Subject: Re: WMAC Meeting is Canceled

Thanks for the notice of cancellation, Tony.
I must tender my resignation from the WMAC. Last night I was appointed
co-chair of the Phase I committee at our church, charged with carrying
forward the building and expansion plans for the coming years. This new
assignment will require extensive meetings, planning, research, and
commitment to see this thru in a timely fashion
I have enjoyed working with all of you, and feel sure the committee will
continue to provide assistance and advice.
With best wishes, Gladys Lane
