City Hall

June 2016 Mobilitie applied for 75' wooden pole to be placed in the little patch of grass next to the police car.

Lexington Square

In December 2016 Mobilitie applied to place a 75' wooden pole on SE 2nd Place – between Lexington Square and the Parole Office. The pole, if it had been permitted, would be behind the palm trees but would be taller than the trees, streetlight, and apartments across the street. Note that the utilities are underground in this area.
