Dear Mr. Mayor and Commissioners:

My name is Edward Borden, and I am applying for reappointment to the Development Review Board. I have served on this board for the past 3 years. I began as a student adjunct but after a few months it was recommended that I apply for full board membership. Since that time I have served as a full board member with good attendance. I have served since January of 2000 as Vice-Chair of the board, and have acted as chair on several occasions as well. This past September the City of Gainesville sent me to the Urban Land Institute conference in Miami as a representative of this board.

I have served on this board through my years as an undergraduate at the University of Florida and now as a graduate student. I have enjoyed serving on this board for two main reasons: one, I have found it to be a wonderful learning experience because it relates well to my studies and future career plans, and two, because it allows me to feel part of the greater Gainesville community and not just a student. I wish to continue serving on the Development Review Board during my graduate program while living in Gainesville. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Edward B. Borden".
