Don't miss this conference if you are:

- seeking market position under emerging climate policies
- looking for ways to minimize investment risks
- impacted by state or regional climate change action plans

Early registration begins in February – www.cleanair-coolplanet.org

For more information on underwriting and exhibit opportunities, please contact Roger Stephenson at 603 422-6464, rstephenson@cleanair-coolplanet.org.

Clean Air-Cool Planet creates partnerships to implement solutions to climate change and build constituencies for effective climate policies and actions.
