

Park Etiquette

Most of our parks are free and are places where plants, animals, historic and cultural resources are protected by law (Chapter 18 of the City of Gainesville Code of Ordinances). Rules, for individual parks, are found at each park's kiosk. Most of our parks are open down to dusk or until 11:00pm at our lighted facilities. Some of our parks are gated and have different hours of operations. When prescribed burns take place, a park may be closed. For updates, please check online at www.CityofGainesvilleParks.org or call 352-334-5067. Please check www.go-rt.com for bus routes to our various parks and facilities. Help us preserve these public places for everyone.

- Keep pets on a leash at all times, except in our Dog Parks.
- Plants, animals, and cultural resources are to be undisturbed.
- Animals are not to be fed, released, or removed.
- Motorized vehicles, fires, camping, digging and dumping are prohibited.
- Place litter and other waste in the appropriate containers.
- Stay on established trails.
- Use only grills provided on park property, unless otherwise authorized by the Department.

The City of Gainesville Parks, Recreation and Cultural Affairs Department strives to assist all residents with discovering the recreational, natural, and cultural facilities that make Gainesville a great place to live, work and visit. The Department complies with the Americans with Disabilities Act (ADA) which prohibits discrimination on the basis of disability. The Department makes reasonable accommodations in all programs to enable participation by an individual with a disability who meets essential eligibility requirements. If any accommodations are necessary for participation in a program or service, participants are encouraged to notify staff at least one week prior to program commencement.

City of Gainesville Parks, Recreation and Cultural Affairs Department is accredited by the Commission for Accreditation of Park and Recreation Agencies (CAPRA).
