Earline,

I regret to inform you that I will be unable to sit on the Gainesville Beautification Board for the coming year. Earlier in the year I applied for "Leadership Gainesville 41". Monday it was announced that I was accepted. This is a yearlong commitment that will assume a great deal of my time, and I feel I would be doing the Beautification board a disservice remaining on the board knowing that I would not be able to commit the time and effort.

I have enjoyed my time on the board and thoroughly appreciate you allowing me to contribute. The board does wonderful things for this great community and have no doubt the board will continue to do so.

I wish the board all the best,

Winn

Josh,

Please provide a letter or email to me, if you are not planning on returning to the board. You will be missed and thank you for your service to the board.

If you plan on attending the meetings, then that is good too. We start back up on the second Tuesday of August.

Many thanks,
