Misc Info:

Occupation: Land Resource Planner II (Public Conservation Lands Man.)

Boards Applying For:
Nature Centers Commission

Training/Experience:

Worked 2.5 years as Naturalist for the City of Gainesville's Nature Operations Division. Responsible for developing long-range conservation management plans. Responsible for implementing tasks designated in management plans. I have an intimate knowledge of Gainesville's Natural Areas.

I currently work for the St. Johns River Water Management District as a Land Resource Planner II. I am responsible for developing long-range plans for District's Conservation Areas. I develop and monitor inter-agency management agreements. I monitor conservation easements and act as liaison for easement land owners. Organize and direct District's Recreation Advisory Council. Other duties include assisting in restoration projects, prescribed fire, wildfire suppression, and public outreach.

Vice-chair (2000-current), Alachua County Environmental Protection Advisory Committee

I am knowledgeable of Florida's natural communities, including their structure and natural processes. I am familiar with natural communities found at Gainesville's nature parks and undeveloped areas.

Education:

College: University of Florida
Graduated
Degree: BS, Zoology

High School: Seabreeze Senior
Graduated
Location: Daytona Beach, FL

Professional Organizations:

Florida Exotic Pest Plant Council

Convictions: NO
