RESOLUTION NO. 201230

A resolution of the City of Gainesville, Florida, amending and restating Resolution Number 160416; providing for the source of funding for the ConnectFree Program; providing the projects that are eligible to receive ConnectFree grant funding; providing the criteria for each project to receive grant funding; providing for grant funding amounts; authorizing the City Manager to administer the ConnectFree Program; providing an immediate effective date.

WHEREAS, the City of Gainesville owns, operates, and maintains a utility system that provides electric power, water, wastewater, natural gas and telecommunication services to a region within and beyond the municipal boundaries of the City; and

WHEREAS, the City of Gainesville, in accordance with Sections 27-128 and 27-169 of the Code of Ordinances, imposes a 25 percent surcharge on water and wastewater connection charges incurred beyond the municipal boundaries of the City (“Surcharges”); and

WHEREAS, in 2016, the City re-established the ConnectFree Program by Resolution No. 160146. The Surcharges fund the ConnectFree Program which was established to assist with extension, construction, and connection of certain properties to the City’s water, wastewater, and reclaimed water systems; and

WHEREAS, the City Commission has determined to expand the ConnectFree Program for certain septic-to-sewer projects; and

WHEREAS, this resolution amends and restates the ConnectFree Program to include certain septic-to-sewer projects and directs the expenditure of ConnectFree Program funds.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF GAINESVILLE, FLORIDA:

1. **Source of Funding.** All surcharges collected on water and wastewater connection charges incurred beyond the municipal boundaries in accordance with Sections 27-128 and 27-169 of the Code of Ordinances shall be used to fund the ConnectFree Program, which shall be administered in accordance with this resolution.
2. **ConnectFree Program.** The Connect Free Program provides grant funding for the following projects:
 - a. The ConnectFree Program may provide grant funding to assist with the

payment of costs associated with the extension, construction, and connection to the City's water, wastewater, and reclaimed water systems throughout the entire Gainesville Regional Utilities (GRU) service area; and.

- b. The ConnectFree Program may provide grant funding to assist income eligible households with the costs of on-site plumbing modifications needed to extend, construct, or connect to the City's water, wastewater, or reclaimed water systems. Income eligible households are those that meet the criteria for low income, very low income, or extremely low income as defined by the U.S. Department of Housing and Urban Development (HUD); and
- c. The ConnectFree Program may provide grant funding for septic-to-sewer projects that address environmental problems by converting residential properties from septic tank systems to the City of Gainesville's centralized wastewater treatment system. For eligible septic-to-sewer projects ConnectFree funds may assist with the payment of costs associated with the extension, construction, and connection to the City's wastewater system, including on-site plumbing modifications.
