<p>I am a graduate of the University of Florida, with degrees in finance and economics. I have over 5 years experience as a law enforcement officer and have been a resident of the Gainesville area for over 10 years. I am an instructor at the police academy, which has given me public speaking experience as well as, the experience in leading others. I can effectively deal with the public and have the time to properly perform my duties on the Board of Trustees.</p>

What contributions do you feel you could make to the Board of Trustees if you are selected?

<p>I believe a public library system is a very important part of any community. I have used the Alachua County Library system extensively in my years in Gainesville. I also took advantage of the library system growing up in NJ. My experience working in state and local government has given me an insider's view of how the government works and, more importantly, how it should work. I enjoy interacting with the public and look forward to using my training and experience to do my part for the library system.</p>
