Subject: Re: FW: Status of GEAC members

Thanks David. Please let Mr. Brinkman know that I am resigning my position on the committee. I wish the committee well in its efforts to improve energy conservation and supply for the greater Gainesville area. My responsibilities at the University of Florida have prevented me from attending the GEAC meetings on a regular basis. I believe there are other citizens ready and willing to take on the responsibility.

--

Best regards,
Tony B.
