<p>This application requests that the City Plan Board approve a text change to the Land Development Code that will prohibit the operation of simulated gambling establishments (commonly referred to as "internet cafes") throughout Gainesville by excluding the use from the list of permitted uses in all zoning districts that otherwise allow "amusement and recreation services." Draft Ordinance No. 130960 that will implement this text change and that includes a definition of "simulated gambling establishments" is attached as Exhibit "A" to this application.</p>
<p>On January 16, 2014, the City Commission approved a temporary moratorium to immediately prohibit the filing, acceptance, or processing of any permit, development order, or any other official action of the City having the effect of permitting or allowing the construction or operation of any simulated gambling establishments (commonly referred to as "internet cafes") within the city limits. The City Commission on June 5, 2014, adopted Ordinance No. 130633, which placed the moratorium into effect until September 18, 2014. These items are submitted as backup to this petition and are attached as Exhibit "B".</p>
