Dean & Erin,

I am writing to let you know that I will be stepping down from the Plan Board. I have accepted a position that will have my family and I moving to St. Petersburg at the end of July.

Our next meeting will be my last.

I have thoroughly enjoyed my experience on the Plan Board and the DRB and look forward to friendships with all of my fellow board members (staff liaisons included) for many years to come.

I trust you will share this news with the rest of the board.

Thank you,

Seth

Linda,

It is with a heavy heart to have come to the decision to resign my seat on the Nature Centers Commission. My health has been on a steady downward spiral these past months and lately so much so that I find it difficult to even leave the house. Constantly being in and out of the hospital has become the norm for me as well. I will deeply miss my fellow board members.

Respectfully,

Dave
