**Regional Transit System (RTS) Summer 2019 Transit Service Changes (B)**

**This is a public meeting to receive public comment on the proposed RTS Summer 2019 Service Changes.**

*Explanation: RTS makes transit service changes three times a year. These changes coincide with the semester schedules for the University of Florida (UF) and Santa Fe College (SF). The following proposed service changes reflect the routine decrease in service levels that accompany the summer period and have been approved by both UF and SF respective to the routes they fund. RTS will present these proposed changes to the public and request feedback at an advertised public meeting on March 27, 2019 that will be held jointly with the RTS Citizens Advisory Board (CAB) bi-monthly meeting. After receiving public input, staff will present the proposed summer 2019 service changes (effective May 6, 2019) to the City Commission for approval.*

*Fiscal Note: In fiscal year 18-19, the City of Gainesville will receive approximately \$13 million from UF and \$1 million from SF for RTS services.*

**RECOMMENDATION**

*Staff will make a presentation and receive public input on the proposed summer 2019 service changes effective May 6, 2019.*

**Regional Transit System Advisory Board Annual Workplan (B)**

*Explanation: The Office of the Clerk of the Commission contacted staff and requested that an item be placed on the next agenda for the board to discuss "five (5) topics that can be referred to your Board/Committee from the Commission." In previous CAB meetings there have been discussions about the duties and responsibilities of the board and whether it would be beneficial to create an annual workplan. For the Board's consideration and discussion at the meeting in November, staff provided a schedule of the tentative 2019 meeting dates and a tentative list of items to be submitted to the City Commission in 2019. The board agreed to discuss the matter further at the next meeting, and asked each board member to bring one item back to discuss being added to the workplan.*

**RECOMMENDATION**            *The Regional Transit System Advisory Board discuss an annual workplan for 2019.*
