[200387.](#)**Food Waste Pilot Update (B)**

Explanation: The City was awarded a grant from the United States Department of Agriculture Community Compost and Food Waste Reduction Project.

The USDA grant is, in part, to determine the fiscal viability of using community composters to collect food waste curbside.

The USDA grant and Pilot food waste project was awarded in the amount of \$68,000. The Grantor will reimburse up to 75% of the expended amount (up to \$51,000.) Matching funds are identified in the Solid Waste Undesignated Fund Balance.

Community Builders will provide an update on the project six months into collection operations.

Fiscal Note: There is no fiscal impact associated with this update.

RECOMMENDATION

The Zero Waste Subcommittee: 1) hear a presentation; and 2) provide comments to Community Builders.
